From (Name) The Hon'ble Mr. R. Littlehales, M.A.,

(Designation) Director of Public Instruction,

Madras.

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

I have the honour to address Government on the
subject of daily allowances to Sub Assistant Inspectresses of
Girls' Schools.

2. There are at present 11 Sub Assistant Inspectresses

Number of
posts

(8 permanent and 3 temporary) in
3 grades as detailed in the margin.

Under the ordinary rules of the
Civil Service Regulations these
officers can draw daily allowance

ranging from Rs.1-4-0 to Rs.1-12-0 only according to the grade

to which they belong. In their tours they have to incur --

T.A. under the ordinary rules of the Civil Service Regulations in the case of T.A. was paid under No 920

2
expenses much in excess of this amount by way of rent for travel-
bungalows and conveyance charges which have of late increased
considerably so that these officers lose appreciably by their
tours.

3. In this connection I beg to invite a reference to para
66 on page 46 and to para 33 on page 104 of the report of the
Commissioners on the Public Services in India dated 1916 wherein
they have recommended the desirability of establishing separate
travelling allowance regulations for women officers employed by
Government.

4. Agreeably to the recommendations of the Government of
India contained in their letter embodied in G.O.No. 551 dated 30th
April 1917 Assistant and Sub Assistant Inspectresses have in G.O
1265 Home (Education) dated 4th October 1917 been granted travel-
ling allowance at first class rates when they travel on duty by
steamer a journey of rare recurrence among Sub Assistant Inspectress-
es in this Presidency.

5. At present great difficulty is experienced in obtaining
qualified women as Inspecting officers, as they prefer teaching
work to inspection duty owing to the several difficulties inci-
dental to touring and the heavy expenses they are put to in
their tours. If however, the daily allowance of these officers
be enhanced it will prevent them from losing by their tours and
may perhaps do away with the complaint to this effect.

6. I therefore recommend that the daily allowance of the
Sub Assistant Inspectresses of Schools be raised to a uniform
rate of Rs.2-8-0 per diem irrespective of their grades.

7. A Sub Assistant Inspectress is ordinarily on tour for
170 days in a year. The average amount of daily allowance drawn
by these officers under the Civil Service Regulations comes to
nearly Re.1-8-0. The extra expenditure involved by this proposal
will thus amount to Rs.1870 per annum which can be met from the
budget provision for travelling allowance under 22.B. Inspection.

From (Name) R.G.Grieve Esq., M.A.,

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

In continuation of Mr.Littlehaile's letter
R.C.No. 354/20 dated 7th May 1920, recommending the grant
of an increased rate of daily allowance to the Sub Assis-
tant Inspectresses of Girls' Schools, I have the honour to
submit the following modified proposals for granting --
increased travelling allowances to the subordinate Women
Inspecting Officers.

2. There are at present two classes of subordinate
Women Inspecting Officers - Assistant Inspectresses and
Sub Assistant Inspectresses. There are three Assistant
Inspectresses - one on Rs.250 per mensem and two on

2-4

Rs.200 each per mensem. The number of Sub Assistant Inspectresses

		Permanent.	Temporary.

2	150	2	1
3	125	4	2
Total		8	3

is 11 (8 permanent and 3 temporary) distributed among 3 classes as detailed in the margin. For purposes of travelling allowance these officers are treated as second class officers and draw allowances at the following rates:-

1. For journey by rail - double second class fare
2. For journey by road - 4 annas per mile
3. Daily allowance at Rs.3 in the case of Assistant Inspectresses and at the rate of 4 annas for every Rs.25 or fraction thereof of their pay in the case of Sub Assistant Inspectresses i.e., Rs.1-12-0, 1-8-0, and 1-4-0 according to the class to which the officer belongs.

