STATEMENT OF THE OBJECT AND AN APPEAL ON BEHALF OF THE CIVIL ORPHAN ASYLUMS.

THE MADRAS CIVIL ORPHAN ASYLUMS consist of—

1. The St. Mary's Church Charity School (founded 1715).
2. The Male Civil Orphan Asylum (founded 1807).
3. The Female Civil Orphan Asylum (founded 1810).

The final amalgamation of these institutions took place in 1872.

They are not Government institutions.

Thus since 1715 without a break gratuitous education, board and lodging have been provided for the orphans of Europeans and their descendants who are not eligible for admission into the Military Asylums of the Presidency.

The institutions have thus stood the test of time and continue to retain public confidence.

The necessity, character and scope of the work done are well known throughout the Madras Presidency although the help received is largely confined to the residents in the City of Madras.

In Appendix F* to this report, there will be found a statement of the localities from which the children, actually in the Asylums on March 31, 1924, come. From this analysis it will be seen that 56 per cent come from Madras and 44 per cent from out-stations. Applications are continually being received from the various mofussil stations and these obtain the same consideration as applications from Madras. In return for this consideration the Directors appeal to residents outside Madras to support this institution; and they particularly ask the clergy of the Presidency to bring before their people its claims and to make periodical collections in their churches on its behalf. For financial reasons, the Directors were compelled in 1922 to close the Asylums to fresh admissions and in January, 1923, the number of boys and girls in the Asylums had fallen to the low figure of 117. However, it was resolved to raise the number to 140 and the budget for the year was drawn up with that figure in view. Financially, the year 1923-24 worked out quite satisfactorily as the expenditure

* See page 26.

only exceeded the receipts by a little over Rs. 400. But we have to remember that the expenditure of the year was abnormally low owing to the fact that there was no full-time Principal to pay and that the number of children in the Asylums was small. This coming year (1924-25) we have to face a much larger expenditure. We shall have to pay a full-time Principal and maintain 140 orphans in the school during the whole of the year. The budget for the year estimates a deficit of nearly Rs. 6,000. We therefore ask for increased support from the general public to help us to get through the coming year as successfully from the financial point of view as we did the last. We should like, if possible, to increase the number of orphans maintained here. It is heart-breaking to have to refuse application after application because we have no room (or rather we have the room, but no money to make use of the room).

At present we have the following children on the waiting list, all of them urgent cases, none of whom we can admit at present, as we have only the money to support a certain number of orphans :

(a) 2 boys (Madras). Both parents dead. Living with grand-father who cannot support them.

(b) 1 girl (Madras). Father dead. Mother without any means of support.

(c) 1 boy (Bangalore). Father dead. Mother without any means of support.

(d) 1 girl (Bangalore). Father dead. Mother alive ; income *nil*.

(e) 1 boy (Madras). Father has deserted mother. Mother is working to keep the boy and another child, but cannot provide for them.

(f) 2 boys (Madras). Father dead. Mother alive ; income *nil*.

(g) 2 boys (Saidapet). Father dead. Mother without any means of support.

(h) 1 boy (Villupuram). Father alive. Mother dead, father unable to work ; income *nil*.

(i) 1 boy (Vizagapatam). Father dead. Mother alive; has 3 other children and no income.

(7) 2 girls and 1 boy (Pallavaram). Both parents dead; living with grand-father who cannot support them.

These are genuinely deserving cases of children who should be admitted into the C.O.A. We can only tell them that we have no room now, but may be able to take them in a year or eighteen months' time as vacancies occur.

There are many people in Madras who do not subscribe but who would probably be glad to do so if invited. We are sending this report out to them as well as to subscribers in the hope that they will respond to this appeal.

Donations and subscriptions should be sent to the Principal Madras Civil Orphan Asylums, Kilpauk, Madras.

Summary of Principal's Report for 1923-24.

EDUCATIONAL DEPARTMENT.

As far as the educational side of the school was concerned, the year 1923-24, was rather in the nature of a transition period and, on that account, unsatisfactory as all transition periods are. In accordance with the recommendation of the Inspector of European Schools, the High School classes were suspended from April 1, 1923. Miss Lloyd, the Head-Mistress, resigned her appointment and went home in May. Her place was not filled, but Mr. R. J. Jordan, the First Assistant, was appointed acting Head Master until such time as the Principal should come on the establishment as full-time and take over the duties of Head Master.

The only change in the staff during the year 1923-24, was that Mr. Evans resigned in February, in order to go to Sanawar for training, and Mr. G. Eling was appointed in his place. Miss Wilson, the Kindergarten Mistress, changed her name to Mrs. Evans, but still remained on the staff.

The Inspector's report was not good and could not be under the circumstances. We had, however, the satisfaction of seeing the only candidate, whom we sent up for the Middle School Examination, pass, viz., H. N. Parrie. In February 1924, he continued his studies in VIII Standard at Bishop Corrie High School whilst continuing to board at the C.O.A. In January 1924, the Manual Training room, built by Government some two years ago, was put into use. Government were unable to supply us with a full-time Instructor, as was intended when the building was first projected. An instructor was sent one day a week. It is felt that this arrangement is not satisfactory and that full use is not being made of the opportunities for manual training now offered by the possession of a well-equipped centre. Endeavours are now being made to obtain the services of a full-time Instructor.

