2. With reference to G.O.No. 309 Mis. Law (Education) dated 3rd March 1925, the education cess actually realized during 1923-24 was Rs 32182/- and in 1924-25 an equivalent amount was paid as the Government Contribution under Section 37. Hence the credit taken for Provincial contribution in the Revised Estimate for 1924-25 under section 37 should be raised to Rs 32182/- The credit taken in the Budget Estimate ^{for 1925-26} under the same item should be fixed with reference to the education cess actually collected during 1924-25.

3. The credit taken for Provincial contribution under the proviso to section 37 in the budget estimate for 1925-26 is subject to subsequent adjustment with reference to the savings, if any, out of the subsidy paid in G.O.No. 1598 Law (Education), dated 16th October 1924.

4. On the debit side of the budget, the Board has shown Rs 600/- in the revised estimate for 1924-25, and Rs 2000/- in the budget estimate for 1925-26 towards the entertainment of two ^{Supervisors} ~~inferiors~~ of elementary schools. Since this question needs further investigation in consultation with the District Educational Officer, the Board may be advised to address Government separately on the matter.

5. On the debit side of the budget the Board has shown under 'Capital' Rs 2080/- in the actuals of 1923-24 Rs 10610 in the Revised Estimate for 1924-25 and Rs 10000/- in the Budget Estimate for 1925-26 without any corresponding entry on the credit side.

6. Since there is a large closing balance the board may be advised to consider the question of utilising the same towards the ~~open~~ opening of new schools.

Note.

The sum of Rs. 32182/- does not represent correctly or even approximately the annual receipts against item No.1 - Education tax. This figure had had to be entered as the sum total of the receipts for the whole of the official year 1923-24 as per annual audited accounts. As explained in paragraph 5 of the covering letter, the wrong credit of Rs.72270/- to the landcess and Education Cess of the Taluk Board and which inflated the Revenue beyond the demand has since been detected and deducted. This explains the abnormal revenue under Education Cess entered against item No.1 under the actuals for the year 1923-24.

The figure taken credit for in the Revised Estimate of 1924-25 against the item No.1 is the figure advised by the Collector. Only the normal receipts anticipated each year under education cess amounting to Rs.11,000/- has properly been taken credit for in the Budget Estimate for 1925-26.

As a general revision of scales of pay of all the three grades of teachers of the Board Elementary schools, was made only during the current year 1924-25 the Board has not made any provision for the further revision of the scales of pay during the next year 1925-26.

- (a) . The increased credit taken for, in the revised estimate for 1924-25 against Item NO. 8 (ii) is due to the fact that a sum of Rs.5261/- has been sanctioned by Government towards the payment of Temporary -- allowance to teachers and the subsidy is likely to be adjusted before the end of the official year.
- (b) . This represents the provision made for the payment of salaries and allowances to the two supervisors employed by the board from 1-11-1924.
- (c) . The small increase over the revised estimate is due to the fact that 20 new schools have been opened from 1-11-1924.
- (d) . The increased provision is made in consideration of the entertainment of a peon to the board school Elumalai and of the increased rate of wages sanctioned to the conductresses in girls' schools.
- (e) . Adequate provision is made in this budget for sending up some more students to Government Training school.
- (f) and
- (g) . Adequate provision is made under item ~~towards~~ ^{for} repairs to schools -- buildings and for the construction of new school buildings.
- (h) . The increased provision in the revised estimate is due to the fact that payments are to be made within the close of the current official year for the supply of furniture etc. , sanctioned under "equipment" for the 20 new schools during the current year.
