No.

Station Madras, Dated the 4th April 1921

From (Name) R. G. Grieve, Esq., M.A.,
(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

I have the honour to report that the office of the office of the Sub Assistant Inspector of schools, Vriddhachalam range is now located in the Sub Registrar's office building which was transferred to this department in G.O.No. 1694 Revenue dated 21-7-15. The inspecting officers report that nuisances are committed around the office building on all weekly shandy days and that the office is much disturbed and suggest that the removal of the office to a healthier locality. The President, District Board was consulted as to whether any action could not be taken to prevent the nuisances complained of.

The

The steps taken to remedy the sanitary condition of the surroundings are given in the enclosed copy of letter No. 222 /T.B. of 20 dated 8-7-20 of the President, Taluk Board, Vriddhachalam. It has been ascertained that there has not been much improvement made in the condition of the surroundings. It is recommended that the building in question may be transferred to the Public Works Department. The President, Taluk Board, Vriddhachalam says he is willing to take the building for the use of the Union office at a rent of Rs.6 per mensem. The office of the Sub Assistant Inspector will then be removed to a rented building in a more healthy locality.

I have the honour to be,

Sir,

Your most obedient servant,

R. S. Subramanian
for Director of Public Instruction.

(Enclosure).

Copy of letter from the President, Taluk Board, Vriddhachalam No.222/T.B. of 20 dated 8-7-20 to the Director of Public Instruction through the President, District Board, South Arcot.

"With reference to your letter No.C.232 of 20 dated 12-6-20 to the Collector of South Arcot and forwarded to me through the President, District Board, South Arcot, I have the honour to inform you that I have taken the following steps to rectify the nuisance complained therein:

- (1) To shift the fish stalls another 20 yards away from their present location.
- (2) The Union Chairman and the market contractor are instructed to have the leaves, refuse and other rubbish falling on

on Wednesdays (market days) to be removed the next morning and to have the market properly swept.

(3) I am requesting the Inspector of Police to post a constable on Shandy days to prevent people committing nuisance in the lane between the office and the temple and

(4) I have also asked the Union Chairman to depute one of his subordinates to attend to this.

2. But it is not possible for me to prevent other nuisances complained of in the letter namely:-

(1) the noise of the crowd on market days

(2) "Office work not being able to be carried on on market days in the midst of the noisy bustle and confusion and

(3) the flocking of people on the verandah of the office on Shandy days.

3. No.3 could be effectively prevented by the peon of the office if there is one. Nos. 1 and 2 must be patiently borne as there is no way of preventing them, considering the close proximity of the office to the Taluk Board market.

4. I do not also think that the putting up of a compound wall will materially improve the present conditions or give a suitable return to the amount that would be spent for the compound wall. I agree with the Sub Assistant Inspector that this office may be shifted to a more healthy place and to a rented building in the town paying a rent of Rs.6. If necessary I am willing to take the building for the Union office and pay Rs.6.

5. I say all this because, it is not possible to shift the market to another place within this Union, as there is no other suitable place for it. It is also true that an estimate for constructing a slaughter house some 70 ft

80 yards away from this office was sanctioned by the Chidambaram
Taluk Board some time back."
