The Finance Department.

655. Q.—To ask the Honourable the Member for Finance to state—

(a) whether passed and unpassed (exempted) clerks are being treated alike in giving promotions according to their seniority without allowing the chance of any prejudice to creep in the minds of their superior officers as per the Educational Notification published in page 734 in Part-I (b) No. 194 of Fort St. George Gazette, dated 16th November 1920;

(b) To furnish information as to the number of unpassed exempted clerks serving in the Tinnevely district and the instance or instances if any during the current official year in which promotion or promotions were conferred absolutely in accordance with their seniority; if such a course is not adopted whether the Government will be pleased to take steps to see that the above Government Order is given full and practical effect to at least in future.

The notification referred to by the M.L.C. is that approved in G.O. 1289 of 4.11.20 under which special tests examination are also open to candidates who have been exempted from the examination rules for admission to the public service, unless appearance for the special tests is specially prohibited by the order granting

exemption. This enables unpassed persons, who have been once exempted to hold appointments above Rs. 20, to appear for any or all of the Special Tests. This ~~for~~ does not refer to the question of promotions according to seniority or otherwise. The M.D.C.'s query is ^{therefore} not understood.

(b) The Govt. have no information on the point on which information is required by the M.D.C. The ~~the~~ last two lines of this part of the question is based, as explained above, on a misapprehension as to the exact scope of the ~~for~~ which are not at ^{all} ~~refer~~ to promotions.
