(Designation) Ag. Director of Public Instruction,
M a d r a s.

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

I have the honour to submit herewith certain memorials received from the Office staff of the College of --- Engineering, Guindy, and to state, that while there is some -- force in the petition, the question can probably not be considered as a separate case, apart from e.g., the Collector's Office, the Teachers College and the King Institute.

I have the honour to be,

S i r,
Your most obedient servant.

To the Principal,

College of Engineering, G U I N D Y, MADRAS.

Respected Sir,

With reference to our Memorial dated 27-9-20 and this office letter R.C.No.1040/20 dated 7-10-20, I beg to state as follows:-

The Salaries Committee has been considering for the last week the question of initial pay for the Non-gazetted Officers and there is every probability of some differentiation being made between the Presidency town and the Mofussal. I therefore request your honour to press the Government in the matter of including Guindy within the Madras City for the following reasons:-

(1) Firstly the College was removed to Guindy by Government itself for no fault of mine and if the College had continued at Madras I should in the ordinary course be benefitted by the City Scale.

2. As Guindy is classed as a Mofussal station for purposes of pay etc, Clerks are at a double disadvantage since they are denied the benefits of the higher rate of pay etc, while they have to incur increased expenditure by way of Jutka charges. The cost of living at Saidapet is atleast as high as it is at Madras, if not higher. The general notion that a Mofussal station is cheaper than the metropolis cannot, it is submitted, be held as applying to Saidapet owing to the proximity of the City.

As the Director of Public Instruction has not been pleased to grant me conveyance allowance since the date of the removal of the College, I the illpaid clerk beg to approach you with the request of including "GUINDY COLLEGE" in the MADRAS CITY.

The Clerks at Madras attend office

from 10 to 5 P.M. but as the work has considerably increased after the removal of the College, I have on many days to remain at work beyond 6 P.M. so that I have every reason to claim the scale fixed for clerks in Madras ~~Office~~ Offices. I find on the other hand I am in a sad plight of being allowed only the lower scale though the work has increased although I am not responsible for the removal of the College.

Moreover, the fact that this is the only Professional College of the kind for the whole Madras Presidency though for special reasons it has been removed to Guindy will go to strengthen my request.

3. As already 8 months have elapsed and I have been incurring additional expenditure, every month on account of the removal, I request that the Principal and the Director will be pleased to specially consider my claims which after all is very reasonable and press the Government for the necessary sanction before the new time scale comes to force.

I beg to remain,

Petitions from the clerks of the Eng. College, Guindy, for treating Guindy as part of Madras city.

From the D.P.D., No. 2685, of 18.2.21.

The memorialists, clerks in the College of Engineering at Guindy, request that in the permanent revision of pay of the establishments which is to be sanctioned shortly, Guindy may be treated as part of the city of Madras and the city scales of pay given to them. As pointed out by the D.P.D., the question is a general one affecting all the establishments stationed at Guindy and Saidapet, and is one for consideration in the Finance Dept. The file may be forwarded to the Finance Dept. for remarks.

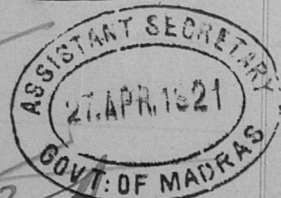

Recently in the case of the peons of the Eng. College, the Finance Dept. declined to recognise them as eligible for Madras rates.
