2. During the period of Mr. Cartwright's leave, the post of ~~Principal~~ Professor, Mechanical Engineering, was held in abeyance pending the appointment of a suitable substitute for Mr. Cartwright, and ~~the~~ a post of Instructor attached to the School of Engineering, Vizagapatam, was temporarily transferred to Mr. Messrs. vide G.O. 1023, 8/23.8.19. The Secretary of State stated that he was not prepared to recruit candidates in England for temporary ^{owing to difficulty in getting suitable candidates even for permanent vacancies} vacancies and suggested that the temporary vacancy in the Engineering College might be filled by deputation from the P.W.D. The P.W.D., however, were unable to spare any suitable officer for the post of Professor - vide papers in fo. no. 697, of 15.6.20. The post has consequently been held in abeyance till the services of a qualified officer are available and a post of Instructor is to be held by an officer of the rank of Sub-Engineer, P.W.D. has been created - vide fo. no. 932, of 16.8.20.

3 The following draft answer is submitted for consideration.

The facts are mostly as stated in the question. [The P.W.D. was unable to spare the services of any officer of that dept. to act as Professor of Mechanical Engineering, ~~and~~ ^{when} Mr. Cartwright ~~was~~ on leave, and the Secretary of State, who was requested to recruit an officer in England for the post, regretted his

" his inability to do so in view of the
" temporary nature of the vacancy and the
" dearth of qualified candidates in England.
" Accordingly the Govt. sanctioned the
" creation of an additional post of Instructor
" in the College ~~which is~~ ^{to be} held by ~~the~~ an
" officer of the rank of Sub-Engineer, P.W.D.,
" during the period the Professorship of
" Mechanical Engineering remains
" unfilled. The arrangement will
" expire in October next when the
" permanent Principal is expected to
" return from leave."
