Question.

Mr. H. Gangarezu.

THE LAW (EDUCATION) DEPARTMENT.

1054. Will the hon. the Minister
for Education be pleased to state whether
there is any ^{public} examination ^{in vernacular printing} ~~organised in the~~
~~vernaculars for the Printing?~~ If the
answer be in the negative, ^{can} ~~will~~ he ^{kindly} arrange
^{being included} one in the list of the Government Tech-
nical Examinations?

S.R.

C. No. 2628 B.

The list of subjects in which Government Technical examinations are held is printed on page 5 of G.O. No. 1769, dated 20-12-23. Under the head 'Letter press ~~and~~ printing', there are examinations in Compositor's work, Proof reader's work, Press work and Machine work. The detailed syllabuses in these subjects are ~~in~~ G.O. No. 755, dated 1-6-23. From these syllabuses it does not appear that there is examination in vernacular printing in connection with compositor's and proof reader's work. The syllabuses of Government technical examinations were revised last year. If there was demand for separate examination in vernacular printing the committee which revised the scheme of Government technical examinations would have provided for it. The Commissioner for Government Examinations may be consulted ⁱⁿ regard to the answer to be given to the question.

U.O.Reply No. 73/El. Dated 30-9-24.

I have never received any request for examination in these subjects in the vernacular. If there is a demand, however, there is no obvious reason why it should not be met. I suggest therefore that Government reply to the question somewhat as follows:-

- (a) No; *suggestion*
(b) The ~~matter~~ will be considered.

I suggest that Mr. Gangarazu be requested by Government to furnish the Commissioner for Government Examinations with his suggestions in this regard.
