- (a) Will Government be pleased to state whether they have granted any amount for the management of the Coonoor municipal higher Elementary school (late C.M.S. higher Elementary school)?
- (b) If so, will Government be pleased to state whether any increase of pay had been given to the teachers as in that of the Ootacamund municipal high school?
- (c) If not, will Government be pleased to take steps as early as possible to give the teachers the necessary increase with retrospective effect?
- [Meeting of the 14th February 1921.]

Law (Ed. W)

Ref. No. 1538 Ed

- (F) 2/18th Dec. 1920 from which it will be seen that the Coonoor Municipal Council took over the management of the school in question with effect from 1st April 1920 and that the Municipal Council was given a subsidy of Rs 3,326 in the current year for the maintenance and equipment of the school. As regards clause (a) of the question, it will be observed that the teachers ^{excepting one woman teacher} have not been given any increase of salary since it was found that the rates already drawn by them were in excess of the rates authorized by the Madras Educational Rule for corresponding teachers.

U.O. Reply.

The answer proposed in the Secretariat notes seems to be suitable.

[The Secretary's note on page 2 of the notes is not understood. Unlike the school in Coonoor, the Ootacamund School is Secondary and is not one taken over by the Ootacamund Municipality from any other management. It was first started under G.O. No. 260 Edl. dated 3rd May 1907 as a Municipal School and there can therefore be no question of scales of salaries of its teachers before and after its transfer in its case.]
