Letter from R. LITTLEHAILES, Esq., M.A., Director of Public Instruction, Madras, to the Secretary to Government, Law (Education) Department, dated the 18th December 1924, R.C. No. 1091-B-24.

With reference to paragraph 5 of G.O. No. 753, Law (Education), dated 12th May 1924, I have the honour to submit herewith a consolidated statement showing the subsidy payable to the several local bodies for the maintenance of secondary schools for the remaining three months of the current year with reference to the actual receipts and charges of the schools, the net cost of which devolves on Government, for 1923-24 and the probable receipts and charges for 1924-25 after taking into account the unspent balances available with them.

2. The monthly subsidy payable for the last quarter of the current year is shown in columns 15, 16 and 17 of the consolidated statement.

DISTRICT BOARDS.

Out of the current year's budget provision of Rs. 5,66,800 under "31-B (b) iii. Education—Secondary—Grants to local bodies for Secondary Education", a sum of Rs. 4,10,229 has been paid to the several district boards as shown in the annexure to G.O. No. 1173, Law (Education), dated 18th July 1924, towards the maintenance of secondary schools under their management for the nine months of the current official year. A sum of Rs. 1,56,571 is available for distribution among the district boards for the remaining 3 months of the current year.

(i) *Ganjam District Board.*—With reference to G.O. No. 965, L. & M., dated 11th April 1924, sanctioning one half of the net cost of the Onslow Institution, Chatrapur, subject to a maximum of Rs. 4,400 from 1924-25, a subsidy of Rs. 3,300 being 75 per cent of the maximum subsidy is recommended for payment as advance of the probable net cost of the school for 1924-25. One-half of the net cost of the school, according to the particulars furnished by the President, District Board, Ganjam, is Rs. 4,596.

(ii) *Gōdāvari District Board.*—In respect of the National High School, Ramachandrapur, Government have stated in their order No. 854 Home (Education), dated 26th June 1917, that the aid to be given will be determined on receipt of an application with full details as to the expenditure and receipts relating to the institution. The net cost of the school for 1923-24 was Rs. 3,488. As already stated in my endorsement N.R.C. No. 1524, dated 15th March 1917, disposed of in the Government Order quoted above, I recommend that a subsidy of Rs. 1,000 may be paid this year also to the district board towards the maintenance of the school for 1923-24. In 1923-24 a subsidy of Rs. 1,000 was paid in G.O. No. 1743, Law (Education), dated 15th December 1923. The statement of actual receipts and charges for 1923-24 received from the President, District Board, Gōdāvari, is enclosed.

(iii) *Kistna District Board*.—The revised scales of pay sanctioned in G.O. No. 2238 L. and M., dated 16th August 1924, are reported to have not yet been given effect to and hence the salaries of masters have been restricted to the scales originally sanctioned by Government prior to the revision.

(iv) *Guntur District Board*.—With reference to G.O. No. 1429 Law (Education), dated 9th September 1924, no advance subsidy on account of the probable net cost of the Board High School, Duggirala, is recommended.

(v) *Kurnool District Board*.—With reference to G.O. No. 1171 L. & M., dated 7th May 1924, a sum of Rs. 1,029 being 75 per cent of one-half of the probable net cost of the Board Middle School, Betamcherla, is recommended for payment.

(vi) *Chingleput District Board*.—The advance subsidy on account of the probable net cost of the Board High School, Uttiramerur, for 1924-25 has, with reference to G.O. No. 1916, L. & M., dated 10th July 1924, been calculated for the middle school department only.

(vii) *Salem District Board*.—With reference to G.O. No. 1587 Law (Education), dated 13th October 1924, the sum of Rs. 31 ordered to be admitted has been included in the subsidy on account of the adjustment of the net cost of the Board Middle School, Hosur, for 1923-24. The usual recurring subsidy of Rs. 2,904 payable to the District Board has also been reduced by Rs. 192 with reference to the Local Self Government Memorandum No. 2583-1, dated 28th January 1924. The District Board had with it an unspent balance of Rs. 738 on 31st March 1924 out of the recurring subsidy paid in 1923-24 in G.O. No. 8 Law (Education), dated 3rd January 1924, and this has been deducted from the recurring subsidy payable to the district board during the current year.

(viii) *Bellary District Board*.—Under G.O. No. 1522 L. & M., dated 6th June 1924, the Board High school, Harpanahalli, which was in receipt of a recurring subsidy has become a full net cost school from 1924-25. The advance subsidy on account of the probable net cost of the school is therefore recommended instead of the recurring subsidy.

