Ref On C. No 328/20
W.B.Station Madras, Dated the 14th December 1920.

From (Name) The Hon'ble Mr. R. G. Grieve, M.A.,

(Designation) As: Director of Public Instruction,
Madras.To The Secretary to the Government of Madras,
Home (Education) Department,
through the Accountant General, Madras.

Sir,

I have the honour to request that, in the circumstances explained hereunder, Government may be pleased to sanction the employment of three more additional Sub Assistant Inspectresses of Girls' Schools with the necessary establishment for each of the 3 new offices, temporarily for a period of one year from the 1st January 1921.

2. Sanction was accorded in G.O. No. 1299 Home (Education) dated 5th November 1920, to the temporary employment for a period

period of one year from the date of entertainment of four Sub Assistant Inspectresses on Rs.125 each per mensem. When the *new* Board Elementary Schools for girls for which I have already submitted proposals are opened it will not be possible for ~~one~~ *the* officers to cope with the very heavy work in three of the existing ranges in an efficient and expeditious manner. I enclose herewith a statement showing the jurisdiction of these three ranges together with the existing number of schools and the number of new schools proposed to be opened. From the statement, it will be seen that each of them has at present over 170 schools and when the new schools are opened, the number will exceed 200. I therefore recommend the appointment of three additional Sub Assistant Inspectresses on Rs.125 each per mensem in the current year with a view to securing a more uniform distribution of work and greater efficiency in inspection.

3. I also request that the following scale of establishment and contingent and other charges may be sanctioned for each of the three new offices:-

<u>Establishment</u>	Rs.
Headclerk	25 per mensem
2nd clerk	20
2 Peons each on	7
<u>Other charges</u>	
Contract contingencies	600
Non-contract contingencies	300
Travelling allowance	600

4. The extra expenditure involved by these proposals amounts to Rs.13,100 per annum as shown hereunder and this may come out of the lump provision of Rs.93,000 for additional Sub Assistant Inspectors and Sub Assistant Inspectresses entered in the Budget Estimate for next year now before Government under 22.B. Inspection.

	Rs.
Pay of officers	375 per mensem
Local Allowance for high prices	75 ..
Pay of establishment	177 ..
Local Allowance for high prices	90 ..

or Rs. 8604 per annum	
contingencies etc.,	Rs. 4500 ..
T o t a l.	<u>13104</u> .. or
	Rs.13100 in round

round figure. As for the amount required for the current year, viz., Rs.4400, I beg to state that this can be met from the anticipated savings out of the current year's lump provision of Rs.41,000 for the employment of additional Sub Assistant Inspectors and Sub Assistant Inspectresses.

	Rs.
Salaries, establishment and Local Allowance for high prices for two months.	1434
Contract contingencies (including furniture)	1800

Subject Employment of additional
Sub Asst Inspectresses

The subordinate female inspecting agency consists at present of 3 Assistant Inspectresses and 15 Sub Asst Inspectresses (11 permanent and 4 temporary). The D.P.I. states that when the new Board Elementary Schools for girls for which he has submitted proposals are opened, it will not be possible for the officers in the existing ranges to cope with the very heavy work that will devolve on them and accordingly proposes that three additional ^{Sub Asst} Inspectresses be created temporarily for a period of one year.

In this ^{para 2} letter Roc No 328/20 of 9.8.20 the D.P.I. suggested that the maximum number of schools to be inspected in a year by a Sub Asst Inspector should be

p. 4 of ~~the~~ From the statement appended to the Director's current letter, it will be observed that ~~including~~ the new schools to be opened, the total no. of schools in each of the three ranges mentioned therein is more than 200. The Director's proposal for the creation of 3 additional posts of Sub-Post Inspectors as a temporary measure may therefore be accepted.

paras 3 & 4, contingencies etc follow those sanctioned in Govt's No. 835 Home (Gen) dt 4.7.19 and No. 1299 Home (Gen) dt 5.11.20 and may be approved.

Attention is solicited to G.O. 1299 Ed. 8 5-11-20, in which the Govt. sanctioned the appointment of four additional Sub Asst. Inspectresses of schools, so that each officer may not have on an average more than 133 schools to inspect in a year. The D.P.I. has again come up for the appointment ^(from 1-1-21) of three more ^(Asst) Inspectresses on the ground that, when the new Board Elementary Schools for girls, for which proposals have been made separately, are opened, it will not be possible for the officers to cope with the very heavy work in three of the existing ranges in an efficient and expeditious manner. The extra cost of the present proposals comes to Rs. 13,100 p.a. of which Rs. 4,400 (roundly) will be incurred in the current year.

2 It seems that the scheme ^{is} ~~seems to be~~ one which can bear postponement till next year. For orders whether this may be done and the D.P.I. asked to surrender the savings expected in 1920-21.

3 As regards details, the position of the three ranges referred to is as follows:-

Existing number of schools.	533.
New schools proposed	116.
Total number including new schools.	649

It is not clear whether the existing schools in the three ranges were taken into account in connection with the four additional posts sanctioned in G.O. 1299 Ed. 8 5-11-20 (on the basis of 133 schools per Inspectress). If so,

* no of officers for 669 schools -	5
no of existing officers -	3
add ⁿ reqd.	<u>2</u>

an addition of one post alone is justifiable for the 116 new schools (assuming that all the new schools will be sanctioned). If on the other hand the ~~subordinate~~ ~~total~~ total number of schools in the three ranges are taken into account, there is justification only for an ~~the~~ addition of two posts. In any case, it seems preferable to base the calculation on the basis of the total number of schools throughout the Presidency instead of only in three ranges, and orders are solicited whether Ed^y Dept. may be requested to obtain information similar to that given on page 4 C.F. for all the ranges in the Presidency.

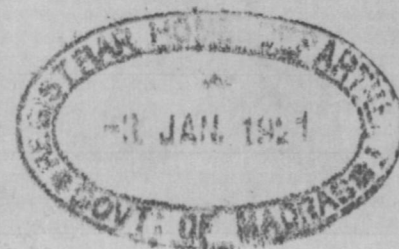

4 The details of Establishment and other charges proposed on page 2 C.F. for each officer call for no remarks.

The Govt have since decided to open
 the additional girls' schools from the
 beginning of the current official
 year. ^(A portion of the) ~~the~~ subsidy required for the
 equipment of these schools has
 already been distributed ^(towards the close of) last year
 and the amount required for main-
 tenance of the schools in the current
 year will be placed shortly at the
 disposal of local bodies. It appears
 to be desirable to sanction the addi-
 tional staff of sub asst. inspectors
 asked for by the D.P. I as early as
 possible.

girls. With the new schools now to be opened, the total number comes to 2,750. At the rate of 132 schools for each sub assistant inspector, the number ~~required~~ of sub assts required for all the schools is 21. There are at present 18 girls' ranges (3 assistant inspectresses, 11 permanent & 4 temporary sub assistant inspectresses). Three more are, therefore, required and this is what the ~~Dept~~ has asked for. The Finl. Dept may be requested to agree to the employment of these three officers.

2 If the present proposal will not be affected by G.O. 158 Public & 21-3-21, orders are solicited whether Law Dept. may be requested to sanction for the present only two additional Sub Asst. Inspectresses (with the requisite establishments) to meet the requirements of the three ranges mentioned on page 4 CF. — Vide Finance note (para. 3) on pages 3-4 ante.

3 The rates of pay proposed for the seven posts call for no remarks.
