Sir,

G.O. No. 764 Home (Education) dated 1st July 1920.

Land Acquisition - Coimbatore Town - London Mission Elementary School - Extension.

The cost of acquisition which was originally estimated at Rs. 1,661-2-9 has now been raised to Rs. 2,248-2-9 owing to an enhancement in the valuation of the buildings which was based on market rates of material. I am not sure whether the Government intended

their

their contribution to be limited to a maximum of Rs.830/-, or whether the G.O. may be taken to imply a grant equal to half the actual cost. The authorities of the school contend that the intention was the latter and refer to rule 54 of the Grant-in-aid Code.

are clear vide G.O. 1379 of 26.11.20 (V)

2. I request the orders of Government in the matter. Whatever the original intention, I recommend that a grant of half the actual cost should be made.

This is admissible under G.O. 1379 of 26.11.20 (V)

I have the honour to be,
Sir,

Your most obedient servant,

J. S. Ram.

The expenditure will be covered only when funds become available met from the provision of Rs. 21,000 provided in the current year's budget for under 31C(b) (ii) - Building grants to Primary Schools. The D.P.D. has separately furnished particulars as to the commitments already made in respect of these schools and therefore it would seem that the expenditure in question can be easily met from the sum of Rs. 21,000.
