Government of India,

(Education)
Simla, the 16th May 1921.

From

H. Sharp, Esq., C.S.I., C.I.E.,
Secretary to the Government of India,

The Secretary to the Government of Madras,
Home (Education) Department.

8487 3 1/2

I am directed to inform you that in certain recent instances the Secretary of State has complained that the procedure laid down in paragraph 9 of his despatch no.169-Public, dated the 27th November 1919, regarding the revision of the educational services in India has not been carried out. In one such case an Indian candidate for the Indian Educational Service, who happened to be in England, applied to the local Government of the province to which he belonged, but was informed that he should have applied to the Secretary of State. In another case a candidate was informed by the authorities of the province to which he belonged that his application for a post in another province should be made direct to the authorities of that province.

2. It is clear from paragraph 9 of the despatch, to which allusion has been made, that an Indian candidate for the Indian Educational Service, whether he is in India or elsewhere, should apply to the local Government of the province to which he belongs and steps should then be taken, if his candidature is approved, to have his name brought upon the consolidated list kept by the Government of India.

3. In practice this procedure
