It is for consideration whether the proposal may be accepted. If so it is further for orders whether the scale of $\frac{1}{16}$ which was permissible under 770 C.S.R. & which was in force on 28/6/21, the date of commencement of the transfer to Foreign Service can now stand under J.R. From the table in Correction Slip I of 23-9-24 it is not possible to work out the $\frac{1}{16}$.

The proposal in 40 1552/7.10.24 was accepted simply to replace the action already taken.

The Fundamental Rules make no specific provision for transfer to foreign service in the case of persons in inferior service.

It cannot be maintained that the machinery of the D.E.C. will stop if this particular attendant is reverted to his legitimate duties & I think that this should be done at once. If he prefers to stay on with the D.E.C. he can resign Govt service.
