From

Rev. R. Smailes,

To

Rev. Inspector of Schools.

Tanjore.

Sir,

Your letter No. R.C.No.95 of 21 dated 17th. March 1921 addressed to The Rev. D.G. M.Leith, Madras with regard to the election of a representative of the S.P.G. and Wesleyan Missions to the Tanjore District Educational Council has been forwarded to me for Disposal.

As the letter only reached me today I have had no time to communicate with the S.P.G. Mission in Tanjore, but so far as the Wesleyan Mission is concerned I would recommend the election as our representative of the Rev.N.G.Ponnaiya B.A. L.T. Vice-Principal, Findlay College, Mannargudi.

The arrangement for the joint representation of the two missions is very unsatisfactory, since their organizations are quite independent. I would strongly urge that each Mission should be allowed to elect one representative, as is being done in Trichinopoly and several other districts.

I have the honour to be,

Sir,

Your most obedient servant,

R. Smailes.

* only 3 missions have been allowed the privilege of election, while in the case of Tanjore there are six such missions.

A circular ink stamp from the H. H. C. S. D. (Harrisburg, Harrisburg, and Carlisle School District). The outer ring of the stamp contains the text "INSPECTOR OF SCHOOLS" at the top and "H. H. C. S. D." at the bottom, separated by small stars. In the center of the stamp, the date "24 MAR 1921" is stamped. Above the date, there is a faint, illegible line of text, possibly a name or a reference number.

~~Please Refer to~~ letter
from the Insp. of Schools, Bayne
R.C. No. 95, dated 5th August.

It is observed that the total number of schools ~~under the~~ in the Tanjore D^t under the S. P. G. mission is 20 and the number under the Wesleyan mission is 30. Considering that the Lutherans get only ^{on the D^t ed. com.} one representative for 69 schools and the Roman Catholics one for 56 schools it would not be proper to ~~give~~ allow one representative for each of the S. P. G. & the Wesleyan missions. If, therefore, either of these latter is ~~not~~ not willing to cooperate in the matter of election of a representative, the ~~will have to remain~~

Other mission will be allowed
to select a representative, the
unwilling body going over -

It should be remembered that
Instructors are given representation ~~I am to respect~~ ^{to respect} ~~buting~~ ^{buting} the
not merely to safeguard the interests of their own schools but also
to present to the Councils the various aspects of aided education

to point this out to the Rev.

whether either or both of the
missions ~~are~~ will ~~not~~ still
not cooperate in the matter.

Sir,

With ref. to your R.C. 95/21 dated 27-4-21
I have the honor to inform you that the
Wesleyan Mission is quite willing to co-operate in
with the election of a joint representative with
the S. P. G. Mission on the District Elementary
Educational Council. I am suggesting to the
Rev. W. H. Blake B.A. of Tanjore the name of
Rev. N. G. Ponnayya B.A. L.T. as a suitable
representative for the two Missions, and if the
S. P. G. Mission will accept his nomination, he
may be appointed.

If Government wish to have presented to
the Councils the various aspects of aided education,
I would suggest that representatives be appointed
not merely according to the number of schools
at present managed by each Mission, but

W. H. Blake

in consideration of the long
experience of all branches of education gained
by both the S.P.C and the Wesleyan Missions
in the Tanjore District.

CR-1854. From the Director of Schools

R.C. N-95 dated 5.4.21

Subject - Election to the District
educational Council, Tanjore

In connection with the proposal
for the constitution of a Dist Ed
Council for Tanjore the D.P. I recom-
~~mended~~ mended that the mission
in the District might be grouped
as follows: -

- (1) Evangelical Lutheran Mission } 1 member
+ Swedish Lutheran Mission }
- (2) Roman Catholic Mission } 1 member
+ Rom. Cath. Portuguese Mission }
- (3) S. P. G. + Wesleyan missions 1 member

This grouping was approved
(F) in G.O. N-340, dated 10th March 1921.
The first two groups of missions have
elected their representatives; the
third has not. The Rev. Smailes of the
Wesleyan Mission now states that
the arrangement for the joint repre-
sentation of two missions is unsatis-
factory & that each mission should

 district ~~are~~ ^{are} apparently with
 reference to this fact the D.P.
 recommended the grouping of the

be allowed to elect its representative
 It does not appear that ^{Mr. Smailes'} ~~this~~ request
 can be complied with. Other missions
 may also claim a similar concession
 It is, therefore, for orders whether the Inspector
 may be informed that the two missions
 should ^{again} be asked to elect a joint-re-
 presentative failing which the
 privilege will be conferred on that
 body which maintains the largest
 number of schools. The D.P. I may
 be consulted on.

aided education. If the Wesleyan Mission is not willing to cooperate with the S.P.G. in the election of a representative, I would allow the S.P.G. Mission to have a representative and the Wesleyan Mission none. Similarly, if the Wesleyans are willing to cooperate and the S.P.G. are not, I would give the representation to the Wesleyans. If again, neither of the two missions is willing to cooperate with the other in the matter of election, I would give representation to neither.