SPORTS.

Consequent upon the suspension of the High School classes, we were not so successful in sports as in the previous year. But the boys performed very creditably at hockey against neighbouring schools, and the girls distinguished themselves

at the European Schools sports. They lost the championship shield by only a few marks; they won the Relay Race shield, and Florence Moore carried off several individual prizes.

SCOUTS AND GUIDES.

Our thanks are due to Captain Guthrie for all the trouble which he takes with the Scouts. He is now living quite close to the school and the scouts have spent many a happy and useful afternoon at his bungalow or out with him on expeditions.

The Girl Guides have been in charge of Miss McConechy who has proved a most energetic and inspiring leader.

DOMESTIC DEPARTMENT.

In the Domestic Department there has been no change on the staff. But an important change has been made in the arrangements for the supply of food to the Asylums. Hitherto, food had been supplied by a contractor on a yearly contract. When the contract expired at the end of 1923, a Quarter-Master Sergeant was brought on to the strength of the school, whose sole duty was to purchase and issue supplies. The new system has proved more economical even with the extra expenditure caused by the Quarter-Master Sergeant's salary, and has considerably improved the quality of food supplied.

BAND.

The School Band performed with great credit during the year and took on more outside engagements than ever before. Amongst the functions at which they played, were the following; Indian Christian Reception to the Metropolitan at Tucker's Church, Broadway; European School Sports; Eversleigh Boys' Club Sports; Collegiate School Fête; Anglo-Indian Association Anniversary Celebrations; Madras Race Club (3 occasions); Reception to H. E. Lady Reading at Ladies' Recreation Club; entertainment at S. Thomas' Mount Golf Club; National Baby Week; Christ Church Fête; Buckingham Mills' Sports; Medical College Athletic Club Sports; Anglo-Indian Association Reception to H. E. the Governor; Birthday Celebrations of H. E. Lady Willingdon; several functions at the Ladies' Recreation Club and Cosmopolitan Club and various garden parties. Great credit is due to Sergeant Carr for the efficient state of the band.

The following is an extract from a letter received by the Principal from one who heard the band play at a function: 'I heard the C.O.A. Band playing . . . last week and congratulate you on its smart appearance, excellent behaviour, and musical efficiency.'

FINANCE.

The expenditure for the year exceeded the receipts by Rs. 412-9-3. The receipts totalled Rs. 66,784-10-1 as against Rs. 65,089-10-7 for the preceding year. Government grants brought in Rs. 24,234-8-2 as against Rs. 24,755 in 1922-23. Subscriptions and donations were responsible for Rs. 6,060-3-5 compared with Rs. 6,622-10-3 in 1922-23. Amongst the latter, we must mention Rs. 282 being the proceeds of a concert organized by Mrs. Craven in November, 1923, and Rs. 200 from the Scotch Kirk out of the proceeds of their Annual Sale. On the expenditure side, the total was Rs. 67,197-3-4 as against Rs. 63,317-9-6 in 1922-23.

The expenditure on the educational staff was lower, Rs. 15,598-0-5 compared with Rs. 16,710-15-10; but the expenditure on boarding was higher (on account of the increased number of children maintained), Rs. 25,097-1-10 compared with Rs. 24,193-2-4. Repairs to buildings alone showed a considerable increase, Rs. 2,588-1-6 as against Rs. 1,175-2-4.

DIRECTORATE

During the year there were many changes in the Directorate. Both the Government Directors, the Hon. Sir W. B. Ayling and Mr. C. R. M. Schmidt, resigned owing to their departure from Madras, as did Messrs. A. P. Symonds, W. A. Turner, the Hon. Sir Francis Oldfield, the Rev. D. F. MacKenzie and Mr. F. G. Smith for the same reason. Their resignation was received with great regret as all had taken a deep interest in the Asylums and had helped it in numberless ways. In their places, the Hon. Mr. Justice W. W. Phillips and Mr. E. H. M. Bower were appointed by Government and Messrs. R. C. Bristow, R. A. Carson, H. R. Holme, S. Ramsay Unger, and A. G. Moore were elected. The Ladies' Committee, of which Mrs. Legh was Honorary Secretary, did much valuable work during the year particularly in connection with the children's clothing.

Mr. W. H. Ruddle continued to act as Honorary Treasurer during the greater part of the year and resigned in February, 1924, on account of his departure on leave. Mr. S. Ramsay Unger consented to succeed him but was unable to take up the office immediately and so Mr. A. J. Rebeiro acted for him during the month of March. The latter also acted as Honorary Secretary during the whole of the period under review.

FÊTE

The Ladies' Committee, under the leadership of Mrs. Waller, organized a Fête with a view to increasing the endowments in February. It was a very successful and enjoyable function. Rs. 2,750-13-4 was realized and invested in Government Paper. The Ladies' Committee have undertaken to organize a similar fête this year.

