Most Honored Sir,

I, N. Raja Rao, a permanent clerk on Rs.20 of the District Munsif's Court of Villupuram and sub protom 6th clerk of the District Munsif's Court of Conjeevaram most respectfully beg to bring the following few lines to your Honor's gracious and kind consideration.

✓ I have put in a service of six years in this department exclusive of the acting period. I studied for the Matriculation examination but through ill-luck could not secure a pass. Except that I am not a matriculate, I venture to submit, I have not been found wanting either in point of general knowledge or ⁱⁿ capacity for clerical work as compared with passed men. During my short career of 7 or 8 years I have been discharging my duties to the entire satisfaction of my superiors especially as Original Trial clerk, appeal and Sessions Bench clerk, Shorthand writer and typist and I am fairly acquainted with all the other branches of a Civil and Sessions Court.

(2)

The District Judge of Chingleput has been pleased to make a note of my work in the report of inspection made recently.

Even though I got plucked in the Matriculation Examination I have been appearing for some examination or other every year and have thus secured pass in the Government Technical examinations in Shorthand, Banking, Book-keeping and Commercial Correspondence both in the Elementary and Intermediate grades and Type-writing and Commercial Geography in the Elementary grade. This involves, according to the syllabus, a study of the Indian Companies' Act, the Negotiable Instruments Act and some other acts as also the elements of Political Economy. Further I have made an exhaustive study of the subjects prescribed for the Civil Judicial Test and if I am allowed to appear for it I am confident of success.

Being an unpassed man I have the misfortune of not becoming eligible for promotion above Rs.20 however long my service may be and however laboured and trying my work may be. I need hardly say in this connection that in these hard days of economic distress and financial strain I am quite unable to make both ends meet with my small ~~or~~ pay of Rs.20 plus 10, and that, as the burden of maintaining a family will be accelerated as time goes on, it is indispensably necessary that I should be getting some increments of pay proportionate to my service.

Even though my immediate superiors are willing to encourage me, the fact that I am an unpassed man stands in my way as a stumbling block.

(3)

However, the District Judge of Kurnool was graciously pleased to grant ^a temporary exemption for six months and gave an appointment of Rs.25 and the District Judge of Chingleput also has graciously been pleased to sanction such an exemption for two short periods.

Under these circumstances, I most humbly and respectfully beg to pray that your Honor may be graciously pleased to take a sympathetic view of my hard lot and exempt me from the examination rules under article 1 of the Public Service notification up to a salary of Rs.75 and permit me to appear for the Civil Judicial Test, Translation Test and Account Test.

I humbly beg to remain,

Most Honored Sir,

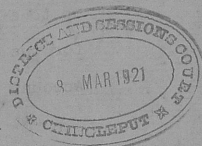

Your Honor's most obedient servant,

Conjeevaram,

In the absence of any precedent in which exemption up to Rs 75 has been granted to a clerk in the judicial Dept., the case is held for orders.

The District judge ~~also~~ recommends the exemption prayed for by the petitioner. Attention is invited to the District Munsif's ^{in which he remarks} order at p 6c.f. saying that the limit of Rs 75 asked for is not unreasonable in view of the ^{proposed} revision of salaries for clerks. The initial pay of ~~the clerical category~~ ^{clerks} is at Rs 35. The petitioner has put in a permanent service of 6 years.
