To The Secretary to the Government of Madras,

Home (Education) Department.

Sir, I have the honour to report for the information of Government that I have received an application for aid from the authorities of the St. Gabriels High School, Madras, towards the cost of constructing buildings for a proposed first grade college to be called Loyola College. It is to be located in the Puliur Shrothriyam between Nungumbakkam tank and the S.I.R. line. The cost of the scheme is estimated at about Rs. 21 lakhs. Detailed plans and estimates are under preparation. The authorities have also applied to me for permission to purchase and collect materials for the projected college without prejudice to the question of grant.

Subject Building grant for the proposed
Loyola College
[C. no 12913] from the D.P.D. no 5450/20 of 11.4.21

The St. Gabriel High School authorities propose to construct at a cost of Rs 21 Lakhs buildings for the opening of a College including apparently a high school and hostels. If the whole of this amount is required ^{for building} for the proposed educational institution only, the authorities ^{are} ~~may~~ under Chapter ~~IX~~ VIII of the Grant-in-Aid Code eligible for ~~the grant~~ ^{given} a grant not exceeding one half of the expenditure. But the grant ^{is not to} ~~cannot~~ be claimed as a matter of right. The Govt. have reserved to themselves notwithstanding anything in the rules of the Code the right to refuse or withhold any grant at their entire discretion. A grant is generally sanctioned after due consideration of the funds available and of the requirements of the locality and ^{the} institution ~~in question~~ - vide article 1 of the Code. The D.P.D. has not reported whether there is ~~not~~ any necessity at present for an institution on the scale contemplated. There is also no information whether the St. Gabriel authorities will not be able to meet the entire cost without aid from Govt. Presumably the
D.P.D.

2
D.P.D. is satisfied himself on these points
If so the question reduces itself to one of funds

2. The following provisions have been
~~made~~ ^{made} in the current year's budget :-

Building grants to Colleges - Rs 83,500

Furniture etc Grants do - Rs 24,300

Hostel Grants do - Rs 59,000

Building grants to European Secy } Rs 1,30,000
Schools }

Special grants do - Rs 18,000

Building grants to non-European Secy } Rs 1,13,500
Schools }

Furniture etc Grants to - do - Rs 83,500

Hostel grants to - do - Rs 37,000

Thus it will be seen that the current year's
budget does not permit any large grant ^(being made) for
the proposed College and it is too early now to
say whether necessary funds for such a grant
can ~~be~~ ^{be} provided in the next year's budget. It

is ~~not to be~~ ^{also not possible} to make any
considerable ~~the question of~~ additional allotment

this year for the purpose. Besides the claims of the
Prinary and Secy. Eds are more imperative than those of the College Education.

3. In the circumstances it is for considera-
tion whether the D.P.D. may be informed that the
Govt will at the time of the framing of the next
year's budget consider the question of a grant
for the proposed Loyola College consistently with
the claims of other similar institutions provided that
in the meanwhile the D.P.D. is satisfied of the
necessity

3
necessity for ^{first grade} an additional college in Madras
plated and by the St. Gabriel authorities adduce
sufficient data to show that the funds at their
disposal are not sufficient to meet the ~~financial~~
requirements of the institution consistently with its
efficiency.

Father Bertram S.J. spoke some
about this. The college is to be opened
by the Jesuit Mission.

2. There is no reasonable doubt
that there is room in Madras for
additional first grade colleges. The
management propose to build
necessary hostels. It is also well known
that this management is very very cheap.

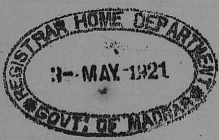

3. Nor even from the point of view
of Mr. Sadler report can the proposal
be objected to, as the college is to be
built in Madras City.

4. The only point is about funds.
I think that it will be wellnigh
impossible to find funds. The calls

one direction in other ways are so great.

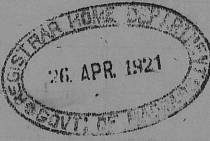

5 all we can say is that the amount of grant will be so large that in the present state of our finances we cannot hold out any hopes of any substantial grant.