3. Complaints have been made by the Women Inspecting Officers that the existing rates of allowances are quite inadequate to cover the actual expense incurred while on tour. Women touring officers have to incur extra expense partly on account of the additional servants (including one woman) whom they have to take with them and partly owing to the fact that they have invariably to halt at Dak Bungalows for which they have to pay a rent of Rs.1 per day. They have further to engage carts and bandies at very much enhanced rates. The area of a Sub Assistant Inspectress's range is considerably larger than that of a Sub Assistant Inspector whose work is usually confined to a single Taluk or even to a part of a Taluk, and cart hire for the longer journeys taken is proportionately much heavier. Again, as mileage is not admissible for journeys by road under 20 miles, the officer loses heavily on all such occasions when she is obliged to do inspection work on the days she travels. These considerations seem to require the grant of a higher rate of travelling allowance to the women officers to compensate them for the additional expenditure they have to incur,

for

for just as it is the cardinal principle of travelling allowance regulations that these allowances should not be a source of profit so also they should not be a source of loss to officers who have to travel on public duty.

4. In para 67 of their report the Salaries Committee appointed by Government in their Order No.766 Financial, dated 24th -- October 1919, recommend in respect of second class officers that, owing to the enhanced cost of living and cart hire, the existing rates of daily allowance and mileage should be increased by 50 % and that daily allowance should be granted in addition to mileage for all journeys of over 5 miles' distance by road. These recommendations made for all officers in general apply with special emphasis to women officers who, as detailed in para 3 supra, have to incur additional expenditure while on tour and I accordingly request that Government will be pleased to extend these concessions to the Assistant and Sub Assistant Inspectresses and to sanction the -- following allowances for them:-

1. For journey by rail - double second class fare as at present,
2. For journeys by road - mileage at 6 annas per mile,
3. Daily allowance at the rate of 6 annas for every Rs.25 or fraction thereof of the pay subject to the minimum of Rs.2½ recommended by -- Mr.Littlehailes for Sub Assistant Inspectresses in his letter quoted in para 1 supra, and
4. Permission to draw daily allowance in addition to mileage for all journeys of over 5 miles' distance by road.

5. I consider that the adoption of the above proposals will enable

enable the women officers to travel in safety and with that reasonable degree of comfort which is necessary to ensure the efficient discharge of the duties of a touring officer.

I may add that these proposals are in accordance with notes left by Mr. Littlehales,

NOTES.

Home (Education) Department.

C.No. 1600-A.

From the D.P.I., Ref. on C. No. 354 W.B/20,
dated the 7th May 1920.

Subject.- Enhancement of daily allowance to Sub-
Asst. Inspectresses of Schools.

The D.P.I. recommends that, in view of the increased cost of living ^(travelling, the consequent loss which is on tour) and the difficulty experienced in obtaining the services of qualified women as Inspecting officers, the daily allowance granted to Sub-Asst. Inspectresses may be enhanced and fixed at a uniform rate of Rs. 2-8-0 per diem irrespective of their pay.

2. Sub-Asst. Inspectresses are second class officers for purposes of T.A. (Article 1002 of the C.S.R.) and as such are eligible to a daily allowance ranging from Rs. 1-4-0 to Rs. 1-12-0 (Article 1063(ii) of the C.S.R.). The need for special treatment of women inspecting officers in the matter of T.A. has already been recognised by Govt., as will be observed from para 6 of letter No. 1350, dated 1-11-19, in which this Govt. recommended to the Govt. of India that the daily allowance granted to these officers may be increased by 25%. In reply that Govt. have stated that, under the powers recently delegated to local Governments, the Madras Govt. are themselves competent to raise the rates of daily allowance for any class of officers subject to a maximum of Rs. 10 - para 11(i) on pp. 3-4 of the papers at slip (U). If the daily allowance of women Inspecting officers is increased by 25%, Sub-Asst. Inspectresses will become eligible to daily allowances

allowances ranging from Re. 1-9-0 to Rs. 2-3-0. It will however be observed from paras 64 and 65 of the Salaries Committee's report that they have recommended that the daily allowance of second class officers be fixed at 6 annas for every Rs. 25 of pay subject to a maximum of Rs. 4-8-0. The Committee have not ^{specifically} dealt with the ~~special~~ case of women officers. If the above recommendation is applied to Sub-Asst. Inspectresses, they will draw daily allowances ranging from Re. 1-14-0 to Rs. 2-10-0, ~~in case the recommendation is accepted by Govt.~~

