As:

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,
Home/Education/ Department.

Sir,

With reference to para 2 of G.O. No. 1254
Home, Education, dated 26th October 1920 I have the honour to
state that the Principal, College of Engineering, reports
that there appears to be no G.O. fixing the batta of Anglo-
Indian and Military students at double the rates admissible
in the case of Indian students, but that the practice has been
in vogue for 20 years or more.

2 The distinction is doubtless based on the
difference between the habits and mode of living of these and

of the Indian students. Their expenses in camp are greater.

I have the honour to be,

Sir,

Your most obedient servant,

N. R. Vishwanath 1312w

For Director of Public Instruction.

To The Secretary to the Government of Madras,

L a w (Education) Department.

Sir,

With reference to Government memorandum no. 3698 A
of 1920 dated 17th January 1921 I have the honour to report that
the Principal, Engineering College states that:-

- (1) The students go into Survey Camp once a year immediately after the Christmas vacation;
- (2) The camp lasts about three weeks;
- (3) The camp this year was divided into three sections of 85, 173 and 174 students making a total of 432 students in all;
- (4) The expense involved this year amounts to approximately Rs. 2000
- and (5) The charges for Indian and Anglo-Indian students respectively with their numbers during 1918-19 and 1919-20 were as shown below:-

(P. T. O.)

5

	Number of students (Indian)	Military and Anglo-Indians.	Amount spent as batta for Indian students.			Amount spent for Military & Anglo-Indians.		
			Rs.	A.	P.	Rs.	A.	P.

1948-19. (approximate)	487	7	3944	3	1	105	14	0
1919-20.	462	6	3747	2	0	90	12	0

2. The decreased expenditure during the current year is explained by the Principal thus:-

"Since the college has been removed to Guindy, it has been considered sufficient if only some of the classes are taken out to camp and the remainder do the practical surveying in the neighbourhood of the college, whereas formerly all the classes went to camp!"

I have the honour to be,

Sir,

Your most obedient servant.

for Director of Public Instruction.

NOTES.

Home (Ed) Dept.

Batta to Students of the College of Engineering when in Survey camp.

[Cm. 3698] From the D.P.D., no. RAC 11331, Dyle 12-20

Please see the question asked in the Legve Council meeting of September 1920 and the answer given thereto on page 5 of G.O. no. 1254, Dyle 26-10-20.

2. The D.P.D. reports that the Anglo Indian and Military Students of the College of Engineering are drawing batta at double the rates admissible in the case of Indian Students, for the last 20 years or more. No G.O.'s are, however, traceable on the subject. For orders whether the question need be pursued further or whether the current may be filed with G.O. 1254, Dyle 26-10-20.

3. When undergoing practical training, Military + Anglo-Indian students receive higher rates of subsistence allowance than Indian students, presumably in view of their different mode of living.
