Subject.

Requesting sanction of Government for an expenditure
 of Rs 4,410/- required for the purchase of new materials and
 levelling the play grounds of the College of Engineering,
 Guindy.

ENCLOS. RES.

No.

Spare copies

R.C No. 10627/20

Station Madras, Dated the 11 December 1920

From (Name) The Hon'ble Mr R.G. Grieve M.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

The Principal, College of Engineering informs me
 that the undermentioned expenditure has to incurred in
 connection with the purchase of new materials required
 for the athletic grounds of the College and levelling and
 completing, the Hockey, Foot ball and Cricket grounds:-

i. Making of seven tennis courts	Rs
at Rs 200/- each and seven nets	
st Rs 20/- each.....	1,540
ii Football, Hockey and Badminton	
posts and side boards for Hockey	
goal nets.....	530
iii Medium size Roller.....	40
iv Levelling and completing Hockey	
Football and Cricket grounds	
including planting grass and	
grass seed (area 501,000 Sq Ft.)	2,300

Total Rs 4,410

2. I have the honour to recommend the Principal's proposals as the expenditure is necessitated on account of the removal of the College to Guindy and as the Principal's estimate of cost for the several items referred to supra, appears reasonable. As regards the levelling and completing the Hockey, Football and Cricket grounds, the Principal's estimate works out at 222.2 square feet per rupee. When compared with the rates that the Public Works Department have estimated for levelling the playgrounds in recent years in Madras for Madras Schools, the Principal's figures does not seem to be extravagant, due allowance being made for the difference in time. The expenditure on tennis courts also, does not in my opinion appear to be too much.

3. I have therefore the honour to request that you will be so good as to obtain the sanction of Government for an expenditure of Rs 4410/- required for the purchase of new materials and levelling the play grounds of the college.

4. The expenditure may be met from the anticipated savings in the lump provision of Rs 33,000 made for the reorganization of the college in the Civil Budget Estimate for the current year.

I have the honour to be,

Sir,

Your most obedient servant,

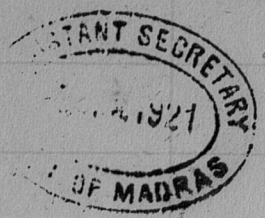

D. Subramanian Chell

for Director of Public Instruction.

P.R.K. 10/12

23-12-20.

Finance Dept.
~~The draft order is accepted~~

The Engineering College was removed to Guindy in July last

The application for funds for purchase of new materials for playgrounds is made several months later. As the College had got on so long without the materials & in view of the need for strict economy during the current year it is for orders whether the D.P.D. may not be asked to postpone this expenditure until April next.

CRS
4.1.21

As regards part of item i (the table) & ii & iii, cf. p. 1, I should think the College should have taken all this over from their previous fund & the D.P.D. may be asked to explain

Hunt

Page 1 of 1

pp. 2-4

In his letter R.C. no. 10627, dated the 11th December 1920, the D.P.D. has applied for the sanction of Govt. to an expenditure of Rs. 4,410/- on the purchase of new materials and levelling the playgrounds of the College of Engineering at Guindy. In view of the need for strict economy during the current financial year, the Govt. consider that the expenditure may be postponed till April next. The D.P.D. may be requested to state whether he agrees to the postponement of the expenditure till the next year.

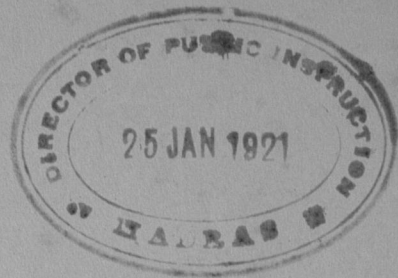

2. Among the new materials which are proposed to be purchased are included

- (i) Seven nets,
- (ii) Football, hockey and badminton posts and side boards for ~~hockey~~ hockey goal nets, and
- (iii) Medium size roller.

~~It is to be mentioned that~~ Such of these materials as were being used at Madras might have been taken over to Guindy.

The

Page 1 of 1

U.O. Reply No. 36 331-1-21

I have no objection to the postponement of the expenditure of Rs. 2300 on ~~the purchase of new materials and~~ levelling the playgrounds of the College of Engineering provided that I can be assured that the money required can be made available so that the work can be done during the summer vacation. I have satisfied myself that the expenditure is essential for the recreation ^{and} well-being of the large number of students at the College and ^{made my} I ^{proposed} as I was able to point out funds from my own budget wherewith to meet the expenditure. It has to be remembered that this college has been located on grounds which have been lying waste for years and considerable expenditure is therefore necessary for putting these grounds in order.

