2. The credit taken for Government contribution under the proviso to Section 37 in the Revised Estimate for 24- 25 should be reduced to Rs.11,856 as shown below:-

1. G.O.No.165 Law(Education) dated 5- 2- 25
Rs.10239 minus Rs.135..... Rs.10104

2.Allowance of Rs.4/- 1752

Rs.11,856

3. With reference to sub-para (iii) of G.O.No. 1034 Law(Education) dated 23- 6- 24 credit should be taken in the actuals of 23- 24 for a sum of Rs.860 as "appropriation from Government grant unspent balance".

Credit

Amount verified by me
put up

Credit should be taken under the same item in the Revised Estimate for 1924-25 for a sum of Rs.279/- (Rs.135 adjusted in G.O.No.165 Law(Education) dated 5-2-25 plus Rs.144 adjustment in connection with the payment of the allowance of Rs.4).

4. It is observed that the lump sum of Rs.30,000 provided for in the Budget Estimate for 25-26 under "staff salaries and allowances masters" includes provision for expansion of elementary education and also for the entertainment of a supervisor. As regards the expansion of elementary education the Board may be advised to open new schools in consultation with the District Educational Officer and the District Educational Council and also based on the result of the Education survey. The Board may also be directed to address Government separately in regard to the entertainment of a supervisor.

5. The provisions made in the Budget Estimate for 25-26 under 'clerks and servants' and 'Travelling allowance' should be reduced with reference to the actuals. The enhanced provision made under 'House rent' is presumably due to the opening of new schools.

6. On the debit side of the budget under 'capital' the board has shown Rs.7,897 in the actuals of 23-24, Rs.10,000 in the Revised Estimate for 24-25 and Rs.12,975 in the Budget Estimate for 25-26, without any corresponding entry on the credit side.

7. The sum of Rs.1750 provided for in the Budget Estimate for 25-26 under "Interest and repayment of debt" may be deleted since there is no provision in the Civil Budget Estimate for 25-26 to sanction a loan. Further the equated payment will be payable only in the year next after that in which the loan is raised.

3. As regards the utilisation of the provision under 'capital' items the Board may be advised to consult the inspecting officers.
