Madras.

Sir,

With reference to Government memorandum No. 3334 A-1 Home (Education) dated 20th November 1920, I have the honour to report that the Collector of Vizagapatam thinks that the acquisition can be completed in 1921-22, if funds are provided early enough. Both the Superintending Engineer and the Collector are of opinion that 5.58 acres will be necessary and I agree with them. The Collector states that the amount of Rs. 50000 will probably be sufficient and that he will send a further report as soon as he is in a position to give
