To The Secretary to the Government of Madras,

Sir,

Under section 17 sub section 4 of the Elementary Education Act of 1920 no member of a District Educational council shall vote on any question coming before the council for consideration, in which he has any pecuniary interest otherwise than in its general application to all persons and properties within the local area. A strict interpretation of this clause would preclude a member who happens to be the manager of a single school or of a number of schools as in the case of Mission schools

votes in his public capacity
 and is not himself pecuniarily
 interested. It is the personal
 interest that is evidently
 meant by the section. The
 case of a Councillor who is
 a teacher manager is different.
 He is personally interested
 in every subject relating to
 the school of which
 he is the teacher manager.
 The Missionary is also in
 the position of a school board
 President.
