LAW (EDUCATION) Department.

Sir.

With reference to Government Memorandum No. 2000-C-3
dated 20th October 1924, I have the honour to state that
there are at present 9 Assistant Instructors in the College
of Engineering, Guindy, 8 permanent and 1 temporary. The
Principal of the College whom I consulted in the matter
of abolition of one of the posts reports that it is --
necessary to retain this number "to maintain the efficiency
of teaching" It will however be possible to dispense with
one of them after the close of the college session in April
next as the strength of the Upper subordinate class 2nd
year Division will be only about 19 next year as against the
present strength of 89. I have the honour to be, Sir,

Your most obedient servant,

U.S.

In the notes leading to G.O.No.1763 Law (Edn.) dated 20th December 1923, it was decided to abolish 2 permanent and 3 temporary posts of Assistant Instructors recruited to the College of Engineering, Guindy, from the Upper Subordinate establishment of the P.W.D. There being then only one permanent vacancy of supervisor in the Upper Subordinate cadre, orders were issued in the G.O.abolishing only one permanent post of Assistant Instructor for the time^{being}, allowing the other permanent post to continue against the sanction for a temporary Assistant Instructor, keeping thereby the temporary post ~~unfilled~~ unutilised and

para 3 of the G.O.(No.1763 Law (Edn), dated 20th December 1923) the D.P.I. was asked to report ^{from what date} ~~whether~~ the second permanent appointment which then was made to count against the temporary appointment could be abolished ^{with effect} with effect from the close of the College Session of 1923-24 or from the date of occurrence of a permanent vacancy in the Upper Subordinate cadre of the P.W.D. if that happened to be earlier.

The D.P.I's reply to the above reference will be found at para 2 of his letter flagged B. Presumably he has no objection to the abolition of the second post of permanent Assistant Instructor which was already -- resolved upon; but he wants only the temporary post against the sanction for which the permanent appointment was kept on to be continued during 1924-25 ~~also~~.

There are at present three permanent vacancies in the ~~permanent~~ Upper Subordinate cadre and effect ^{can} ~~could~~ therefore be given now for the abolition of the second permanent post of Assistant Instructor also. The ^{Law} (Education) Dept, may, if the presumption at A above is correct, be requested to issue formal orders now abolishing the second post also so that orders can then be issued in this department reducing the strength of the

the upper subordinate establishment correspondingly.

U.O. Reply No. 776/24-1
Excluding consideration of the temporary assistant instructor sanctioned for the electrical laboratory the college requires 8 assistant instructors and this is the minimum numerical strength necessary to carry on the work in the college (I am only considering the P.W.D. Supervisors' cadre). It is a matter of ^{little} concern to this Department whether these posts are permanent or temporary so long as the numerical strength is maintained. It is for Government to decide whether they will abolish a permanent post or not. What is needed, however, is that if the permanent assistant instructor's post which was retained in the college instead of a temporary post, vide G.O. No. 1763 Mis., L.E., dated 20th December 1923, is abolished a temporary post should be sanctioned in its place.

College contained a single subordinate

From 1923 the single subordinate class
was abolished and the upper, lower

were restored. On account of
the revival of the classes, the
Principal first considered that 11
additional Asst. Instructors would be
required but after the actual
admission of students in July 1923
he thought that one additional
Asst. Instructor would be sufficient

Subordinate classes from the College of
Engineering to the Schools of Engineering
at Vizagapatnam & Forthampton was under consideration.
It was reported that on account of this
transfer 5 posts of Asst. Instructors
2 permanent and 3 temporary
could be abolished. The transfer of the
classes was sanctioned in G.O. No. 1763, 20.12.23. As there was then only one
permanent vacancy in the M.P.W. Supervisor's
cadre it was ordered that, in place of
2 permanent and 3 temporary posts
proposed to be abolished, one permanent
and four temporary posts, the latter
including the post of Asst. Instructor employed
from 2.8.23, shall be abolished
on the transfer of the classes from the College,
leaving 8 permanent posts in the College.
The Director was also requested
to report whether another permanent
post which was retained instead of
the temporary post referred to above
could be abolished at the end
of 1923 or on the occurrence of a
permanent vacancy in the M.P.W. Supervisor's
cadre. The Director reports that
all the 8 posts of Asst. Instructors are
required in the College, excluding the
Asst. employed in the Electrical Engineering

laboratory. The question for consideration is whether the eighth permanent post ~~should be~~ may be retained or whether it should be abolished and a temporary post created in its stead.

