This was handed to me in Council & I have, therefore, not at hand the statistics of Muhammadan girls' schools in which Urdu is the medium of instruction. Such schools are few in number & scattered - There is no case for the appointment at the present stage of a special staff for the inspection of such schools.

The following reply is suggested.
 "The Govt do not consider that there is any necessity at present to provide special Inspectresses for the existing small number of Muhammadan girls' schools."
