R.C. No. 859-E/24. V

Station Madras, Dated the 27th November, 1924.

From (Name) R. LITTLEHAILES, Esq., M.A.,

(Designation) DIRECTOR OF PUBLIC INSTRUCTION

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department

Sir,

With reference to G.O.No.1503 Law (Education) dated 26-10-23 approving my proposal to attach a weaving section to the Municipal Elementary School for Devangas in Coimbatore and sanctioning the payment to the Municipal Council of a subsidy of Rs.472 towards the maintenance of the weaving section during 1923-24, I have the honour to submit herewith the letters of the President, District Educational Council, and the Chairman, Municipal Council, Coimbatore R.O.C.Nos.185/24 and 264.Genl/24 dated 28-7-24 and 10-5-24 respectively together with their enclosures, and to state that the class was opened on 4-1-24 and that instruction is

(P.T.O)

now

given to 76 pupils of the Elementary Schools.

2. The Chairman reports that out of the subsidy of Rs.472 paid during 1923-24, the Council spent only a sum of Rs.537 under non-recurring and of Rs.95 under recurring during that year and that it has therefore an unspent balance of Rs.156 standing to its credit on 1-4-24.

3. In his letter dated 25-10-24 (a copy of which is herein enclosed) the Chairman has applied for a subsidy of Rs.404 for the year 1924-25 after deducting the unspent balance of Rs.156 standing to the Council's credit on 1-4-24.

4. Mr.Porrett who was consulted reports that the recurring charges of the class during the current year may be estimated at Rs.660 as per details noted in the margin.*

* Recurring.

Instructor's salary at Rs.35 per mensem.	Rs.420/-	As regards the
House rent at Rs.15 per mensem.	180/-	non-recurring
Contingencies and repairs.	60/-	charges he is
	Rs.660/-	of opinion that
		a sum of Rs.218

which is the amount that was allowed to lapse last year owing to its not having been utilised is sufficient for the current year.

5. Thus the charges of the class during the current year will be Rs.218 under non-recurring and Rs.660 under recurring and the Municipal Council will accordingly be eligible for a subsidy of Rs.439/-.

6. As however the Council has already an unspent balance of Rs.156/- to its credit as stated in para 3 above, the net amount payable as subsidy to it will be Rs.283 which may be met from the provision of Rs.6,400/- under "31.C(b)(iii)-Education-Primary-Grants to local Bodies for Primary Education -Grants towards the cost of Vocational and pre-vocational training" in the Budget Estimate for the current year.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction.

Copy of letter R.O.C.No.264.Genl/24 dated 25-10-1924 from the Chairman, Municipal Council, Coimbatore.

With reference to your letter R.O.C.No.859-E of 24 dated 16-10-1924, I have the honour to state that the present Instructor is being paid at Rs.35/- from the date of opening of the school and the Council will have no objection to give effect to the recommendation of Mr.Porrett enhancing the pay of the Instructor. The man at present time is fully qualified and is competent to hold the post. The estimate of the recurring charges of Rs.720/- was correct. In case the enhanced pay is given to the Instructor with effect from a later date and any savings in the expenditure there may be, will be adjusted at the end of the year.

2. As regards the sum of Rs.200/- asked for under non-recurring charges, your presumption is not correct, as the equipment charges alone will be about Rs.400/- and so the Government grant will be Rs.200/-.

3. And so the net amount that will be required for the year 1924-25 will be Rs.560/- and deducting Rs.156/- the balance left over from last year's grant, the net amount will be Rs.404/-.

Recurring

Instructor on Rs.40 p.m.	Rs.480/-

Sir,

Adverting to Government Memo.No.18732-4-L & M., dated 14th August 1923, I have the honour to inform you that a Municipal Elementary School for Weaving classes for Devangas was opened on 4-1-1924. Half of the recurring and non-recurring charges was sanctioned by Government in their No.1503, Law, (Education) dated 26-10-1923. The charges were based on the estimate furnished in my letter R.O.C.No.1168/22 Genl dated 4th December 1922 to the Director of Public Instruction, Madras

The conditions have changed since, as the salaries of the weaving instructors are reported to be Rs35/- and no one could be got on Rs30/- and so a teacher is appointed on Rs35/-

and

and as certain improvements had to be effected to the building to suit the purposes for vocational training, the rent also had to be increased. The recurring charges now increased are:-

Salary of Instructor - Rs 35/- Per mensem.

House rent. - 15/- "

Contingencies. - 5/- "
Total per annum. - Rs 660/-

2. The school is located in such a centre as to enable 105 boys from seven schools to attend the weaving class.

It will be seen from the copy of Time table herewith sent that the day is full of work and the boys are given a good training.

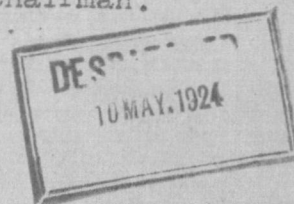

3. As the school was sanctioned for four months only, I request that you will be pleased to obtain the approval of Government for the continuance of the school the whole of the current year and for the payment of the half cost of the maintenance of the school on the increased expenditure now incurred.

I have the honour to be,

Sir,

Your most obedient servant,

V. Chairman.
