DEPARTMENT OF EDUCATION.

Delhi, the 24th January 1921.

From

H. Sharp, Esq., C.S.I., C.I.E.,

Secretary to the Government of India,

To

The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

I am directed to state that with the previous approval of His Majesty's Secretary of State for India, the Government of India have decided in the cases of members of the Indian Educational Service to permit completed years of war service performed by them with His Majesty's Forces during the recent war, prior to their appointment, to count up to a maximum of four years, subject to the remarks made below, towards pay, promotion and pension, but not for leave. No war service rendered before the age of 23 years - the minimum age limit for the Indian Educational Service - will so count.

2. The concession in respect of pay will not be applicable to officers whose initial pay in the Indian Educational Service is fixed strictly according to the pay by age rule since they will not lose by entering the service later than the usual age. This concession will therefore be granted only to those officers who were appointed to the service prior to its reorganisation and also to those whose initial pay is not reckoned by the full application of the pay by age rule. In the case of the latter, the qualifying period to be added will be calculated in accordance with the rate of initial pay granted, but in no case will the pay inclusive of the concession exceed what is admissible by the full application of the pay by age rule.

3. The concession in regard to pension will not be in addition to the pensionary concessions announced in Part II, Clause (3), of the Government of India, Finance Department, Resolution

no.1085-E.A., dated the 15th November 1919. But officers recruited prior to 6th July 1920 will be granted war service pension concessions or concessions enumerated in Part II, Clause (3), of the above resolution, whichever are more favourable to them. War service added under paragraph 1 will not be included in total service for the purposes of Article 408 of the Civil Service Regulations.

4. I am to request that the cases of the officers of the Indian Educational Service who have put in war service may be submitted with full particulars for the orders of the Government of India.

5. The cases of future entrants to the Indian Educational Service will be considered at the time of their recruitment.

I have the honour to be,

Sir,

Your most obedient servant,

J. D. Singh

Secretary to the Government of India.

I have the honour to return herewith the letter of the Government of India, Department of Education No.131 dated 24-1-21, referred to me with the Government - endorsement No.401 A-1 dated 10-2-21 and to state that only two officers of the Indian Educational Service have rendered military service before their admission to the Indian Educational Service.

" With reference to your Proceedings R.C.No.1506/21 dated 11th March 1921 I have the honour to submit that for the purposes of the G.O.concerned I put in one completed year of Military service prior to taking up my present appointment.

I served in the 1st General Service Battalion of the Indian Defence Force at Poona from 1st October 1917 to 31st March 18 when the Battalion was disbanded, and then with the 2/1st K.G.O.Gurkha ^{Rifles} from 26th June 18 to 4th April 19 when I was demobilized--- total 6 + 9 $\frac{2}{3}$ or) 15 $\frac{2}{3}$ months.

There were also two periods, of 3 and 4 months respectively when I was waiting without work, for Government orders.

My Commission in the Indian Defence Force dated from 1-4-17 but I presume service ~~service~~ in local units does not count for the purposes of this order.

Copy of letter R.C.No.64 Sup/21 dated 17/3/21 from the - Inspector of schools, V circle to the Director of Public Instruction, Madras.

* With reference to Proceedings R.C.No.1506/21 dated 11th March 1921, I have the honour to submit the following - information required therein.

2. I enlisted in the Army in the Royal Engineers on 29th January 1915 and was discharged as Sergeant on the 28th January 1917 at the expiry of two years service being no longer fit for active service.

3. You will notice however, that my service in this Department overlaps by five days my service in the Army. This was due to my appointment in the Indian Educational service,

being gazetted just before my discharge and to my being asked to join my post expeditiously and I was allowed to go by the Army authorities.

4. As, however, the Government of India, in their letter No. 131 Educational dated 24-1-21 state that they have decided to permit completed years of war service only to account, there may be some objection raised with reference to this overlapping and I ~~there~~ therefore have the honour to request that you will strongly urge that I may be given the benefit of the full two years I served in the Army in spite of this overlapping.

5. I enclose my Military discharge certificate in original for purposes of verification and to request that it may be returned to me when done with.

War Service concession C. 401/A, from the G. of I., 131, 24.1.17

p. 1, c. 1

In para 2 of their present letter the Govt. of India state that the concession of adding war service subject to a maximum of four years will be granted only to those officers who were appointed prior to reorganisation and also to those whose initial pay is not reckoned by the full application of the pay by age rule.

The D. P. I. reports the case of Messrs. Saunders & Stanley who have rendered one and two years war service prior to their entering service. These officers joined the D. P. I. on 21.8.19 & 24.1.17 respectively and had attained a pay of Rs 500 to 600 under the old scale. According to recent orders of the Secy. of State they could retain this and also have "Grand old alternative" for their starting pay on 1.8.1919. Presumably the concession of adding war service will be applicable only to the new scale and the two officers in question would