(ix) *Tanjore and Tinnevely district boards*.—The fee income of the schools under the management of the district boards has increased. The subsidy paid to the district boards for the nine months during the current year in G.O. No. 1173 Law (Education) dated 18th July 1924, is found to be in excess of the amounts due to them by Rs. 58 and Rs. 236 respectively. These excess amounts may be adjusted in 1925-26 in fixing the adjustment of the net cost of the schools for 1924-25.

(x) *Cuddapah and Nellore district boards*.—In 1922-23 an advance of only 37½ per cent of the probable net cost of the schools under the management of the district boards for 1922-23, was paid for want of funds. Consequently the adjustment of the net cost of the schools for 1922-23 became greater in 1923-24. In addition to this, 75 per cent of the probable net cost of the schools for 1923-24 was also paid as advance in 1923-24. The subsidy paid for the nine months in G.O. No. 1173, Law (Education), dated 18th July 1924, which was based on these amounts actually paid in 1923-24 is found to be in excess of the amounts due to them. The revised scales of pay sanctioned in G.O. No. 448 L. & M. dated 20th February 1923, for teachers employed in schools under the Nellore District Board are reported to have been given effect to from 1st July 1923 and the President, District Board, Nellore, has stated that the temporary additions to pay given to the teachers after giving effect to the revision were being met from the board's own funds. The expenditure on temporary additions to pay has, therefore, been disallowed. The pay of the Urdu pandit entertained in the Board High School, Kandukur, without Government sanction has also been disallowed. While submitting proposals to Government regarding the distribution of subsidies to local bodies for the maintenance of sessional schools in my letter C. No. 2408 B/24, dated 8th December 1924, it was observed that the Nellore District Board had with it an unspent balance of Rs. 31 on 31st March 1924. The excess amounts paid in G.O. No. 1173, Law (Education), dated 18th July 1924, to the Cuddapah and Nellore District Boards including the unspent balance of Rs. 31 referred to above are Rs. 3,170 and Rs. 7,055 respectively. I recommend that these excess amounts may be adjusted in 1925-26 in fixing the adjustment of the net cost of the schools for 1924-25.

(xi) *Chittoor District Board*.—With reference to G.O. No. 749 Law (Education), dated 12th May 1924, sanctioning the transfer of the provision made for the Board High school at Madanapalle to Chandragiri High school and the Voyalpad Middle school, the advance subsidy for 1924-25 is payable to the Board High school, Chandragiri and Voyalpad respectively, and it has accordingly been recommended.

(xii) *South Arcot District Board*.—The President, District Board, has stated that the temporary additions to pay were continued up to August 1923. The District Board has with reference to G.O. No. 542 L. & M., dated 5th March 1923 sanctioned their own revised scales of pay. The salaries of masters have therefore been restricted to Government sanctions. Expenditure on temporary additions to pay up to August 1923 has, however, been taken in fixing the adjustment of the net cost of the schools. The Board Middle school, Kurinchipadi, was permanently closed with effect from 18th June 1923 and the closure was approved in G.O. No. 1680 L. & M., dated 31st July 1923. The subsidy payable to the District Board during the current year including the recurring subsidy is Rs. 14,577, while the subsidy actually paid under G.O. No. 1173 Law (Education), dated 18th July 1924, for nine months was Rs. 17,721. The excess amount of Rs. 3,144 paid may be adjusted in 1925-26 in fixing the adjustment of the net cost of schools for 1924-25.

(xiii) *Malabar District Board*.—The District Board, Malabar, has stopped the temporary additions to pay with effect from 1923-24. During the years 1921-22 and 1922-23 no advance subsidy on account of the probable net cost of the schools was paid to the District Board owing to the non-receipt of the required net cost statements. On the President's request that the subsidy on account of the probable net cost of the schools for 1923-24 might be paid, the advance subsidy for 1923-24 together with usual subsidy for 1922-23 was duly paid in 1923-24. Consequently the adjustment of the net cost of the schools for 1923-24 to be paid in 1924-25 became less. The pay of the temporary teachers entertained in the Board High school, Payyanur, Elappuli and Cherukunnu not sanctioned by Government has been disallowed. In the Moyan and Kollengode Girls' High schools, pupils of the lower classes are reported to attend the schools without payment of fees even though Government in their Order No. 1277 L. & M., dated 5th June 1923 refused to grant the exemption. In these two schools the fee income due at standard rates has been taken in fixing the subsidy. The total subsidy payable to the District Board during the current year including the recurring subsidy, is Rs. 26,215, while the subsidy paid for nine months in G.O. No. 1173 Law (Education), dated 18th July 1924, was Rs. 38,250. The excess amount paid (viz.,) Rs. 12,035 may be adjusted in 1925-26 in paying the subsidy to the District Board.

