From (Name) R.G. Grieve Esq., M.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir.

I have the honour to address Government ^{on} the
question of the travelling allowance admissible to --
officers of this department who are deputed for training.

Rule 100(a) of the Madras Travelling Allowance
Rules, issued in G.O.No. 739 Finance dated 1st September
1922, lays down that a Government servant deputed to
undergo a course of training may draw travelling allowance
in accordance with the Rules for Journeys on transfer.

On the other hand, Rule 121 (b)(ii) of the Madras Educational
Rules (VI Edition) states that officers deputed by the
Director for training are eligible for the same rates as
those prescribed for private students in clause i of Rule
121 (b) Madras Educational Rules (VI Edition). I have the

honour, therefore, to request that Government may be pleased
to inform me whether ~~the~~ clause ii of Rule 121 (b) Madras
Educational Rules (VI Edition) may be deleted, as it is not
consistent with rule 100 (a) of the Madras Travelling
Allowance Rules.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction

C.No. 1404 C. From the Director of Public Instruction,
O.C.No. 642 D/25, dated 2nd May 1925.

Subject : - Madras Educational Rules - Rule 121 (b) (2)
- Travelling allowance of ^{Govt.} Educational offi-
cers deputed for training.

A.S.

The Madras Educational Rules approved in 1906 con-
tained the following provision for the payment of travel-
ling allowances to teachers in Government institutions
selected By the Director of Public Instruction for
training.

"Teachers employed in Government, Local or
Municipal Schools who are required to receive a course
of training shall be entitled (subject in the case of
the second and third classes to the sanction of the
Board or Municipal council concerned) to draw travel-
ling allowances from Provincial or Municipal Funds, as
the case may be, for a single journey on joining and
leaving the training institutions, at the rates ad-
missible to the classes to which the teachers belong
defined in Civil Service Regulations."

2. In 1908 it was brought to the notice of the
Government that the grant of travelling allowance to
students under training required according to the
Civil Service Regulations, since modified, the sanction
of Government in each case. The Government of India
were accordingly requested to empower the Local Govern-
ment to delegate to the Director of Public Instruction
the power to decide the amount of travelling allowance
admissible to teachers in Government institutions selec-
ed for training. The Government of India having sanc-
tioned the delegation, the relevant rules in the Madras
Educational Rules were altered as follows: --

"The ~~xxxx~~ salaries and travelling allowances of
teachers employed in schools under public management
who are selected to undergo training (including studen-
selected with a view to employment in such schools)
shall be settled by the Director of Public Instruction
the President of the local board or the chairman of
the municipal council, as the case may be."

3. In the revised draft of the Educational rules sent up in 1923 the Director of Public Instruction proposed the following rules : --

"112(b) (1) Private students ~~are~~ selected for training with a view to employment in schools under public management are allowed mileage allowances for joining the training institution. Collegiate and Secondary students will draw travelling allowance in accordance with the rates admissible to Government servants in Grade XV in Annexure I of G.O.No. 739 Finance, dated 1st ~~Sept~~ 1922, and elementary grade students those admissible to Government servants of the lowest grade".

" (2) Officers deputed by the Director to undergo L.T. or secondary training will be allowed the same rates as those laid down in clause (1) above".

These rules were approved by the Government.

4. In proposing rule 112(b)(2) above, the Director of Public Instruction evidently thought that it was unnecessary to allow teachers in Government schools more liberal treatment than was allowed to teachers in private schools. He now enquires whether in view of Rule 100(a) of the Madras Travelling Allowance Rules which provides for the grant to Government servants deputed to undergo training of travelling allowance ~~as for journeys~~ on transfer, rule 121 (b) (2) of the Madras Educational Rules may not be deleted. Under the rules regulating travelling allowance for journeys on transfer an officer is eligible to draw.

- (1) Double the Railway fare of the class to which his grade entitles him.
- (2) Travelling allowance for members of the family that accompany him.
- (3) The cost of transport of personal effects.
- (4) Mileage for journeys by road ~~as for journeys~~ according to prescribed rates.

The question is whether it is necessary to grant the liberal concessions detailed above to teachers in Government employ who go up for training. The file may be forwarded to the Director of Public Instruction for remarks as to what rate of travelling allowance he was allowing to the teachers in question

U.O. Reply No. 642.0/25 dated 12.6.25

It was by an oversight that the question was not considered at the time of the revision of the Madras Educational Rules in 1923-24. Before the revision of the Madras Educational Rules the rates laid down in G.O.No.428 L.E., dated 5-4-1922 were allowed in the case of Government officers.

As regards the need for the concessions referred to in rule 100(a) of the Travelling Allowance Rules the present reference was primarily made with a view to removing the inconsistency between rule 100(a) of the Travelling Allowance Rules and 121(b(2) of the Madras Educational Rules. If the practice referred to above is continued, rule 100(a) of the Travelling Allowance rules will remain inoperative so far as the Educational Department is concerned. One rule or the other should be abrogated. There seems no reason why any Government servant referred to in rule 1 of the Madras Travelling Allowance Rules should be deprived of the privileges accorded to him by rule 100(a) of the Travelling Allowance rules. It does not seem equitable to make a distinction in this respect between educational officers deputed to undergo

training

training and officers of other departments. Of course item (2) referred to in para 4 of the Secretariat note will not in practice be claimed as students deputed for training will ordinarily reside in the hostel and will not be accompanied by the members of his family.

Law (Ed. 2) Dept.

The rates have been drawn in Q. 6. No. 428 Ed. 1) 5th April 1922 ^{was meant to apply} ~~applied only~~ A to Private Students. The D. P. S. says that he was adopting them in the case also of teachers in Govt. institutions selected for training. It follows that in practice ^{p. 3 ante} ~~teachers in Govt. institutions and~~

Private Students selected for training have been treated alike. ~~Of other officers~~ ~~of Govt. who are sent for training are brought under the Madras Travelling rules, there may not be good reason for granting the concession to Ed. 2 officers. Finance may offer their remarks on the proposal.~~
