Copy of letter from the Secretary, Missionary Education Council, dated 31st December 1924.-

I have the honour to forward to you herewith the report of the sub-committee of the Missionary Education Council of South India which had the supervision of the schools belonging to the former Leipzig Mission. By means of this report you will be able to see which of those schools is now being supervised by the Church of Sweden Mission, and which by the Tamil Evangelical Lutheran Church. Those called Mission in the list refer to the former management, and those called Church to the latter.

I presume that this is the final report which this Council is called upon to make in regard to these schools formerly managed by German Missions, since according to G.O. No. 1597 dated 16th October 1924 Government has approved of our proposal that the management of the schools concerned be transferred to the Missions concerned.