(xiv) The subsidy payable to all the District Boards except Tanjore, Tinnevely, Cuddapah, Nellore, South Arcot and Malabar during the last quarter of the year 1924-25 is Rs. 91,175 and this can be met from the balance of Rs. 1,56,571 available out of the provision of Rs. 5,66,800 made under "31. B (b) iii.—Education—Secondary—Grants to local bodies for secondary education—Local Board schools."

AGENCY DISTRICT BOARDS.

3. *Agency schools*.—The subsidy payable to the Agency District Boards, Polavaram and Vizagapatam for the last quarters of the current year amounts to Rs. 498 and this can be met from the balance of Rs. 515 available out of the current year's provision of Rs. 2,000 under "31. B (a) iii.—Education—Secondary—Grants to local bodies for secondary education—Agency tracts."

MUNICIPALITIES.

4. *Municipal schools*.—In G.O. No. 1173 Law (Education), dated 18th July 1924, a sum of Rs. 95,598 has been paid to the several municipal councils for nine months of the current year towards the maintenance of secondary schools. A sum of Rs. 45,802 is available out of the current year's provision for distribution for the remaining three months of the current year.

(i) *Bimlipatam*.—Government originally undertook to bear two-thirds of the net cost of the high school department in the Municipal High school Bimlipatam. Subsequently in their Order No. 2466 L. & M., dated the 3rd November 1923,

Government sanctioned a fixed annual subsidy of Rs. 4,000 from 1924-25. The accounts of the school for the year 1923-24 for which two-thirds net cost is payable showed that there was an unspent balance of Rs. 113. This has been adjusted in the subsidy payable to the municipal council during this year.

(ii) *Bezwada*.—Under G.O. No. 1192 L. & M., dated 24th June 1921, Government undertook to bear the net cost of the Municipal High school for a period of three years from 1921-22. Subsequently, in their order No. 1656 Law (Education), dated 29th October 1924, Government sanctioned a fixed subsidy of Rs. 3,430 for 1924-25 and Rs. 2,900 for each of the years 1925-26 and 1926-27. The adjustment of the net cost of the school for 1923-24, after taking into account the excess amount of Rs. 1,056 paid in 1922-23 in adjusting the net cost of the school for 1921-22, comes to Rs. 48. A sum of Rs. 3,478 is recommended for payment.

(iii) *Hindupur*.—The excess amount of Rs. 499 ordered to be adjusted in G.O. No. 124 Law (Education), dated 28th January 1924, has been taken into account in fixing the adjustment of the net cost of the municipal high school for 1923-24. The pay of certain posts not sanctioned by Government was taken into account in previous years for net cost purposes and Government in the Local Self-Government Department have been addressed in my letter R.C. No. 231-B, dated 21st June 1924, to sanction these appointments. The pay of these posts has been taken into account in fixing the net cost subsidy for the District Board this year also and a sum of Rs. 1,666, after taking into account the subsidy paid for nine months, is provisionally recommended for payment during the remaining three months of the current year pending the final orders of Government in the matter.

(iv) *Cuddapah*.—The opening of a municipal muhammadian middle school at Cuddapah was sanctioned in G.O. No. 2142 L. & M., dated 6th August 1924, and the subsidy payable for 1924-25 has been fixed at Rs. 1,900 including Rs. 450 for initial equipment assuming that the school was opened on 1st August 1924. But the school was opened only on 1st October 1924 and hence proportionate subsidy for five months including Rs. 450 for initial equipment or Rs. 1,486, is recommended for payment for the school.

(v) *Gudiyattam*.—The adjustment of the net cost of the school has, with reference to G.O. No. 1024 L. & M., dated 17th April 1924, been reduced by Rs. 305.

(vi) *Tiruppattur*.—With reference to G.O. No. 2169 L. & M., dated 2nd October 1923, the subsidy payable to the council is Rs. 3,586. With reference to paragraph 2 of G.O. No. 1173, Law (Education), dated 18th July 1924, this subsidy is not actually payable to the council, but it has to be adjusted against the balance of Provincial grant referred to in the Government Order. The amount has to be considered as an expenditure out of the Educational budget for the current year.

(vii) *Villupuram*.—With reference to G.O. No. 1551 Law (Education), dated 7th October 1924, sanctioning the increased pay for the Urdu Munshi from 1st September 1924, the subsidy payable to the council will have to be increased by Rs. 90 during 1924-25 and Rs. 180 in subsequent years. The subsidy payable to the council has therefore been increased from Rs. 1,152 to Rs. 1,242.

