From (Name) C. T. Mullings, Esquire,

(Designation) Suptg. Engineer, I Circle

To The Chief Engineer,

Public Works Department

Sir,

I have the honour to forward herewith for favour of disposal an application from M. Kurmanadhaswamy, a permanent Clerk on Rs. 20 plus 10, for permanent exemption from the examination rules to enable him to hold clerical appointments in the higher grades.

2. The applicant is an unpassed candidate. He entered the Department as a temporary Section Clerk in the Koraput Agency in September 1913. Under G. O. No. 991 dated 29-7-18,

Permitting unpassed clerks who had been in service for more than 2 years prior to 6-8-17 to be employed in "aphorisms" carrying pay of Rs 20 p.m.

he

he became eligible for confirmation in the Department as a Clerk on Rs. 20/- In consideration of the good services rendered by him in the Agency for over 7 years, he was made a permanent clerk with effect from the 1st November 1919. His attainments do not fall short of those of a School Final Candidate, and, as will be seen from the Executive Engineer's recommendation on the Clerk's application, he has shown his fitness to discharge responsible duties.

3. The Clerk is willing to continue serving in the Agency where service is extremely unpopular. As such men deserve encouragement, I strongly support his case and recommend that he may be exempted from the Examination rules to hold Clerk's posts carrying a pay of Rs. 50/- The reasons for fixing this limit will be found in this Office No. 345-W dated 16-2-21. An application for exemption in the proper form is herewith forwarded.

I have the honour to be,

Sir,

Your most obedient servant,

The Superintending Engineer,
First Circle.
Visagapatnam.

Through Proper Channel,

The humble petition of M. Kurnamadhaiah
Senior accounts clerk, Koraput Division most
respectfully sheweth:—

That your petitioner was inter-
tained in the Circle in September 1913 as a
temporary clerk and was Confirmed on Rs 20/-
in November 1919 being exempted from
examination rules.

2. That your petitioner has been
working in the agency tracts of this
division in various Capacities from a Section
clerk to a divisional accounts clerk all
along the period of seven years and has
discharged his duties to the satisfaction of
his superiors as can be seen from the
Continuous good reports he has earned
Year after year.

3. That your petitioner
submitted a petition in July 1920 (forwarded
with EE'S No 515 SE of 14-7-20) for being
exempted permanently from the exami-
nation rules with a view to his promotion
in the higher Clerical grades, as chances
occur, and an endorsement was given
in response thereto in Memo No 680 K of 10-8-20
that he would be recommended for
permanent exemption if he would continue
to serve in the agency. The petitioner
expressed his willingness to so serve, and
the late Executive Engineer Mr. D. W. Gollan
was pleased to recommend accordingly
in his No 669 SE of 16-8-20 that the petitioner
application for a transfer out of the ag-

agency might be considered as cancelled and that his application for exemption be allowed to stand. The petitioner was however informed in No. 723 K of 2-9-20 that on account of the number of applications from passed Candidates, unpassed Candidates have no chances of getting posts in the plains. The petitioner begs to submit that his prayer was for permanent exemption from the examination rules (i. e) for promotion to regular Clerical appointments above Rs 20 permanent and which appointment he now holds. He was given a hope or rather a promise in Superintending Engineer's ^K 12680 of 10.3.20 that if he were to continue to serve in the agency he would be recommended for permanent exemption. The petitioner now begs to reiterate his promise of continuing to serve in the agency and requests that he might be recommended the permanent exemption prayed for.

4. That your petitioner has for the last 15 months been working in the division office as the Senior Accounts Clerk, the responsibility of which is arduous, & he believes that he has given complete satisfaction in the discharge of his duties in the above capacity.

5. The petitioner therefore requests that the fact of his having served in the agency for the past seven years and the further fact that he has been discharging responsible functions in the division office may kindly be taken into account, and he be given further prospects of promotion beyond the minimum pay of Rs 20 - to which he must for ever be stuck up for all his remaining service in the department, were he not recommended for exemption now prayed for.
