Budget Estimate for 1925-26 - Elementary Education Fund

Taluk Board, Dindigul.

Submitted.

2. The credit taken for Government contribution under Section 37 in the actuals of 1923-24 should be reduced to Rs 10925 with ref. to sub para (i) of G.O.No. 783 Law (Education) dated 14th May 1924. The credit taken under the same item in the Budget Estimate for 1925-26 should be fixed with reference to the amount actually realised as education cess during 1924-25.

3. The credit taken in the actuals of 1923-24 for Government contribution under the proviso to section 37 should be raised to Rs 36421 with reference to sub para (ii) of G.O.No. 783 Law (Education) dated 14th May 1924. The credit taken in the budget estimate for 1925-26 under the same item should be raised to Rs 45908 as shown below subject to subsequent adjustment with reference to the savings, if any out of the subsidy paid in G.O.

No. 1598 Law (Education) dated 16th October 1924. Rs

(1) G.O.No. 165, Law (Education) dated 5-2-25 37244

(2) ,, 1598 ,, ,, 16-10-24 8664

45908

4. With reference to sub para (iii) of G.O.No. 783, Law (Education) dated 14th May 1924 credit should be taken in the actuals of 1923-24 for a sum of Rs 823 as "appropriation from Government grant unspent balance"

5. It is observed that provision has been made in the budget estimate for 1925-26 (Rs 2550 under 'Clerks and Servants') towards the entertainment of three supervisors of elementary schools. The question of the entertainment of supervisors of elementary schools under the Taluk Board is under consideration and it will be -- submitted to Government separately.

2
6. With reference to the sum of Rs 1300/- provided in the budget estimate for 1925-26 under 'Travelling Allowance' the attention of the Board should be invited to sub para (iv) of G.O.No. 783, Law (Education) dated 14th May 1924.

7. A sum of Rs 63550 is proposed to be appropriated in the budget estimate for 1925-26 from the ordinary receipts towards capital expenditure. In view of the fact that there is a very large closing balance to the credit of the board, the appropriation from the 'extraordinary' receipts may be accepted. But the Board may be advised to restrict the amount with reference to the actual requirements in consultation with the District Educational Officer and to spread over the construction of buildings for a few years, so that funds may be available for the opening of new schools.
