R.C. No. 1064-B/25.

Station Madras, Date the 18th June, 1925

From (Name) R.G. GRIEVE, Esq., M.A., F.R.G.S.,
(Designation) DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,
LAW (EDUCATION) Department.

Sir.

With reference to the Government Memo No. 344 A-1,
dated 6-5-25, I have the honour to submit the following
answers to the several queries of Mr. R. Veerian:-
(a) Under Rule 3 of Chapter I of the rules framed under
Section 42(2) of the Madras Elementary Education Act,
applications for admission to aid for 1925-26, of new schools,
should have been submitted to the Deputy Inspector before
30-9-24. The first report of the opening of the Adi-
Dravida school at Kamalapuram is reported to have been
received by the Deputy Inspector of Schools, Omalur Range
only on 1-2-1925. The school was not eligible for aid

during

(P.T.O)

3
during 1925-26 as the teacher in charge of the school was not professionally qualified and as the accommodation and equipment of the school were quite unsuitable. There was besides no necessity for a separate Adi-Dravida school in view of the fact that the Taluk Board, Sankari, had decided to construct a new school building to afford facilities for the free admission of Adi-Dravidas and it is also reported that the teacher of the unaided school ^{had} left the village.

(b) The application for aid received late during the year, by the Deputy Inspector of Schools, Omalur Range, was not submitted to the District Educational Officer, Salem. The school was, however, visited by the Deputy Inspector of Schools, Omalur and the District Educational Officer, Salem, together, on 10-2-25. The remarks of the District Educational Officer were:- "Visited the school and found 7 children present out of 36 on the rolls. The building is quite unsuitable for a school. It is so dark that it is difficult even to distinguish the children. There is no blackboard or any equipment. It is impossible to recommend the school for admission to aid under the present conditions".

(c) It is reported that the Board School in the locality was held in a rented building in the Agraharam till 1-6-1924 and that with a view to enabling the Adi-Dravidas to enter the school, the school was as a temporary measure transferred to a thatched rented building in the midst of a field on 2-6-1924.

(d) It is reported that there is fairly satisfactory light in the rented building and that the school will be removed to the new building which has sufficient light and ventilation after summer holidays.

I have the honour to be,

Sir,

Your most obedient servant,

Thanes
for Director of Public Instruction.