(viii) *Anakapalle*.—With reference to G.O. No. 125 L. & M., dated 11th January 1924, the adjustment of the net cost of the school for 1923-24 and the advance of the probable net cost of the school are recommended instead of the recurring subsidy of Rs. 486.

(ix) *Periyakulam*.—The fixed subsidy of Rs. 400 sanctioned in G.O. No. 3039 L. & M., dated 31st October 1924, is recommended for payment.

(x) *Anantapur*.—Under G.O. No. 208 Law (Education), dated 14th February 1924, the high school at Anantapur which was under departmental control was taken over by the Municipal Council, Anantapur, with effect from 1st March 1924. The net cost of the school for one month in 1923-24 and the advance of the probable net cost of the school for 1924-25 have to be paid. The accounts of the school for the year 1923-24 showed that the school worked at a profit of Rs. 1,470 and this has been taken into account in fixing the advance subsidy on account of the probable net cost for 1924-25. The subsidy payable comes to Rs. 666. The

temporary additions to pay and the pensionary contribution included in the statement for 1924-25 have not been taken into account as the former is reported to be not sanctioned by the council, and as the latter requires the sanction of Government. In July 1923, the Chairman, Municipal Council, applied to Government through me to sanction Rs. 1,099 due to the municipality on account of the maintenance of the school prior to its transfer to the departmental control (i.e.) in 1920-21. It was pointed out in my letter R.C. No. 1321-B, dated 3rd November 1923, that a sum of Rs. 4,534 had been paid in excess to the municipality, and the Chairman, Municipal Council, was requested to refund the amount into the treasury. He reported that he would address again after overhauling the accounts of the school for 10 or 12 years. Pending the final settlement of the question, the subsidy found admissible, viz. Rs. 666, is recommended for payment.

(xi) *Chirala*.—With reference to G.O. No. 2145, L. and M., dated 6th August 1924, sanctioning a fixed subsidy of Rs. 1,000 towards the net cost of the Municipal Middle School from 1924-25, I recommend that a proportionate subsidy for eight months from 1st July 1924 or Rs. 667 may be paid inasmuch as it was reported that the school was opened from the school year 1924-25.

(xii) In respect of the marginally noted municipalities, the subsidy paid in

	Excess amount.	G.O. No. 1173, Law (Education), dated 18th July 1924, for nine months, is found to be in excess of the amounts due to them for 1924-25. The excess amount paid may be adjusted in 1925-26, while adjusting the net cost of the schools for 1924-25. In the case of the Municipal
Berhampur	71	Middle School, Tadpatri, the Chairman, Municipal Council, included a sum of
Nandyal	299	Rs. 1,382 being the temporary additions to pay in the statement of probable receipts
Tadpatri	52	and charges for 1924-25, while the actual expenditure incurred under the head in
Nellore	651	1923-24 was Rs. 178. The Chairman, Municipal Council, in one of his communi-
Tiruppur	245	cations reported that the allowance was stopped from 1st April 1923. The temporary

additions to pay included in the statement has therefore been disallowed.

(xiii) *Walajapet*.—The details of staff furnished by the Chairman, Municipal Council, in respect of the Municipal High School, Walajapet, differ from the scale sanctioned by Government. The Chairman, Municipal Council, reported that he would send full particulars after looking into all the papers. The fee income of the school has increased. The subsidy paid for nine months would appear to be in excess of the amount due for 1924-25. No further subsidy is recommended for this school till the discrepancies pointed out are reconciled by the Chairman.

(xiv) *Ellore*.—The Chairman, Municipal Council, has not yet furnished the statements in the prescribed form in spite of a telegram. But from the particulars furnished it is seen that the Municipal High School worked at a profit in 1923-24, and that no subsidy is payable to the council even on account of the probable net cost of the school for 1924-25. The excess amount already paid may be adjusted in 1925-26.

(xv) The subsidy payable to all the municipalities except those mentioned above for the last quarter of 1924-25 comes to Rs. 37,740 and this can be met from the balance of Rs. 45,802 available out of the current year's budget provision of Rs. 1,41,400 under "31-B (b) iii—Education—Secondary—Grants to local bodies for Secondary Education—Municipal schools."

5. *Salem*.—The subsidy payable to the Salem College for the last quarter of 1924-25 is Rs. 1,500 and this can be met from the balance of Rs. 1,500 available out of the current year's budget provision of Rs. 6,000 for payment in support of Municipal colleges under "31-A (a) i—Education—University—Government Arts colleges".

