THE
**Seventh Annual Report of
The T. M. S. S. M. Library, Tanjore.**

The Administrative Committee of the T. M. S. S. M. Library begs to submit to Government its Seventh Annual Report for the year ending 31st March 1925.

2. There was no change in the personnel of the members. Mr. H. M. Hood, I. C. S., Collector, and Mr. J. C. Stodart I. C. S., District Judge were the ex-officio members. The non-official members were Rajah Sri Sivaji Rajah Sahib, M. R. Ry. P. R. Natesa Ayyar Avl., B. A., B. L. and M. R. Ry. T. Sambamurthi Row Avl., B. A., B. L. The last named gentleman continued to serve as the Honorary Secretary to the committee.

Thirteen meetings were convened during the year, of which seven were held and six were adjourned for want of a quorum. Only three members forming the bare quorum attended each of the above seven meetings. One of the ex-officio members, the District Judge was absent throughout the year. The Budget for 1925-26 was passed at the meeting held on 28th March 1925, as required in the scheme framed in G. O. No. 1306 Home (Education), dated 5th October 1918.

3. The full time paid establishment continued to be the same as in the previous year and worked satisfactorily.

4. There were 25,609 visitors, as against 31,854 in the previous year. There was a fall in the crowds that usually come sight-seeing on occasions of Hindu and Mahamoden festivals. Among the distinguished visitors in the year, may be noted Dr. F. H. Gravely, Vaidyaratna Jogendranath Sen M. A. of Calcutta. His Holiness Sri. Sankaracharya Swamigal of Sri Kamakoti Pitah, His Holiness Sri Lakshmisena Bhattaraka Pattacharya of Karvir Jain Mutt Kolhapur, Major F. E. A. Campbell, Prof. R. C. Majumdar of the Dacca University and Dr. S. N. Dasgupta M. A., Ph. D. (Cantab).

2622 manuscripts and books were consulted by readers in languages and subjects detailed in Statement No. I appended hereto as against 2368 in the previous year. It may be noted with pleasure that increased use is being made of the Library by the educated public.

A learned pandit from the Andhradesa specially came here and stayed for about a week consulting the various manuscripts on Skanda-Purana in Devanagari and Telugu scripts.

Pandit Vijayaraghavachariar of Tripati spent about 4 days in the Library consulting the text and illustrations of Gaja Sastra.

5. (a) 66 manuscripts on palm leaf and paper, which had become worn out and damaged by age were copied out on thick ruled convector paper for the Library, for the preservation of their valuable contents as against 49 manuscripts similarly transcribed last year. Statement No. II shows the languages of the Manuscripts and the subjects dealt with by them.

Statement No. III shows that 30 manuscripts on palm leaf and paper in the languages and subjects therein mentioned were copied for the learned public as against 33 in the previous year. Among those for whom copies were made and supplied may be mentioned, the Rev. Mr. H. R. Heras of Bombay, Sri Kolandaiswamikal, Pandit Vijayaraghavachariar, Dr. L. Sarup, Lahore, M. R. Ry. T. Sambamurthi Row Avl., Tanjore, The Anandasram, Poona City and M. R. Ry., P. P. Subraminia Sastry Avl., B. A. (Oxon) M. A., F. R. A. S. Superintendent of Sanskrit Schools, Madras.

6. The preservation of the large number of manuscripts on palm leaf and paper and of books in different European and Indian languages received due attention.

In addition to cleaning and dusting, and exposure to light and air and the placing of naphthaline balls and packets of indigenous disinfectant drugs on the shelves, the leaves of the margosa tree are placed between the leaves of books and manuscripts to keep off insects. To palm leaf manuscripts citronella oil and the vegetable mixture detailed in the last year's Report were applied with good results.

7. The committee is glad to report that the first volume of the descriptive catalogue of Tamil Manuscripts has been printed and published. The Vol. is Demy Octavo and contains 531 pages and has been priced at Rs. 2 per copy. The catalogue will run into two more volumes for which the manuscript is complete. The Sri. Vani Vilas Press, Srirangam, is printing the work. Rs. 1907-7-11 has been spent on the catalogue to the close of the year under report from January 1921 when the catalogue was begun to be prepared. The cost of the preparation and publication has been spread over the budgets for five years from 1921-1922 and the provision thus made, is expected to suffice for the printing and publication of the entire catalogue.

