I have the honour to forward herewith for submission to
Government a memorial of K.N. Vanchi Ayyar, 3rd grade amin,
District Munsif's Court, Alatur, praying that he may be
exempted from educational qualifications for a clerk's
appointment on Rs. 20/- and above for which special tests
are not necessary or for the appointment of a first grade

The humble memorial of K. N. Vanchi Ayyar 3rd
grade Amin, District Munsif's Court Alatur

Most respectfully sheweth

1. That the memorialist is a 3rd grade amin on
Rs. 15 and has put in a total service of 12 years in the
Department.

2. That he is conversant with the various branches
of office work, himself having been made to do the duties
of a clerk alone in the Regular Establishment ever since
his 1st appointment will be seen from the few lines written
on 13- 8- 1917 by M. R. Ry. B. Venkata Rao Avergal the
late District Munsif of Alatur which the memorialist begs
leave to quote here " He has ample office experience, in
fact he rarely worked out of doors as an Amin though his
appointment is only that of an Amin. He writes a neat
hand which is another qualification much to be desired. He
has given entire satisfaction to my predecessors in the
discharge of clerical work. I should consider him to be as

as good as a passed man. Further, I believe for a Rs. 20 post unpassed men are eligible, though undoubtedly passed men have to be preferred. But the present is an exceptional case. The man has been doing the duties of a clerk alone though drawing the pay of an Amin. His conduct is good".

3. That the memorialist knows short hand and can write at the rate of 80 words a minute and that he has studied up to the matriculation class but was not fortunate enough to get through, though he appeared for the University Matriculation Examination between the years 1900 & 1904.

4. That he was appointed to act as clerk on Rs. 20 from the year 1909 to 1917 and that he was assisting miscellaneous clerk for more than a year, fair copying Judgments for 2 years, attending to the Small cause and original Bench for nearly 2 years, doing the duty of examiner for some time and that he is now the Head Clerk's assistant in the most important work Viz., the account work (Cash & Ledger Etc.)

5. That his attempts for a promotion to a permanent clerk's place on Rs. 20 and upwards always meet with fatal results owing to defect in general educational qualification

6. That when the present District Judge was at Alatur on Inspection duty in October 1918, he put forward his claims for promotion and exemption from educational qualification and his honour was pleased to make the following endorsement on 2-10-1918 "If there is a question of promoting him he can urge his claims and they will be considered: If the District Munsif then wishes to recommend exemption he can and I will consider it".

7. That on the 19th January 1920 there was a vacancy in this court for a clerk's post and that when the

the memorialist urged his claims and submitted an application for exemption addressed to the District Judge endorsed by the present District Munsif thus "The candidate is honest, industrious and very useful. He deserves to be exempted. I do not add anything more because the testimonials will show that the candidate has given complete satisfaction to all the persons that he had to serve under" and on account of a mistake in the prayer portion in having requested the District Court to exempt him from Examination rules instead of to recommend him for such exemption his honour, the late District Judge V. P. Rao Esq., passed the following order "I have no power to grant exemption prayed for" (~~Copy of the order enclosed~~).

8. The memorialist therefore now most humbly and respectfully begs to request that in consideration of the above facts and having regard to his long service in the Department without any promotion and to his having acted as clerk in the Regular line on Rs. 20 on various occasions for the last 12 years to the entire satisfaction of his superiors as will be evidenced by the testimonials attached hereto, Your Excellency will be graciously pleased to exempt him from Examination qualification to a clerk's place on Rs. 20 and above for which no special Test qualifications are necessary or to exempt him at least to the place of a 1st Grade Amin.

For which act of mercy the memorialist shall in duty bound ever pray.

May it please Your Excellency,

Your Excellency's most obedient & humble
memorialist,

Ad Vanchiayad

3rd Grade Amin,

Endorsement on my application to the District Judge.
Forwarded. I would strongly recommend this man's case for the very favourable consideration of the District Judge. He has ample office experience in fact, he rarely worked out of doors as an amin though his appointment is only that of amin. He writes a neat hand which is another qualification much to be desired. He has given entire satisfaction to my predecessors in the discharge of clerical work. I should consider him to be as good as a passed man. Further I believe for a Rs. 20 post unpassed men are eligible though undoubtedly passed men have to be preferred. But the present is an exceptional case. The man has been doing the duties of a clerk alone though drawing the pay of an Amin. His conduct is good.