6. In this connexion I may mention that the short expenditure during 1924-25 on account of the payment of subsidies to the local bodies for Secondary Education is due chiefly to the fact that the fee income has risen by Rs. 66,141.

quarter of the current year is shown in columns 16(a) 16(b) and 16(c) of the consolidated statement.

District Boards.

Out of the current years budget provision of Rs.566,800 under "31 B(b) iii-Education-Secondary-Grants to local bodies for Secondary Education" a sum of Rs.410,229 has been paid to the several District Boards as shown in the annexure to G.O.No.1173 Law (Education) dated 18-7-24 towards the maintenance of Secondary schools under their management for the 9 months of the current official year. A sum of Rs.156571 is available for distribution among the District Boards for the remaining 3 months of the current year.

i. Ganjam District Board. With reference to G.O.No.965 L and M dated 11-4-24 sanctioning one half of the net cost of the Onslow Institution, Chatrapur subject to a maximum of Rs.4400 from 1924-25, a subsidy of Rs.3300 being 75% of the maximum subsidy is recommended for payment as advance of the probable net cost of the school for 1924-25. One half of the net cost of the school according to the particulars furnished by the President, District Board, Ganjam is Rs.4596.

ii. Godavari District Board. In respect of the National High School, Ramachandrapur, Government have stated in their order No.854 Home(Education) dated 26-6-17 that the aid to be given will be determined on receipt of an application with full details as to the expenditure and receipts relating to the institution. The net cost of the school for 1923-24 was Rs.3488. As already stated in my Endorsement N.R.C.No.1524/17 dated 15-3-17, disposed of in the G.O.quoted above, I recommend that a subsidy of Rs.1000 may be paid this

year

year also to the District Board towards the maintenance of the school for 1923-24. In 1923-24 a subsidy of Rs.1000 was paid in G.O.No.1743 Law (Education) dated 15-12-23. The statement of actual receipts and charges for 1923-24 received from the President, District Board, Godavari is enclosed.

iii. Kistna District Board.

The revised scales of pay sanctioned in G.O.No.2238 L and M dated 16-8-24 are reported to have not yet been given effect to and hence the salaries of masters have been restricted to the scales originally sanctioned by Government prior to the revision.

iv. Guntur District Board.

With reference to G.O.No.1429 Law (Education) dated 9-9-1924, no advance subsidy on account of the probable net cost of the Board School, Duggirala is recommended.

v. Kurnool District Board.

With reference to G.O.No.1171 L and M dated 7-5-24, a sum of Rs.1029 being 75% of one half of the probable net cost of the Board Middle School, Betancherla is recommended for payment.

vi. Chingleput District Board.

The advance subsidy on account of the probable net cost of the Board High School, Uttiramerur for 1924-25 has with reference to G.O.No. 1916 L and M dated 10-7-24 been calculated for the Middle School department only.

vii. Salem District Board.

With reference to G.O.No.1587 Mis Law(Education) dated 13-10-24, the sum of Rs.31/- ordered to be admitted has been included in the

subsidy

subsidy on account of the adjustment of the net cost of the Board Middle School, Hosur for 1923-24. The usual recurring subsidy of Rs.2904 payable to the District Board has also been reduced by Rs.192 with reference to the Local Self Government Memo No.2583-1 dated 28-1-24. The District Board had with it an unspent balance of Rs.738 on 31-3-24 out of the recurring subsidy paid in 1923-24 in G.O.No.8 Law (Education) dated 3-1-24 and this has been deducted from the recurring subsidy payable to the District Board during the current year.

viii. Bellary District Board.

Under G.O.No.1522 D and M dated 6-6-24, the Board High School, Harpanahalli which was in receipt of a recurring subsidy has become a full net cost school from 1924-25. The advance subsidy on account of the probable net cost of the school is therefore recommended instead of the recurring subsidy.

ix. Tanjore and Tinnevely District Boards.

The fee income of the schools under the management of the District Boards has increased. The subsidy paid to the District Boards for the 9 months during the current year in G.O.No.1173 Law (Education) 18-7-24 is found to be in excess of the amounts due to them by Rs.58 and Rs.236 respectively.

These excess amounts may be adjusted in 1925-26 in fixing the adjustment of the net cost of the schools for 1924-25.

x. Cuddapah and Nellore District Boards.

