Sir,

With reference to para 4 of G.O. 339 dated 10th March 1921, I have the honour to report that the Pondicherry Mission has elected the Rev.: Father P. Verdure, Principal of the St. Joseph's High school, Cuddalore as their representative on the District Educational Council.

2. As regards the Protestant Missions difficulties have arisen in the matter of election, some Missionaries wanting separate representations. I am afraid that unanimity cannot be reached in this matter. Hence, I have the honour to suggest for the consideration of the Hon'ble Minister, an alternative.

3. Now there are forty schools under American Arcot Mission, about 25 under Danish Mission, about 25 under the Swedish Mission about 4 under the S.P.G. Mission, and about 3 under the Danish Lutheran Mission. The last 2, cannot be allowed to elect separate representatives. As regards the other 3, each may be allowed to have separate representatives. If this is approved, the name of the Rev. H.E. Van Vrankan, Tindivanam may be published as the representative of the American Arcot Mission, and that of the Rev. D. Gnanadikam

Mission representation c. 1450/A., from the Insp. of Schools, XV circle,
on the Dist. Edl:
Council, S. Anest.

R.O. C. 2/21, d/23-3-21

Even at the time of submit-

ting preliminary proposals for the formation of the Council, the collector had reported on the impracticability of getting the Protestant missions to combine to send up a common representative and had accordingly proposed that while the Roman Catholic Mission might be given the privilege of electing a member, the Govt. might nominate one from the Protestant Mission Societies.

p. 6 of G.O.

The Insp. of Schools on the other hand suggested an elected representative to the American Mission alone among the Protestant Missions apparently because he was not hopeful of concerted action and unanimity ~~among~~ among the several Protestant missions. The D. P. D. however con-

p. 2 of G.O. (S) (S) desired that it should not be impossible for these missions to unite. The Inspector now states that difficulties have actually arisen and asks if it would be possible to give a seat to each of the three Protestant missions maintaining comparatively large no. of schools. It

is desired that to do so might give the
Missionaries an undue weight on the
Council. Before a reply is given to

U.O. Reply.

I am not in favour of the Inspector's proposals to allow the American Arcot Mission, the Danish Mission and the Swedish Mission to elect three separate representatives. The number of schools under their control does not justify the proposal. It ^{might} ~~should~~ be possible for the American Arcot Mission to elect one and the Danish and Swedish Missions to combine to elect one. Even then the Protestant Mission schools will be well represented as compared with the representation in other districts.

Dear Sir,

With reference

to the suggestion contained in para 3 of your official letter R.O.C. No. 2/21, d/ 23rd March 1921, that the ^(x) marginal noted missionary agencies maintaining elementary schools in the South West district might be given separate representation on the Dist. Educational Council for the district, I am to state that the Govt. are unable to alter the constitution of the Council, as already notified. ~~and~~ I am accordingly to request you to offer to the missions concerned one more chance of combining themselves to elect a single common representative and to tell them definitely

- Danish Mission
- Swedish Mission

that in the event of their
failure to do so the representative
of the American Protestant Mission,

will be deemed to represent
the interests of the Protestant
Mission on the Council. The
