GOVERNMENT OF INDIA.

EDUCATION.

To

THE RIGHT HONOURABLE EDWIN MONTAGU,

His Majesty's Secretary of State for India.

Delhi, the 17th February 1921.

SIR,

We have the honour to forward for your consideration a copy of a letter, with enclosure, from the Government of Madras, no. 1501, dated the 14th December 1920, on the subject of the proposed permanent appointment of Mr. S. Radhakrishnan to the Indian Educational Service as Junior Professor, Government Training College, Rajahmundry.

2. In this connection we invite a reference to our telegram no. 1443, dated the 27th November 1920, in which we intimated that steps were being taken to fill the vacant post of Vice-Principal, Teachers' College, Saidapet, by the appointment of a local recruit. Since then the Government of Madras have transferred Mr. H. C. Papworth of the Indian Educational Service to this post and in his place they propose that Mr. S. Radhakrishnan, Lecturer in Philosophy, Government Arts College, Rajahmundry, may be permanently appointed to the Indian Educational Service as Junior Professor, Government Training College, Rajahmundry.

3. Mr. Radhakrishnan is a member of the Madras Educational Service and it will be seen from his application, dated the 11th September 1920, that he is a B.A. (class I), M.A. (class II) and L. T. (class II) of the Madras University. He was on foreign service for about three years as Professor of Philosophy in the University of Mysore, and only recently we accorded sanction to the proposal made by the University of Calcutta that he should be appointed to George V Chair of Philosophy for a period of five years.

4. The recommendation of the local Government to fill this Junior Professorship by the appointment of Mr. Radhakrishnan, an Indian, is not only in keeping with the accepted policy regarding the greater Indianisation of the service but is also in full accord with the orders contained in your Public despatches, nos. 171 and 183, dated the 16th September and 7th October 1920, respectively, that every endeavour should be made to find suitable recruits in India for the existing vacancies in the Indian Educational Service. In view of these considerations and of the experience he has had in teaching and the original work he has done in the field of philosophy we consider Mr. Radhakrishnan suitable for the Indian Educational Service.

2

5. We accordingly recommend for your sanction that Mr. Radhakrishnan may be permanently appointed to the Indian Educational Service as Junior Professor, Government Training College, Rajahmundry, on an initial pay of Rs400 a month. His substantive pay in the Madras Educational Service is Rs325 a month,

We have the honour to be,

SIR,

Your most obedient, humble Servants,