8. The committee feels bound to again bring to the kind notice of the Government, that the usefulness of this Library to the public is much impaired by the absence of a full and descriptive catalogue of its very numerous Sanskrit manuscripts for which this Library has long been famous all over the world. The Government has also recognised the need of such a catalogue and was pleased to observe in G. O. No. 1282 dated 12th September 1923 Law (Education) Department reviewing the committee's report for 1922-23 that the matter will be considered separately and called for "an estimate with details of the cost of preparing a complete descriptive catalogue of the Sanskrit Manuscripts in the Library in its memorandum No. 3580 B-1 Law (Education) Department dated 25th September 1923. The Hony. Secretary submitted his detailed estimate in his R. C. No. 228/23-24 dated 29th October 1923 in which he requested a modest grant of Rs. 5,166-10-8 per year for three years to complete the manuscript catalogue.

Again in G. O. No. 371 Mis. dated 28th May 1924 Law (Education) Department in reviewing the committee's report for 1923-24, the Government observed that "the question of the preparation of a descriptive catalogue of "Sanskrit Manuscripts in the Library referred to in paragraph 8 of the Report "is separately under consideration." The committee however, received with

much disappointment G. O. No. 1342 Mis. Law (Education) Department dated 19th August 1924 to the effect that "Government regret that on account of the "present financial stringency they are unable to sanction a grant to the committee "of the Tanjore Maharajah Sarfoji's Saraswathi Mahal Library for the preparation "of a complete descriptive catalogue of the Sanskrit Manuscripts in the library."

Now that there has been a remission of the Provincial contribution to the Government of India, the committee hopes that the situation would be a little improved and earnestly requests the Government to review the matter with favour.

9. The committee has been making its own efforts in this direction and in the year under Report 3136 descriptive slips for Sanskrit Manuscripts have been prepared by the library staff along with other office work. The accompanying table gives the details of the number of slips prepared during the year.

The Superintendent of Sanskrit Schools and Colleges is visiting this library in his tours. The following are his remarks on his visit to the Library in August last:—

"Visited the Tanjore Palace Library on the 9th and 10th August. "The work of the library has been progressing steadily. Some of the sections "are almost ready for the press. The work is being handicapped as the committee "have not yet had any reply to their appeal to Government for funds.

4 6
"Slips relating Madwamata and Gita were looked into by me. "I have suggested the preparation of a list of all Mss. not noticed by Burnell "showing the author, name of the work and whether a copy of the same is "already in the Library or not. This list, if completed, for each section, as soon "as the slips for the section is furnished, will prove to be of real help as an "authoritative supplement to the Burnell catalogue. The Hony. Secretary and "the staff work as usual with great enthusiasm."

The supplemental slips above suggested are also being prepared.

In all, 11,667 slips have been prepared till now by the Library staff who are pandits having no academic qualifications and the committee cannot say whether the slips prepared are quite up to the mark. It is necessary therefore that these slips should be revised and scrutinised by an expert scholar possessing a high degree of Sanskrit learning and versed in cataloguing. This revision and scrutiny are necessary not only for assuring the committee that the catalogue slips hitherto prepared are on the right lines but also for the further satisfactory progress of the preparation of the slips. It will take a few years more for the completion of the descriptive slips for all the Sanskrit manuscripts and books in the Library, in view of the limitations of time and capacity under which the work has to be carried on.

The finances of the library are too poor to afford the remuneration of such an expert and the committee earnestly requests that the Government will be pleased to depute at an early date for such period, as may be required one or more of their officers competent and willing to do the work of revision and scrutiny of the descriptive slips hitherto prepared.

10. Materials for the preparation of a descriptive catalogue of the large number of Marathi manuscripts continue to be prepared by the Hony. Secretary but the work requires a full time competent scholar. The committee has been trying to find such a scholar for the purpose, one was sought to be obtained from Poona but in vain. The finances of the library being very limited, the committee is not able to pay adequate remuneration for the type of scholar required. However, efforts are being made to secure one locally.

In spite of the Hony. Secretary's repeated appeals to many learned and affluent Andhra gentlemen and the Telugu Academy at Madras no competent Telugu scholars have been found to undertake the work either for love or for the modest remuneration the Library can afford. There is however, some chance of the work being started with the kind help of a few scholars and it is premature to say anything about it in detail now.

11. As usual, answers were furnished to many enquiries from scholars. At the request of Mr. Sadasiva Mahadev Divekar of Bombay, copies of two of the pages of the Sanskrit Manuscript Shiva Bharat mentioning the date of the birth of the great Sivaji about which there is a controversy, were photographed at his expense and the photographs sent to him. The several manuscripts on the Mahabharata in this Library are being collated as per instructions of the Bhandarkar Oriental Research Institute, Poona who are preparing to edit a new critical edition of the Mahabharata, the great epic of India. The cost of collation is borne by the Institute.