As the 8 posts represent the normal staff required for the college in future it would be preferable to retain the 8th post ~~as~~ permanently. ^{otherwise} if the permanent post is abolished and a temporary post created, its ^{former} retention will have to be sanctioned year after year and sometime hence the post ~~will have to~~ ^{should} be retained permanently.

The Finance Dept. may be requested to say whether they agree to the suggestion at A above or whether the permanent post should be abolished, a temporary post being created instead.

The statement below sets out the staff of Asst. Instructors employed in the Engineering College, Guindy, in 1923-24:-

- Permanent: (i)... 9 P.W.D. Supervisors.
Temporary (ii)... 3 P.W.D. Supervisors.
do (iii) 1 do do for the Electrical Engineering Laboratory during the absence on leave of the Professor of Electrical Engineering.
do (iv) 1 P.W.D. Supervisor from 2-8-23 till the end of the College session in April 1924.

14

2. On the transfer of the Lower and Probationary Subordinate classes in the Engineering College to the Engineering Schools at Vizagapatam and Trichinopoly the D.P.I. proposed that the above staff can be reduced by 5 Supervisors--2 permanent and 3 temporary. The Finance Dept. suggested that the post of Temporary Supervisor employed from 2-8-23 should also be abolished. Under the above proposals the staff of Asst. Instructors in the College should comprise only:

- 7 permanent posts of Supervisors
1 temporary do (Item iii above)

8

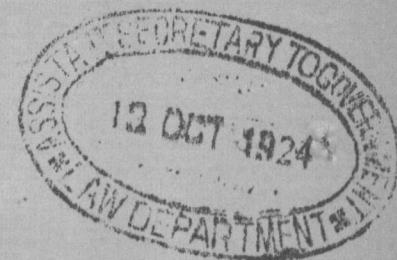

3. The actual reduction effected was, however, only 1 permanent and 4 temporary posts of Supervisors--vide G.O. 1763, Law (Education), dated 20-12-23. The abolition of the 2nd permanent post was not given effect to for want of a permanent vacancy in the P.W.D. cadre of Supervisors; it was retained against the temporary post in item (iv). The D.P.I.

against 2 permanent + 4 temporary posts

(A)

para 2 of Finance note on p 36 of flag (A) + para 4 of the order.

D.P.I. was asked to report in para 3 of G.O.1763 Law(Education) dated 20-12-23 whether the permanent post cannot be abolished after the close of the College Session in April 1924 or on the occurrence of a permanent vacancy in the P.W.D. Supervisors' cadre, if earlier. He has not submitted proposals officially; but ⁱⁿ his U.O. Note dated 26-9-24 on p 4 ante he states that a staff of 8 Asst. Instructors represents the normal requirements of the College in addition to the temporary Asst. Instructor sanctioned for the Electrical Laboratory. Item(iii). Law may now be requested to obtain a report from the D.P.I. giving full reasons as to why he considers that there should be 8 Asst. Instructors in the College even after the transfer of the Probationary and Lower Subordinate classes.

A draft memo to the D.P.I.

is submitted for approval.

The point of difference between 'Education' & 'Finance' is about one Asst. Instructor whose services were obtained by the College Principal in August 1923 on order to cope with the additional work consequent on the transfer

reorganization of the Subordinate classes. The D.P.I. then asked that the employment of this Asst. Instructor might be sanctioned up to the 30th April 1924 and added that his retention beyond that date would be dependent on the requirements of the college after the disposition of the Lower & Probationary Subordinate classes then working in the college. These classes have been transferred to the schools at Vizagapatnam & Tenali last July. The D.P.I. has now re-examined the requirements of the college and stated that the continued employment of this officer is necessary. It appears that there is little purpose in asking for an official report. Since Finance want an official report, the draft memo is for approval.
