Sir,

In resubmitting herewith the letter of the President, Taluk Board, Salem, Ref. No. 11/Govt./24, dated 28th January 1924 (with its enclosures) referred to me for remarks with Government Endorsement No. 3901 L and M., dated 11th February 1924, I have the honour to state that the District Educational Officer, Salem who was asked to obtain and submit full details of a scheme has submitted proposals for the introduction of weaving in the Board Elementary schools at Athampet and Peddanaickampalaiyam.

2. It is reported that 50 pupils are likely to receive instruction in the former school and about 25

in the latter.

3. Mr. Porrett to whom the schemes were referred for remarks does not recommend the scheme relating to Peddanaickampalayam where there are only 10 pupils belonging to standards IV and V. It is proposed to divide the 50 pupils belonging to Attiampatti into 5 batches for purposes of instruction each batch receiving half a day's instruction per week.

4. The recurring and non-recurring charges amount to Rs. 450 and Rs. 600 respectively as per details noted in the margin.

6. Of the two schemes submitted by the District Educational Officer, I would recommend only the scheme relating to Attiampatti for acceptance. At the same time I am not prepared to advise that Provincial funds meet more than one half of the full cost.

7. As regards funds, I beg to add that no funds have been provided in the current year's budget for new schemes from which the expenditure required in this case can be met; nor am I able to point out any other source at present from which the expenditure in question can be met.

The D.P. D. recommends the
introduction of vocational education
in the school at Athampet only &
recommends only half grant for
the scheme from provincial funds.
At the same time he is unable
to find funds in the current year
for giving effect to the scheme.
Provision has therefore to be made
only in the next year's budget
if the scheme is to be accepted
(by the Govt.) as recommended by the D.P. D.

under consideration.

remarks of the D.P. D. & remit
the file to the Law (Edu) Dept. for

Under the rules relating to grants for manual training a grant in excess of one-half of the cost may be given towards the non-recurring expenditure of the scheme if the local body is unable to contribute one-half of the cost. The Salem Taluk Board's normal budget closes with a deficit. The payment of a grant to cover the whole of the initial cost would seem to be justifiable in this case. If L.S.G. agrees, the question may be further considered after funds are provided for manual training ~~schemes~~ schools. The file may be sent to L.S.G.

The Budget of the Taluk Board for 1925-26 is expected to close with a balance of Rs. 8650 under the Genl. account (Revenue and Capital). The Salem T. Board has, since the issue of order G.O. No. 2396297, dated 29-8-24, ^{renewing} resolved to make a contribution of Rs. 5,000 towards the maintenance of the roads under the Salem Taluk Board and the deficit of the latter will therefore be converted into a surplus of Rs. 1190 or 3.5 of the estimated receipts. It does not seem necessary to pay a ^{excess of} one-half towards the non-renewing charges of the class.