In 1922-23, an advance of only 37½ % of the probable net cost of the schools under the

the management of the District Boards for 1922-23, was paid for want of funds. Consequently the adjustment of the net cost of the schools for 1922-23 became greater in 1923-24. In addition to this, 75% of the probable net cost of the schools for 23-24 was also paid as advance in 1923-24. The subsidy paid

for the 9 months in G.O.No.1173 Law (Education) dated 18-7-24 which was based on these amounts actually paid in 1923-24 is found to be in excess of the amounts due to them. The revised scales of pay

sanctioned in G.O.No.448 L and M dated 20-2-23 for teachers employed in schools under the Nellore District Board are reported to have been given effect to from 1-7-1923 and the President, District Board, Nellore has stated that the temporary additions to pay given to the teachers after giving effect to the revision were being met from the Boards own funds. The expenditure on temporary additions to pay has therefore been disallowed. The pay of the Urdu pandit entertained in the Board High School, Kandukur without Government sanction has also been disallowed. While submitting proposals to Government regarding the distribution of subsidies to local bodies for the maintenance of sessional schools in my letter C.No.2408 B/24 dated 8-12-24 it was observed that the Nellore District Board had with it an unspent balance of Rs.31 on 31-3-1924. The excess amounts paid in G.O.No.1173

Law (Education) dated 18-7-24 to the Cuddapah and Nellore District Boards including the unspent balance of Rs.31 referred to above are Rs.3170 and Rs.7055- respectively. I recommend that these excess amounts

may be adjusted in 1925-26 in fixing the adjustment of the net cost of the schools for 1924-25.

xi. Chittoor District Board.

With reference to G.O.No.749 Law

Law(Education) dated 12-5-24 sanctioning the transfer of the provision made for the Board High School at Madanapalle to Chandragiri High School and the Voyalpad Middle School the advance subsidy for 24-25 is payable to the Board High School, Chandragiri and Voyalpad respectively and it has accordingly been recommended.

xii. South Arcot District Board.

The President, District Board has stated that the temporary additions to pay were continued up to August 1923. The District Board has with reference to G.O.No.542 L and M dated 5-3-23 sanctioned their own revised scales of pay. The salaries of masters have therefore been restricted to Government sanctions. Expenditure on temporary additions to pay up to August 1923 has, however, been taken in fixing the adjustment of the net cost of the schools. The Board Middle School, Kurinchipadi was permanently closed with effect from 18-6-23 and the closure was approved in G.O.No.1680 L and M dated 31-7-23. The subsidy payable to the District Board during the current year including the recurring subsidy is Rs.14577 while the subsidy actually paid under G.O.No.1173 Law(Education) dated 18-7-24 for 9 months was Rs.17721. The excess amount of Rs.3144 paid may be adjusted in 1925-26 in fixing the adjustment of the net cost of schools for 24-25

xiii. Malabar District Board.

The District Board, Malabar has stopped the temporary additions to pay with effect from 1923-24. During the years 1921-22 and 1922-23 no advance subsidy on account of the probable net cost of the schools was paid to the District Board

owing

owing to the non-receipt of the required net cost statement. On the President's request that the subsidy on account of the probable net cost of the schools for 1923-24 might be paid, the advance subsidy for 1923-24 together with usual subsidy for 1922-23 was duly paid in 1923-24. Consequently the adjustment of the net cost of the schools for 1923-24 to be paid in 1924-25 became less. The pay of the temporary teachers entertained in the Board High School, Payyanur Elappuli and Cherukunnu not sanctioned by Government has been disallowed. In the Moyan and Kollengode Girls high Schools, pupils of the lower classes are reported to attend the schools without payment of fees even though Government in their Order No.1277 L and M dated 5-6-23 refused to grant the exemption. In these two schools the fee income due at standard rates has been taken in fixing the subsidy. The total subsidy payable to the District Board during the current year including the recurring subsidy, is Rs.26 215, while the subsidy paid for 9 months in G.O. No.1173 Law(Education) dated 18-7-24 was Rs.38,250/- The excess amount paid(viz) Rs.12035 may be adjusted in 1925-26 in paying the subsidy to the District Board.

xiv. The subsidy payable to all the District Boards except Tanjore, Tinnevely, Cuddapah Nellore, South Arcot and Malabar during the last quarter of the year 1924-25 is Rs.91,175 and this can be met from the balance of Rs.156571 available out of the provision of Rs.566,800 made under "31 B (b)iii-Education- Secondary-Grants to Local Bodies for Secondary Education-Local Board Schools".

Agency District Boards.

Agency Schools. The subsidy payable to the Agency District Boards, Polavaram and Vizagapatam for the last quarters of the current year amounts to Rs.498 and this can be met from the balance of Rs.515 available out of the current year's provision of Rs.2000 under "31 B(a) iii-Education-Secondary-Grants to Local bodies for Secondary Education-Agency tracts".

Municipalities.

