TO: The SECRETARY to the GOVERNMENT OF MADRAS,
Education Department.

Sir,

I am directed to transmit, for the information of the Government of Madras, copy of a letter, which has been received from the Government Scholar, Miss L. Philipsz, regarding her claim to transit allowance whilst travelling from India to this country. It is presumed that this refers to allowance to which she may be entitled in respect of her standing as a Government servant, a matter about which a communication has already been addressed to the Director of Public Instruction, Madras, on January 22nd last.

2. I am to add that no instructions on the matter appear to have been received by this Office, as suggested by Miss Philipsz.

I am, Sir,

Your obedient Servant,

TO: The Joint Secretary to the
High Commissioner for India
London.

Dear Sir,

When we left Madras, we were told that our allowance for the days we were travelling between India and England would be paid to us here, and I have heard since that the Government of Madras was arranging or had arranged with your Office to disburse the amount to us here.

Would you be so good as to let me know whether you have received any instructions on this matter. If not would you kindly refer to the Accountant General, Madras, about it as early as you can, for the payment must be made before the close of the financial year, 31st March.

I should like to mention that apart from the actual amount which will be very useful to us here, unless we are paid for that period between the date of our leaving India and that of our arrival here, there will be a break in our service for that period. In view of this, may I request that you will treat this matter as very urgent.

Thanking you,

(SD/) L. Phillipsz.

It may be made next year.

During the period, from the date of relief here of the two scholarship holders to the date on which they report their arrival in England, they should either be granted their pay, or their scholarship should begin from the date of their relief here. The pay of Miss Nallamuthu and Miss Philipose is Rs. 300/- and Rs. 200/- respectively, while the amount of scholarship is Rs. 300 per annum or Rs. 25 per mensem. Thus it is cheaper to allow them to

The A.G. enquires what allowances will
be allowed to the two lady officers, who were
granted scholarships for study in England
in G.O. 773 Law (Edn) d. 12.5.24, during the
period of transit to England. Law Dept.
propose to allow their pay during the transit
period as it will be cheaper than to grant the scholar
ship.

Attention is solicited to para 10 of G.O.
773 Law (Edn) d. 12.5.24 wherein it has been
laid down that the period of deputation of the
scholars will count towards leave, promotion
and pension. Under F.R. 9 (b) (i) the local Govt.
may issue orders declaring that during a course
of instruction or training a Govt. servant may
be treated as on duty. But when the course

of instruction or training is to be out of India, it seems necessary that the sanction of the Secretary of State should be obtained - vide F.R. 50. It does not appear that such sanction has been obtained either in the case of the officers deputed last year or in the case of the two lady officers deputed this year.

No - because sanction is not necessary as they are not treated as being on duty. They get no pay.

G.O. 732 Law (Edn) 24-5-23

G.O. 773 Law (Edn) 12-5-24

3. As regards the question on hand viz. the grant, to the two lady officers deputed this year, of their pay during the period of transit, this Dept. may perhaps agree with the proposal of Law to allow only the pay of the officers.

No. 98v

4. Law Dept. may be requested to obtain the sanction of the Secy of State in the matter of the deputation of the officers and the grant of their pay during the period of transit and of scholarship during their stay abroad.

Not necessary as the H.G. apparently does not object. He does not treat the deputation as

25/6/24. One, the ladies is on a 3 years' course. The other on a one year course. One is got Rs 300/- per year for 3 years. The other Rs 300/- for one year. The scholarships may have effect from the date in which they hand over charge in India.

It will avoid any complications about 'deputation' etc. Probably one year or 3 years from the date of handing over charge. In the case may be, will be sufficient for the purpose required. If the course demands more than two months more. I don't think that the young ladies would have any cause for complaint if they received no allowances for that period. However, the case, if it arise, might be met by granting them leave.
