From (Name) R.G. GRIVE, Esq., M.A., F.R.G.S.,

(Designation) DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,

THRO' LAW (EDUCATION) Department.

Sir. THE ACCOUNTANT-GENERAL, MADRAS.

I have the honour to solicit a reference to G.O. No. 350 Law (Education), dated 13-3-25, extending by four months the period of deputation of the Special Officer sanctioned in G.O. No. 60 Law (Education), dated 17-1-25, and to state that the survey records of 67 Taluks as shown in the margin have been scrutinized and that particulars regarding the school-less centres in each of these Taluks have been collected in the course of the scrutiny. There are still 150 Taluks the records of which have to be scrutinized before determining the educational needs of the centres therein. It has not been possible for the Special Officer to complete

to complete the scrutiny of more than twenty Taluks a month and the work is now retarded by his having to revise, on receipt of further particulars obtained from the Educational Survey Officers, the lists of school-less centres drawn up in the course of the scrutiny.

2. The District Educational Officers have recently been asked to examine the possibility of expansion of Elementary Education through aided agencies and on receipt of their replies the actual requirements of each Taluk and the cost of meeting those requirements will be determined and tabulated in the form of the statement (copy enclosed). A report for each District on the results of the intensive survey will then be compiled and printed, for submission to Government and for supply to the Inspecting Officers, the Collectors, Presidents and members of the District Educational Councils, and Presidents of the Taluk Boards concerned.

3. A clerk of the office has been working under the Special Officer and doing the clerical work of drawing up the lists of school-less centres according to the Special Officer's instructions. Considering the rate of progress so far, I am of opinion that the work detailed above cannot be finished by the Special Officer within a reasonable time without additional temporary establishment. It is very desirable that the scrutiny of the records and the compilation of the reports should be completed early so as to secure expansion on sound principles based on the full information which the Survey records are designed to supply. An officer of the Deputy Inspector's cadre is required to ~~assist~~ assist the Special Officer in scrutinizing the records so that the work of compiling the reports may be taken up by the Special Officer as soon as the particulars regarding the possibilities of expansion called for from District Educational Officers are received in the office. A temporary clerk is also needed for drawing up the lists of school-less

school-less centres from the records scrutinised by the officer assisting the Special Officer. With the temporary establishment mentioned above, I expect the work ~~is~~ to be completed by the 31st August 1925.

4. In the circumstances set forth above, I request that Government will be pleased to sanction the following establishment temporarily for a period of three months from 1st June 1925:-

1. A Deputy Inspector on Rs.150/- per mensem.
2. A Clerk on Rs.40 per mensem.
3. A Peon on Rs.15 per mensem.

I recommend also that the period of deputation of the Special Officer which now expires on 26-7-25 be extended till 31st August 1925.

I also repeat the recommendation made in my letter R.C. 354-B/24 dated 2-6-24 for the grant to him of a Presidency Allowance of Rs.25/-.

A pay of Rs.150 is proposed for the temporary post of Deputy Inspector so that a fairly experienced officer drawing about Rs.100 may be appointed to help the Special Officer.

5. I shall submit, on receipt of orders of Government on this letter, a re-appropriation statement providing funds to meet the extra expenditure involved by these proposals.

I have the honour to be,

Sir,

Your most obedient servant,

A Rama Ray

C.No. 1900 A. From the D.P.I., R.C.No. 354-B/24
dated the 18th May 1925.

.. Endorsement of the Accountant General No. ^{T.M.} 25-956
dated the 27th May 1925.

Subject: - Extension of the period of deputation
of the Special officer to scrutinize the
records of the educational survey.

In G.O.No. 60 ^{Law (Edn)} dated the 17th January 1925. and
No. 350 ^{Law (Edn)} dated the 30th ^{13th} March 1925, the Government
sanctioned the deputation ^{for a period of six months} of an officer of the grade
of Dy. Inspector of schools for carrying out a detailed
scrutiny of statistics connected with the intensive
educational survey. The Director states that the sur-
vey records of 67 taluks in the Presidency have been
scrutinized, and that there still remain 150 taluks,
the records of which have to be examined, and ^{that} it is not
possible for the special officer to complete the scrutiny
of more than 20 taluks in a month. It is very de-
sirable that the scrutiny of the records and ^{the} compi-
lation of the reports should be completed, as early as
possible with a view to secure the expansion of ele-
mentary education on sound principles, based on the
full information which these survey records are de-
signed to supply. The Director ^{accordingly recommends} ~~states~~ that the period
of deputation of the special officer may be extend-
ed by a further period. He also recommends that the
under-mentioned staff may be employed, for a period
of three months, to assist the special officer in his
work :-

- (1) one Dy. Inspector on Rs 150 per mensem
- (2) one clerk .. Rs 40
- (3) one peon .. Rs. 15

The pay of Rs150 is proposed for the temporary
post of Dy. Inspector, with a view to secure the ser-
vices of a fairly experienced officer.

2. It is submitted that, for the reasons given by the Director of Public Instruction, the employment of an additional staff of a Dy. Inspector and a clerk may be sanctioned for a period of three months from 1st July, 1925. The pay of ^{the} additional Dy. Inspector may be fixed at Rs 75 per mensem, being the lowest pay of the time-scale sanctioned for the grade of Dy. Inspector, and the Director of Public Instruction may be left to employ on the work any officer considered suitable by him ~~and drawing a higher rate of pay~~. The need for the services of a person has not been made out, and it does not appear necessary to sanction his employment.

3. The Director of Public Instruction also recommends that the special officer may be given a presidency allowance of Rs25, in addition to ^{his} pay of Rs 250 per mensem, sanctioned in G.O.No. 60 dated the 17th January 1925. The grant of presidency allowance was fully considered in the notes to G.O. No. 1247 ^{Law (Edn)} dated the 31st July, 1924, and it was decided that ^{in view of the} ~~a new and~~ special rate of pay ~~have been allowed~~ and that there was no need for the grant of presidency allowance, in addition.

4. The Director states that, if his proposals are approved, he will submit a re-appropriation statement to meet the extra expenditure involved. Finance may be asked to agree to the proposal. ⁵ A draft is submitted. It may be sent to Finance for acceptance.

The D.P.I. asked for sanction for the employment of the temporary staff for three months from 1st June 1925. We ~~are~~ have now passed more than half of June & the D.P.I. would not have ~~sanction~~ entertained the establishment in anticipation of sanction. The establishment can therefore be entertained only from 1st July 1925. The draft therefore sanctions the temp^y staff for three months from 1st July.

As regards the period of extension of special officer, no doubt the D.P.I. asked for the extension of his period up to 31.8.25. This was on the assumption that the temp^y staff to assist him would be employed from 1st June