Municipal Schools. In G.O.No.1173 Law (Education) dated 18-7-24 a sum of Rs.95598 has been paid to the several municipal councils for 9 months of the current year towards the maintenance of Secondary schools. A sum of Rs.45,802 is available out of the current years provision for distribution for the remaining 3 months of the current year.

i. Bimlipatam. Government originally undertook to bear 2/3 of the net cost of the high school department in the Municipal High School, Bimlipatam. Subsequently in their order No.2466 L and M dated 3-11-23, Government sanctioned a fixed annual subsidy of Rs.4000 from 1924-25. The accounts of the school for the year 1923-24 for which 2/3 net cost is payable showed that there was an unspent balance of Rs.113. This has been adjusted in the subsidy payable to the municipal council during this year.

ii. Bezwada. Under G.O.No.1192 L and M dated 24-6-21, Government undertook to bear the net cost of the Municipal High School for a period of 3 years from

from 1921-22. Subsequently in their order No.1656 Law(Education) dated 29-10-24, Government sanctioned a fixed subsidy of Rs.3430 for 1924-25 and Rs.2900 for each of the years 1925-26 and 1926-27. The adjustment of the net cost of the school for 1923-24 after taking into account the excess amount of Rs.1056 paid in 1922-23 in adjusting the net cost of the school for 1921-22, comes to Rs.48. A sum of Rs.3478 is recommended for payment.

iii. Hindupur.

The excess amount of Rs.499 ordered to be adjusted in G.O.No.124 Law(Education) dated 28-1-24, has been taken into account in fixing the adjustment of the net cost of the Municipal High School for 1923-24. The pay of certain posts not sanctioned by Government was taken into account in previous years for net cost purposes and Government in the Local Self Government Department have been addressed in my letter R.C.No.231 B/24 dated 21-6-24 to sanction these appointments. The pay of these posts has been taken into account in fixing the net cost subsidy for the District Board this year also and a sum of Rs.1666 after taking into account the subsidy paid for 9 months is provisionally recommended for payment during the remaining 3 months of the current year pending the final orders of Government in the matter.

iv. Cuddapah.

The opening of a municipal Muhammadan Middle School at Cuddapah was sanctioned in G.O.No. 2142 L and M dated 6-8-24 and the subsidy payable for 1924-25 has been fixed at Rs.1900 including Rs.450/- for initial equipment assuming that the school was opened on 1-8-24. But the school was opened only on

1-10-24 and hence proportionate subsidy for 5 months including Rs.450 for initial equipment or Rs.1486/- is recommended for payment for the school.

v. Gudiyatham.

The adjustment of the net cost of the school has with reference to G.O.No.1024 L and M dated 17-4-24, been reduced by Rs.305/-.

vi. Tiruppattur.

With reference to G.O.No.2169 L and M dated 2-10-23, the subsidy payable to the council is Rs.3586. With reference to para 2 of G.O.No.1173 Law(Education) dated 18-7-24, this subsidy is not actually payable to the council, but it has to be adjusted against the balance of Provincial grant referred to in the G.O. The amount has to be considered as an expenditure out of the Educational budget for the current year.

vii. Villupuram.

With reference to G.O.No.1551 Law (Education) dated 7-10-24 sanctioning the increased pay for the Urdu Munshi from 1-9-24, the subsidy payable to the council will have to be increased by Rs.90 during 1924-25 and Rs.180 in subsequent years. The subsidy payable to the council has therefore been increased from Rs.1152 to Rs.1242.

viii. Anakapalle.

With reference to G.O.No.125 L and M dated 11-1-24, the adjustment of the net cost of the school for 1923-24 and the advance of the probable net cost of the school are recommended instead of the recurring subsidy of Rs.486/-.

ix. Periyakulam.

The fixed subsidy of Rs.400/- sanctioned in G.O.No.3039 L and M dated 31-10-24

is recommended for payment.

x. Anantapur.

Under G.O.No.208 Law(Education) dated 14-2-24, the high school at Anantapur which was under departmental control was taken over by the Municipal Council, Anantapur with effect from 1-3-1924. The net cost of the school for one month in 1923-24 and the advance of the probable net cost of the school for 1924-25 have to be paid. The accounts of the school for the year 1923-24 showed that the school worked at a profit of Rs.1470 and this has been taken into account in fixing the advance subsidy on account of the probable net cost for 1924-25. The subsidy payable comes to Rs.666. The temporary additions to pay and the pensionary contribution included in the statement for 1924-25 have not been taken into account as the former is reported to be not sanctioned by the council and as the latter requires the sanction of Government. In July 1923, the Chairman, Municipal Council, applied to Government through me to sanction Rs.1099 due to the municipality on account of the maintenance of the school prior to its transfer to the departmental control (ie) in 1920-21. It was pointed out in my letter R.C.No.1321 B/23 dated 3-11-23 that a sum of Rs.4534 had been paid in excess to the municipality and the Chairman, Municipal Council was requested to refund the amount into the treasury. He reported that he would address again after overhauling the accounts of the school for 10 or 12 years. Pending the final settlement of the question, the subsidy found admissible viz Rs.666 is recommended for payment.

xi. Chirala.

