141. That in the demand under 31 B(b)(i) Education - Secondary Government Secondary schools, the grant of Rs18,000 proposed for the opening of additional Government secondary schools be omitted.

At the conference of Inspectresses of schools assembled in December 1915 a programme was formulated for the opening of additional secondary schools for girls at the following places:-

Since Santh

During 1919-20 four more schools were opened at Anantapur, Salem, Mayavaram and Vellore. Proposals are separately under consideration for raising the ~~elementary~~ elementary schools at Madura, Kurnool and Berhampore, into middle schools. The D.P.I. will apparently submit during the next year proposals for opening more schools at other centres.

2. It may also be noted that the conference on Female Education which met in 1916 passed the following resolution -

"There should be at least one secondary school for girls in each district and a special secondary school for muhammadian girls should be established in Madras".

(R) vide Resolution 19 on p 236 of G.O. 199-200, dated 17-2-17. The Government have also admitted the need for opening of more secondary schools for girls which should be raised ^{gradually} to the status of high schools - vide para 6 (b) ~~of the~~ p. 4. of Letter No 20087 17-2-17

(R) 3. The ~~same~~ same M. L. C. proposed at the meeting of the Legislative Council held in February 1919 that a provision of Rs5,000 ^{might} be made in the budget for the opening of a secondary school for girls at Nellore and ^(at the same meeting another member moved for) an additional provision of Rs8000/- for establishment of girls schools in the Ceded districts. ^(This M.L.C.) now proposes to omit the provision altogether and his attitude ~~appears to be~~ ^{is not clear.}

Vide G.O. 612 (N)
 15-5-19

4. From the notes at (V) it will appear that ^{M.R. Rao Bahadur K.S. Venkataswami Ayyar} another M. L. C. recently proposed to move a resolution for the opening of more girls high schools, but the resolution was not moved as the member was absent.

5. The D.P.I. proposed to include ^(in the budget for 1921) a provision of Rs58,000 for opening four additional girls' schools.

girls' secondary schools and for the revision of salaries of teachers in secondary and training schools for mistresses. As a result of discussion in the Cabinet, the Finance Department has provided only Rs18,000 for opening additional Secondary schools for girls alone.

6. Submitted the suggestions of the M.L.C. to omit this provision cannot in the circumstances be accepted. For orders whether the resolution may be opposed and as to who will take charge of it, whether any further information is necessary and whether the resolution will be discussed at the Cabinet meeting.

The notes explain the position fully.

When this member realises that the acceptance of his motion will mean that it will be impossible to open a Secondary School at Nellore, he will doubtless regret having tabled the resolution.
