From (Name) M.R.By.C.K.Mahadeva Ayyar Ayl.

(Designation) Deputy Registrar, High Court.

To The Secretary to the Government of Madras,
Law (Education) Department.

Sir,

I am directed to forward for the orders of Government an application from T.A.Sambamurthi Ayyar permanent 6th clerk of the District Munsif's Court, Poonamallee, for extension of permanent exemption from the Examination Rules so as to enable him to be appointed to posts carrying salary upto Rs.80/- per mensem.

2. A copy of a letter No.1377 dated 28th April 1921 from the District Judge, Chingleput forwarding the application is enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

Copy of letter No.1377, dated 28th April 1921 from
the District Judge, Chingleput, to the Registrar, High Court,
Madras.

I have the honour to forward herewith an application
from T.A.Sambamurthi Ayyar, 6th and acting 4th clerk of the
District Munsif's Court of Ponnammallee, addressed to the Secre-
tary to the Government of Madras, for further exemption from the
operation of the Public Service Notification, so as to enable
him to be appointed to posts carrying a salary of Rs.80/-. The
Government has already been pleased to exempt him from the rules
enabling him to hold posts on Rs.30/- and to appear for the
Civil Judicial Test, and in accordance with the exemption the
applicant has appeared for and passed that test first in the
Presidency.

2. The District Munsif states that he has been
working well and is experienced. I recommend that the exemption
asked for may be granted, on the ground that when permission to
appear for a special test is granted to an unpassed man and he
succeeds in passing it very creditably and has worked well and
got experience he may reasonably be exempted for posts for which
the test is required.

Most honored sir,

I humbly beg leave to bring the following few lines to your honor's kind and sympathetic consideration and for favourable orders.

2. I am the permanent 6th clerk and acting 4th clerk of this court, drawing Rs. 25/. I have put in a total service of about 9 years. I have passed both short-hand and type-writing in the intermediate grade. I have also passed the Civil Judicial test.

3. No doubt, the Government was pleased to exempt me up to Rs. 30/ and to permit me to appear for some of the special tests, in September 1918. It is only after that, I passed the Civil Judicial test.

4. Whenever chances occur, the question of "unpassed" stands in my way. I may humbly submit that during all

6 4
my service, I have been doing duties, which are ordinarily attended to by passed men. That I have not been treated in any way inferior to a passed man is also clear from the fact, that I was always entrusted with such responsible duties, such as small cause trial work and Original suits trial work. But, the difficulty is felt only when question of promotion comes. In these hard days, it is very difficult to meet both ends meet. When promotion comes, "unpassed" ^{stands} in the way. Simply for the sin of being an unpassed man, I have to lose all promotions, though in other respects, no distinction is made between myself and other passed men.

5. In these circumstances, I most humbly pray that your honor will be pleased to consider my hard case and exempt me up to Rs. 80/.

6. I have herewith enclosed copies of testimonials.

I humbly beg to remain,

most honored sir,

Your honor's most obedient and humble servant,

J. a. Sambamurthi

connected with the clerical department of a civil court and richly deserves to be promoted when vacancies occur to posts carrying up to Rs. 80/. He is in no way less efficient than a passed candidate and the technical defect of his being an unpassed man should not stand in the way of his being eligible for promotions, when he is just as good as a passed candidate. I would therefore strongly support the applicant.

1. Forwarded for favorable consideration, *with a covering letter.*
No. 1265 (ET)
20-9-18
The applicant has been exempted by the Government from passing the requisite general examinations up to appointments carrying a salary of Rs. 30/ in just recognition of his efficiency. He was given only two chances to appear for the Civil Judicial test, with a view, apparently to enable him to qualify himself for the place of a Head-clerk in a District Munsiff's court. He has amply justified the confidence thus placed on him. He passed the Civil Judicial test (at the very first chance and without taking any more than casual leave for a few days) at the examination held in October last, coming out very creditably with a first class, at the top of the list of successful candidates, among whom there were graduates, F.A.'s and Matriculates. (Vide page 1 of Supplement to Part I-B of Fort Saint George Gazette, dated 21st December 1920.)
Nothing more is needed to support my opinion that he is far above the average run of clerks in point of general ability, intelligence and industry. I can vouch for his good character. I can also testify to the excellent work done by him as my short hand clerk, typist and Bench-clerk. He knows thoroughly well all the work

T. A. Sambamurti Ayyar served under me as Small Cause Trial Clerk for nine months in the District Munsiff's Court, Poonamallee while I presided over that court, and I am glad to certify that he did his work promptly and carefully. He was also very useful to me in taking shorthand notes of my judgments in original suits and transcribing the same in long hand with commendable quickness. I find him a willing, energetic and well-behaved clerk who did his work cheerfully, and I parted from him with regret. I wish him success.

3. T. A. Sambamurthi was doing duty as Small Cause Trial and Execution Clerk in the District Munsiff's Court of Trivellore when I was presiding over it. He always kept his work up to-date and I found him to be of more than average intelligence and capacity. He writes a neat hand and also knows shorthand and typewriting. I always found him quiet, obedient, and well-behaved, and I believe his character is good. He desires to apply for exemption from examination rules, and I believe that in his case such special privilege will not be undeserved.

Extract from the letter of the District Munsiff of Conjeevaram dated 4th August 1918 forwarding the application for exemption.

"I have known him well for a year. He is capable, intelligent, hard-working and industrious. He knows his work very well and I was thoroughly satisfied with him. He is certainly much better than many of the so called passed candidates."

"He has passed Shorthand and Typewriting both Intermediate, and I used to dictate my judgments to him in shorthand. He did his work very satisfactorily. His pleadings in original suits were concise and accurate."

"I have no hesitation in saying that he deserves promotion and in his case the exemptions applied for will not be undeserved."