With reference to G.O.No.2145 L and M

M dated 6-8-23 sanctioning a fixed subsidy of Rs.1000 towards the net cost of the Municipal Middle School from 1924-25, I recommend that a proportionate subsidy for 8 months from 1-7-24 or Rs.667 may be paid in as much as it was reported that the school was opened from the school year 1924-25

xii. In respect of the marginally noted municipalities, the subsidy paid in G.O.No.1173 Law

	Excess amount.	(Education) dated 18-7-24 for
Berhampur	71	9 months, is found to be in
Nandyal	299	excess of the amounts due to
Tadpatri	52	them for 1924-25. The excess
Nellore	651	
Tiruppur	245	

amount paid may be adjusted in 1925-26, while adjusting the net cost of the schools for 1924-25. In the case of the Municipal Middle school, Tadpatri, the Chairman, Municipal Council included a sum of Rs.1332/ being the temporary additions to pay in the statement of probable receipts and charges for 24-25 while the actual expenditure incurred under the head in 1923-24 was Rs.178. The Chairman, Municipal Council in one of his communication reported that the allowance was stopped from 1-4-1923. The temporary additions to pay included in the statement has therefore been disallowed.

xiii. Walajapet.

The details of staff furnished by the Chairman, Municipal Council in respect of the Municipal High School, Walajapet differ from the scale sanctioned by Government. The Chairman, Municipal Council reported that he would send full particulars after looking into all the papers. The fee income of the school has increased. The subsidy paid for 9 months would appear to be in

excess

excess of the amount due for 1924-25. No further subsidy is recommended for this school till the discrepancies pointed out are reconciled by the Chairman.

XIV. Ellore.

The Chairman, Municipal Council has not yet furnished the statements in the prescribed form in spite of a telegram. But from the particulars furnished it is seen that the Municipal High School worked at a profit in 1923-24 and that no subsidy is payable to the council even on account of the probable net cost of the school for 1924-25. The excess amount already paid may be adjusted in 1925-26

XV. The subsidy payable to all the municipalities except those mentioned above for the last quarter of 1924-25 comes to Rs.37,740 and this can be met from the balance of Rs.45,802 available out of the current years budget provision of Rs.141400 under "31 B(b)iii-Education-Secondary-Grants to local bodies for Secondary Education-Municipal schools"

Salem.

The subsidy payable to the Salem college for the last quarter of 1924-25 is Rs.1500 and this can be met from the balance of Rs.1500 available out of the current years budget provision of Rs.6000/- for payment in support of Municipal colleges under "31 A(a) i Education-University-Government Arts colleges"

In this connection I may mention that the short expenditure during 1924-25 on account of the payment of subsidies to the local bodies for Secondary Education is due chiefly to the fact that

the

the fee income has risen by Rs.66141.

I have the honour to be,

RCL No. 1558, dated 17-1-1925.

Sir,
*Adverting to Sub-para 4 of para 3 of G.O. No. 3372,
L. & M. dated 27th November 1924, published on page 612
of Part I-A of the Fort Saint George Gazette, dated 23rd
December 1924, I have the honour to point out that in -
G.O. No. 1173 Law Education, dated 18th July 1924, the --
Government has requested the Accountant-General, Madras,
to disburse to the District Boards, monthly instalments
of subsidies noted therein, only during the first nine
months of the current official year. Nothing is stated
about the balance of subsidy referred to in subpara 4 --
of para 3 of G.O. No. 3372 L. & M. dated 27th November --
1924. The disbursement of the subsidy from January 1925
onwards has ceased. I request early orders whether the
balance of the estimated subsidies could be claimed in
three equal instalments.

2. This District Board which is unable to make its
both ends meet has necessarily to depend upon the sub-
sidies due from Government for running the services. The
disbursement of the balance of the Education subsidy -
throughout the year is a matter of utmost necessity for the
District Board.

3. I therefore request that the Government may be --
pleased to instruct the Accountant-General and the ---
Director of Public Instruction, Madras, to arrange for
the payment of the balance of the subsidy in three equal
monthly instalments on the 15th of each month commencing
from