3. As regards the question whether the daily allowance of Sub-Asst. Inspectresses may be fixed at a uniform rate of Rs. 2-8-0 as recommended by the D.P.I., it may be noted that a similar proposal to fix ^{the allowance} at Rs. 1-12-0 was vetoed in 1915 on the ground that the case of these officers is similar to that of many others in graded appointments - vide G.O. No. 920, Edl., dated 20-8-15 and the portion marked on p. 4 of the notes with that G.O. In the file relating to the memorials of Sub-Asst. Inspectors, the Financial dept. has noted that a levelling up of allowances irrespective of pay cannot be approved before the recommendations of the Salaries Committee are dealt with. The Committee have not recommended the adoption of a uniform rate of daily allowance for officers doing similar duties, but

the case of female inspecting officers is peculiar, ^{and an exception to the ordinary rule seems justified. The difference in pay bet. the three grades of Assts. is not much and according to the above D.P.I. will not be large.}

4. As pointed out in para 9 of the D.P.I's letter printed on page 3 of G.O. No. 920, Edl., dated 20-8-15, the duties of Sub-Asst. Inspectresses are exactly the same as those of Asst. Inspectresses who are in receipt of a pay of Rs. 200/- or Rs. 250/- p.m. The latter however are treated as Gazetted officers

officers and are allowed a uniform daily allowance of Rs. 3/-, irrespective of pay. The D.P.I.'s proposal to allow all Sub-Asst. Inspectresses a daily allowance of Rs. 2-8-0 does not appear to be unreasonable. ~~However~~, the Salaries Committee has recommended an increase in the rate of daily allowance from annas 4 to annas 6 in the case of second class officers and also the grant in addition of mileage at annas 6 per mile for all journeys of over five miles' distance by road. If these recommendations are accepted, the hardships to ~~which~~ ^{which} female inspecting officers are now subject while on tour will be ~~considerably~~ mitigated. The D.P.I. may be asked (u.o.) whether, in view of the recommendations of the Salaries Committee, he still presses his original proposal that all Sub-Asst. Inspectresses should be granted a daily allowance of Rs. 2-8-0 irrespective of pay.

The rates admissible for Assistant Inspectresses of schools ^{under} G.O.No.163 dated 18-2-21 are satisfactory. But I do not consider that the daily allowance admissible to Sub Assistant Inspectresses of schools under the same G.O. is satisfactory in the case of officers on Rs.125 per mensem or Rs.150 per mensem for reasons which have already been urged in Mr. Grieve's letter dated 26th August 1920. I should have no objection to the daily allowance fixed in G.O.No. 163 being made applicable to ^{male} officers of the department who were acting for women officers in place of Sub Assistant Inspectresses. For women officers the additional expense to which they are put when ~~existing~~ halting appears to me to demand a minimum allowance of Rs.2½ per day.

ranges are in charge of male officers. The D.P.I recommends the concession only to women officers in charge of girls' ranges. It is submitted that these ranges extend over a whole district & in some cases ~~over~~ over more than one district. Women officers are put to considerable hardship during their tours and the concession now proposed will mitigate ~~it~~ to some extent. The ~~Dist~~ Finance Dept^l may therefore be requested to sanction the proposed ~~scale~~ 2. The D.P.I. has separately proposed a scale of Rs 125-5-150-10-250 with a duty allowance of Rs. 25 ^{early} for the sub-assistant inspectors. Even if this scale is eventually sanctioned the junior officers therein will draw less than Rs 250 the minimum recommended by the D.P.I.

For the Assistant Secretary,

(notes from page 13 ante may be read)

The proposal now is to grant a minimum daily allowance of Rs. 2-8-0 to women officers in the cadre of Sub Asstt. Inspectresses of Schools. The daily allowances at present drawn by these officers are shown below:-

page 17 ante

	Present pay (permanent).	Temporary pay including allowance.	Daily allowance + G.O. flag (H)
3 rd Grade	Rs. 125	Rs. 150	Rs. 2-4-0
2 nd "	" 150	" 180	" 3-0-0
1 st "	" 175	" 210	" 3-6-0

2. It will be seen from the above that the proposed minimum of Rs. 2-8-0 ^{will} benefit the officers in the third grade on Rs. 125 (who are now drawing together with the temporary allowance Rs. 150) to the extent of annas 4. It is not known what the revised rates of pay of Sub Assistant Inspectresses ^(will be) under revision scheme.

In any case, the extra cost involved will not be much; and this dept. may it is submitted agree to the proposal.
