Sir,

I have the honour to submit herewith an application for grants from the Correspondent, Coronation High School, Srivaikuntam towards the purchase of science apparatus, books and furniture and to state that the lists were referred to the Professors, Presidency College, for opinion.. They approved all items in the application but I consider that grants on items numbers 235 to 239, 241, 244 245 and 246 costing Rs. 63-4-0 need not be included in the application for grants as they can be purchased out of school contingencies, I have the honour therefore to recommend that a two-thirds grant on Rs. 3573-15-0 the amount necessary for the purchase of science -- apparatus and a half grant on Rs. 1923-9-0 composed of other --- Science articles, books and furniture for the model Drawing may be

5560-12-0
3573-15-0
1923-9-0 - 63-4-0 or 1923-9-0

sanctioned to be paid as funds become available on submission of the necessary vouchers before 31st December 1921. I request that the enclosures may be returned when done with.

I have the honour to be,

S i r,

Your most obedient servant.

for Director of Public Instruction.

The allotments for
14/4/21 grants are made
only in lump in the
budget. No specific
provision is made

in the budget for any particular work. Ordinarily grants are disbursed out of the lump allotments as applications for finished works are received & when the allot is exhausted & further addl. funds are not forthcoming, the applications received hereafter are deferred for compliance to the next year. In this view, the addition made to the draft at the instance of the Finl. Dept. cannot may stay.