12. The committee is obliged to the generous public for gifts from time to time of valuable manuscripts and books, obtained chiefly through the exertions of the Hony. Secretary. Statment No. IV gives the details of the manuscripts and books so obtained and the names of the donors to whom the thanks of the committee have been conveyed. Chief among these may be mentioned Vaidyaratna Jogindranath Sen of Calcutta for the gift of his valuable printed volumes of Charaka Samhita with his commentary in Sanskrit, M. R. Ry., G. B. Bakshi Avl., of Tanjore for 126 books in English and other languages and to Vedamurthi R. Ry. Gopalakrishna Sastry Davalekar of Tanjore for 307 Sanskrit manuscripts mostly on Prayoga (प्रायोग) and Vrata (व्रत) which have supplied the lacunae, notable in the older collection of manuscripts in this Library on those subjects.

The Trivandrum Sanskrit Series continue to be supplied to this Library free of cost by the kindness of the Government of H. H. Maharaja of Travancore. Application for a similar supply of the publications of H. H. the Gaikwad of Baroda has been made.

The Christian Herald Co., Ltd., London and Messrs. Ed. J. Burrow and Co., Ltd., Cheltenham have kindly continued to send gratis during the year under report their publications, the weekly journal "The Christian Herald" and the Hand-books of English towns, respectively. The Board of management of the Dayanodaya have also been pleased to send their weekly Anglo-Marathi paper free of cost. The Madura Tamil Sangam have been pleased to send free of cost a copy of their learned monthly journal the "Senthamil" (செந்தமிழ்). The committee thanks the donors for their gifts.

The committee also begs to thank the Government for the free supply of some of the publications laid on the Editor's Table as well as those of the Agricultural and Archaeological Departments of the Government of Madras and of the Government of India.

13. The finances of the committee permitted the purchase of only a few books during the year. Webster's New International English Dictionary in 2 volumes, the Librarian's Guide, Life of Shivaji by Prof. Takakhav, and a few books in Marathi including the Jnanakosha (Encyclopaedia) in 20 Vols. of which 12 Vols. have been published and received, were the chief books purchased.

14. The Public Works Department has nearly completed the improvements kindly sanctioned by Government in G. O. No. 1319 W. dated 17-12-1923. 6

15. As in previous years, the Collector was pleased at the request of the committee to depute an audit clerk of the Treasury Deputy Collector's Office to audit out of his Office hours, the accounts of the committee for 1924-25. The accounts have been audited and found correct. Statments V and VI contain the details of the committee's receipts and disbursements in tabular form.

16. The committee wish to place on record their great appreciation of the services gratuitously rendered by the Hony. Secretary Mr. T. Sambamurthi Rao and of his indefatigable labour in attending to its affairs.

(Passed at the committee's meeting held on 30-4-25).

C.No. 1489C. - From the Hony. Secretary, Tanjore Palace Library. No. 49/25-26 dated the 11th May, 1925
Subject: - Cataloguing of manuscripts in the Tanjore Palace Library.

The only point requiring attention is that relating to the preparation of a catalogue of Sanskrit manuscripts in the Library, dealt with in paragraphs 8 and 9 of the report.

2. The suggestion was first put before the Government in 1921 when the idea was to prepare a catalogue of all books and manuscripts in the Library. The Director of Public Instruction supported the suggestion and recommended a grant of Rs 11,772 from Provincial funds, spread over a period of three years to enable the Library Committee to employ the necessary staff for the cataloguing work. Owing to the prevailing financial stringency ^{the proposal} did not materialise. Vide G.O. No 732 Edn., dated 16-6-22.

3. The question was again raised in the administration reports of the Library for 1922-23 and 1923-24. But this time the cataloguing was suggested only in respect of the Sanskrit manuscripts in the Library. The estimate of the cost, then furnished, was as follows :-

(i) 1 Superintendent for 3 years	
@ - Rs150 a month	Rs5,400
(ii) 6 Pandits for 3 years	
@ - Rs45 each a month	Rs9,720.
(iii) Contingencies	Rs 380.
Total	Rs 15,500.

The Director of Public Instruction who was consulted, expressed his sympathy with the proposal and conceded the need for a descriptive catalogue. He, however, suggested that as there was already a pandit on the staff of the Library available for the work,

provision need be made only for five pandits; thus reducing the estimate by Rs 1,620 to Rs 13,880 spread over a period of three years. The proposal again fell through on account of financial stringency.

3. The Honorary ^{Secretary} repeats the suggestion in the hope that the partial/ of the provincial contribution might now enable the Government to find funds. The Government are also asked if it will be possible to spare the services of one or two of their officers to check and revise the large number of catalogue slips that have already been prepared.

4. There is no provision in the current year's budget for a grant to the Library. The question of funds has apparently to be considered as a Part 11 Scheme for 1926-27. The Hon'ble the Minister noted as early as 1922 that the cataloguing should be begun early. Finance may be asked if the proposal may be treated as a Part 11 Scheme for next year.
