The major portion of the T.A. is paid to non-officials. Both officials & non-officials have to be paid for their journey to Madras in connection with a number of examinations e.g. the S.L.C., Attention is invited to Govt. G.O. no 1353 Home (ESth) dated 18.11.20. It has also to be remembered that railway fares have increased & are likely to increase further.

A reduction in the provision is not feasible.

55. That the sum of Rs. 17,000 under travelling allowance No. 37-F. be reduced by Rs. 7,000.

"In bringing forward this resolution before the Council I beg to invite the attention. . ."

The Hon'ble Sir LIONEL DAVIDSON:—"May I know whether this motion has not already been passed?"

The Hon'ble the PRESIDENT:—"It was motion No. 5 (a) on Demand No. IX that was passed."

Rao Babadur K. S. VENKATARAMA AYYAR:—"I beg to invite the attention of the House to the figure Rs. 10,000 provided in the budget of 1920-21 and a sum of Rs. 9,450 in the accounts of 1919-20. I cannot really understand why this amount of Rs. 10,000 should be increased to Rs. 17,000. In other figures there seems to be absolutely no change except one item of fees which is put at Rs. 2,700 with reference to which I have not moved for reduction. It seems to be a new item. But all the other items are almost the same. It cannot be said that the scale of travelling allowances has increased. I find the only officer is the Secretary to the Commissioner and all the other items are remuneration to examiners. The remuneration is the same, because I know as a matter of fact that so much is paid for examination fee and so much for correction and valuation of each paper. I submit that a reduction of Rs. 7,000 could be properly made and the original amount of Rs. 7,000 only as we find in the estimate of 1920-21 be restored."

Mr. R. G. GRIEVE:—"May I just explain Sir, that a major portion of the travelling allowances paid under this head is paid to non-officials. They come to Madras in connexion with the examination meetings and they have to get travelling allowances like anybody else. Their rates of allowances have gone up because those of officials have also gone up. Railway fares have increased and are likely to increase still further. Additional work has also been handed over to the Commissioner's office and I can assure the Honourable Member that the travelling allowances are necessary. The allotment will be fully utilized in connexion with the travelling allowances of official and non-official members of examination boards who come in from the mufassal to attend the various meetings such as special test examinations and technical examinations, etc."

The motion was by leave withdrawn.