2 As to the new materials, these are in addition to those

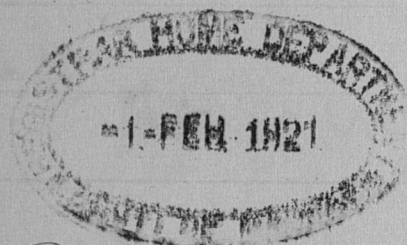

8

to those which have been taken to Guindy. The Principal informed me that entirely new materials ~~are~~ required in the case of nets as those in Chepak had been repaired so many times as to be no longer serviceable. In the case of football and hockey materials those now proposed to be purchased are in addition to one set of goal posts and nets that are now being used. I may add that, with economy in view, I cut down the Principal's requisition for materials and I request that at least this part of my recommendations may be accepted at a very early date. It would, of course, be preferable from an educational point of view to sanction the whole amount, which is not large considering the size of the college and the fact that it is located on a new site. Very early orders are requested.

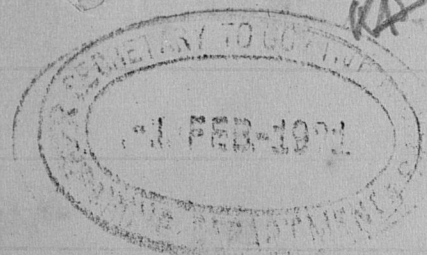

R.A.A.

In his letter No. Re 10627,

of 4-12-20 the D.O. requested sanction for an expenditure of Rs. 4000 for the purchase of new materials and levelling of the grounds of the College of Engineering at Guindy. In para 10 of the same letter he has stated that the expenditure can be met from the anticipated savings in the lump provision of Rs. 38000 made for the reorganisation of the College in the Budget Estimate for 1920-21. The D.O. may be requested to state how much of the lump provision of Rs. 38000 is available for reappropriation after meeting the expenses of reorganisation (the balance in which the above expenditure is proposed to be incurred).

DA
16.2.21

16/2/21

17/2/21

DO Mr

2.0. reply No 106 5/18-2-21 9

No separate account is maintained for the lump provision of Rs. 33,000/- as this is merged in the current year's provision of Rs. 210,700/- for the college under all heads. It is understood that according to the second edition of the Civil Budget Estimates for 1921-1922, the revised estimate for the current year works out at Rs. 206,800 and assuming that this amount very nearly represents the probable expenditure, savings to the extent of Rs. 3,900/- may be anticipated.

Apart from the above, it seems too late in the year to carry out the ^{whole of the} work and bill for the amount before the end of the official year. I would accordingly suggest that the expenditure may be allowed to stand over ^{in part} for the next year and that an additional sum of Rs. 4,410/- may be provided in the next year's budget to meet the charge less Rs 940 for items which can be got this year viz nets for tennis hockey football with posts & fittings, + a roller & rolling for playgrounds.

NAA
18/2/21.

Lawl 20/2/21

Out of the balance of Rs. 3,900 available, a sum of Rs. 3,000/- has since been sanctioned for expenditure in connection with the Baden Powell's Boy Scout programme. There is thus very little money left

Esu. CN. 276A

19
left in the current year's provision for the college and no expenditure can therefore be incurred on the playgrounds this year.

642 aut.

A

2 The Finance Dept. do not accept any charges for replacement of old materials. From the Director's note on page 5 aut. it will be seen that only in the case of nets the old ones have to be replaced. The Director has proposed the purchase of seven new nets at a cost of Rs. 1100-. It is for orders whether this item may be disallowed and the rest of the expenditure, viz, Rs. 4,400 - Rs. 1100 or Rs. 4,270, sanctioned. If so the Finance Dept. may be requested to provide a sum of Rs. 4,270 for the purpose in the budget estimate for 1921-22. The expenditure may be sanctioned now and the D.P.O. told that ~~it~~ it should be incurred only after April next.

3 The file may be sent to the Finance Dept. with reference to the Finance Secretary's note on page 7 aut.

Finance Dept.

Please see Financial notes on pages 6-7 ante and the Law (Edn) notes on pages 9-11 above. Only a sum of Rs 3,900 is available out of the provision of Rs 33,000 made for the reorganisation of the College in the current year's budget. Out of this ~~sum~~^{amount} a sum of Rs 3,000 has already been reappropriated for expenditure in connection with the transport of scouts from the Muzam to Madras on the occasion of Sir Baden Powell's visit.

2. As regards the cost of replacing old materials, such as nets, it was stated in this Dept. that the sports club should pay for them out of their own funds. The Law (Edn) Dept is, however, of opinion that the Govt. should sanction the small expenditure (Rs 140) as there are special circumstances involved in the shifting of the College to Gairidhy. For orders whether this item of expenditure

may disallow.

24-04/21

cf. para 1, page 10
aut

will be sanctioned from Govt. funds.

3. Funds: ~~No expenditure can be incurred in the college playgrounds in the current year.~~ The amount required for ¹⁹²¹⁻²² ~~next year~~ will have to be formed by reappropriation as there is no specific provision in the ~~next year's~~ budget for this purpose.