WITHDRAWALS

During the year, the following boys and girls were found employment: William Browne at Messrs. Oakes & Co., Georgina Lincoln as a nurse probationer at the General Hospital, Frederick Rouse, George Stevens, and William Gentle as signallers on the M. and S. M. Railway, George Farville at the Diocesan Press, Isabella Rozario as a child's nurse. The following were withdrawn by their parents or guardians; Alfred Nelthropp, Henry Lincoln, Charles Church, Percy Lofthouse, Mabel Fraser, Mary Sherer, Muriel Bindle, Josephine Beck, Marjorie Gardiner.

VISITORS

The Metropolitan visited the school on July 30, 1923, and wrote the following remarks in the visitors' book: 'It has been very interesting to me to visit these schools and see something of their work. It is sad that numbers have had to be reduced, as it means that some boys and girls must lack the education they so much need. That the school has ceased to be a High School is to my mind less to be regretted for my experience leads me to believe that a really efficient vocational school is the best type of school for these children. The singing seemed to me good and the school is fortunate in possessing a band which performs most creditably.'

Her Excellency Lady Willingdon paid her last visit to the school on January 3. Many of our own children were away

for the holidays, but we had 60 children from the Lawrence Memorial School staying here. Lady Willingdon inspected the children, went over the buildings, and watched with great interest a display of swimming by our own girls and boys. Lady Willingdon was our Patroness; she always took the keenest interest in the school; and we shall miss her very much. We are glad to be able to say that Her Excellency Lady Goschen has very kindly consented to succeed her as Patroness.

During the year the two Asylums were visited on many occasions by the Directors, Directresses, members of the Ladies' Committee, and others. We are always very glad to see visitors. If people take the trouble to come here, it means that they are taking an interest in the school.

PRINCIPAL

The Rev. C. E. Sell, who as Garrison Chaplain had acted as Principal after the resignation of the Rev. A. Price, handed over charge in the middle of May, 1923, to the Rev. T. H. Butlin. The latter, who was still carrying on as Incumbent of Christ Church, was appointed Principal whilst the Rev. C. E. Sell continued to perform the duties of Chaplain. This arrangement continued until July, 1924, when the Rev. T. H. Butlin was relieved of the Incumbency of Christ Church, and came on the strength of the C. O. A. as full-time Principal.

APPENDIX A

Annual Concise Report of the Hospital attached to the Civil Orphan Asylums, Kilpauk, Madras, for the 1923-24.

General Health.—The general health of the institution was very satisfactory.

There were 224 admissions in the in-patient department with a daily average of 5.28 against 181 admissions with a daily average of 5.3. The increase is due to the influenza epidemic which was prevalent in the Civil Orphan Asylums during November and December, 1923. The number of admissions during the few previous years were as follows:—

	No. of admissions	Daily average
1922-23	181	5.3
1921-22	168	4.57
1920-21	326	8.37
1919-20	254	5.54
1918	325	7.18

Of the 224 admissions during the year under report, seventy were for influenza, three for mumps, sixteen for diseases of digestive system, fifteen for diseases of connective tissue, seven for pyrexia of unknown origin, twenty for diseases of eye, twenty-nine for skin diseases, ten for local injuries and the rest for other minor ailments.

Seven children were sent to other hospitals for treatment against three in the previous year.

Of those seven cases, three were of diseases of eye, two of adenoids, one of enlarged glands in neck, and one of disease of digestive system.

There were no deaths among the children of the institution. 1,573 children were treated in the out-patient department for various minor ailments against 593 in the year previous.

Diet.—The revised scale of diet is being continued.

Hospital Building.—The main building and the two isolation sheds were in fairly good state of repair. The annual lime-washing has been done during the year.

Epidemics.—The epidemics during the year were influenza—prevalent during November and December, 1923, seventy cases occurred. All were treated in this hospital and recovered with out any complications.

Mumps.—Only three cases of mumps occurred during March 1924. All the cases were isolated and treated in this hospital.

Cost of Medical and Surgical Supplies.—Rs. 579-13-0 was paid as cost of medical and surgical supplies received from the Government Medical Stores.

Captain P. Verdon, I.M.S., acted as the Chief Medical Officer of the institutions from 1923 to January 1924, when Major R. E. Wright, B.A., M.D., D.P.H., I.M.S., returned from leave and took over charge.

Civil Assistant Surgeon S. G. Hussain Sahib Bahadur, L.M.S., continued to be in sub-medical charge till June 11, 1923, when he was relieved by Civil Assistant Surgeon E. A. Varada Iyer, L.M.S., who also was transferred and was relieved on December 12, 1923, by Civil Assistant Surgeon V. N. Benegal, L.M.S.

Nurse Mrs. P. Brown was attached to the hospital during the year and her work was satisfactory.

General Remarks.—The sanitation of the Asylums is bad. Advice has been obtained from the Director of Public Health and other sanitary authorities with a view to improving it.

It is impossible to make satisfactory arrangements whilst the Asylums are in financial difficulties but the work of improving the sanitation has been taken in hand.

This opportunity is taken to thank the several ladies and gentlemen who have helped with gifts and advice to improve the condition of the sick children of the hospital, and also those medical officers of the General Hospital who were kind enough to treat the children of these institutions when they were sent there.
