With reference to Proceedings Ref on Cur No. 1089 of 21 dated 16th February 1921 of the Director of Public Instruction, I have the honour to state that I visited the Government Muhammadan Elementary School, Mirsahibpet, Madras, on Saturday morning 19th February 1921 and I am of opinion that the weaving classes of this school are doing useful work. These classes appear to be popular with the scholars and also their parents, who mostly belong to the weaving classes. Therefore I would recommend that these weaving classes may be made permanent. The services of the weaving instructor and the spinning assistant may be retained.
