Station Madras, Dated the 6th January 1925.

From (Name) R. Littlehailes, Esq., M.A.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

Law (Education)

Department.

Sir,

Submitted to Government.

2. The petitioner's first request cannot be entertained at present as the post he now holds in the College of Engineering, Guindy is still temporary. His second request for absorption into the permanent cadre of the P.W.D. is one for that department to consider.

The applicant joined duty in this College on 11-7-23 as
Temporary Laboratory Assistant on Rs 100 & Rs 25. A. T. A.
The Proper channel.

3. The scale of the Instructor in Electrical Engineering
Sir,

of the College is Rs 250 - 400/- 450/-
I beg to bring the following for your kind consideration
and orders.

I am an engineering graduate (B.E. Civil) now working as
the Laboratory Assistant in the Strength of Materials Testing
Laboratory in the College of Engineering, Guindy on Rs 125/-
these Laboratory Assistant.

I was in the Madras Public Works Department as a Tempo-
rary Upper Subordinate from July 1919 to March 1922 when
owing to retrenchment my engagement was terminated. I

again joined Government service in my present post in July 23

so that on the whole I have spent nearly five years in tem-
porary service.

Further the chances of my getting into higher posts are
practically nil as almost all the places are filled by re-
cruitment from Public Works Department.

Under these circumstances I beg to make the following
alternative requests:-

i. I may be made permanent and given a grade suitable
to my technical qualifications similar to what has
been sanctioned to the Electrical Assistant with ef-
fect from the date of my joining.

or

ii. I may be absorbed into the permanent establishment
in the Public Works Department when vacancies occur
and temporary increments to my pay sanctioned in the
meanwhile.

*Submitted for favourable consideration
having regard to his experience and
satisfactory work in the college*

Submitted to the Director of Public Instruction, Madras.

2. The applicant joined duty in this College on 11-7-23 as

temporary Laboratory Assistant on Rs 100 / Rs 25 T.A.

3. The scale of the Instructor in Electrical Engineering

of the College is Rs 250 - 40/2-450.

4. He is in the same position as the Laboratory Assistants

in the Mechanical Engineering and Hydraulic Engineering Laboratories and any proposed increase in pay and the question of confirmation of appointments applies equally to these laboratory assistants.

The second alternative is for the consideration of the Public Works Department.

Under these circumstances I beg to make the following alternative requests:-
1. I may be made permanent and given a grade suitable to my technical qualifications similar to what has been sanctioned to the Electrical Assistant with effect from the date of my joining.

or
11. I may be absorbed into the permanent establishment in the Public Works Department when vacancies occur and temporary increments to my pay sanctioned in the meanwhile.

Submitted for favorable consideration

2. Subsequent to his petition in the file dated 17th December 1924, M.R.Ry.Guruvenkatasubbiah has accepted an appointment in this department as a temporary supervisor on Rs.130 p.m. and he has been posted to the Hydro Electric Surveys sub division. There are already a large number of temporary upper subordinates waiting their turn for promotion to the permanent establishment. It seems M.R.Ry.Guruvenkatasubbiah's request to be brought on the permanent upper subordinate establishment cannot therefore be complied with.

The case may be returned to the Law Education Dept.
