/Through/ The Accountant-General, Madras.

Sir,

Mr. Porrett, Instructor in Manual Training for European Schools has submitted a scheme for the introduction of Manual Training "Wood-work" into the Lawrence Memorial School, and the Breeks Memorial School, Ootacamund. These schools are willing to start Manual Training classes as soon as Instructors are appointed and equipment supplied. It is reported that the former mentioned school has already the tools and requires benches and furniture and the services of an Instructor, while the latter school requires benches, tools and the services of an Instructor. In the case of the Breeks Memorial School, Ootacamund, the non-recurring charges for equipment are estimated at about Rs.700/- and the recurring charges for timber etc., at Rs.330/- a year. Special grants under the provisions of article 44 of the Code of Regulations

for European Schools, will be given to the school to meet the above charges. In the case of the Lawrence Memorial School, Ootacamund, the non-recurring and recurring charges estimated are Rs.600 and Rs.220/ respectively. In view of the impending provincialization of this --- school, the whole of the above charges will be met from provincial funds.

2. As regards the Instructor, Mr. Porrett, considers that one Instructor will do to take charge of the classes in both the schools, and he -- suggests that Mr. Rozario, the present Assistant Instructor in Manual Training for European Schools at the Madras Centre who is now drawing Rs.100 in the grade of Rs.90-10-140 (vide G.O.No. 683, Home (Sgt) dated 31-5-18) may be transferred to Ootacamund to be in charge of the classes in the schools referred to, and that in his place, --- R. Dias, who was trained as an Instructor under Mr. Eyfe may be appointed as an Assistant Inspector in Manual Training at the Madras ---- centre on Rs.90-10-140. I agree with Mr. Porrett, and I have the --- honour accordingly to request the sanction of Government for the employment of an Additional Assistant Instructor in Manual Training for European Schools on Rs.90-10-140 with effect from the 1st April 1921.

3. If the above proposal meets with the approval of Government, I request that the necessary provision for the post may be made in the budget estimates for 1921-22 which is now before Government.

I have the honour to be,

Sir,

Your most obedient servant,

P. S. S. S. S.
for Director of Public Instruction.

The Director should be asked to suggest a specific reappropriation of funds before any extra expenditure is incurred on this account. Subject to para 3 of the draft ~~order~~ being modified accordingly, the draft order may be accepted in Finance. The sanction has been registered as no 69 of 1921-22.

One wonders if there will be sufficient (Presumably ESR in work in doing for a man drawing a page of Rs. 90-10-140. Satisfied on this point)
