From (Name) T. S. Muthukumarasami Mudaliar and
(Designation) Chairman, Municipal Council,
Tiruvannamalai.

To The Secretary to the Government of Madras,
Law (Education) Department.
Madras.
Sir, Through, The Director of Public Instructions
Madras.
And
The District Educational Officer, Vellore.

I have the honour to state that this Council
is getting a recurring subsidy of Rs 492/- every year
towards Secondary Education from a very long time (i-e)
for more than 18 years ~~when~~ the Council was maintaining
an incomplete Secondary school. As the school has since
been raised to a complete high school, it is but reasonable
that this Council should get enhanced subsidy. The Council
in Resolution No 2 Dated 10-2-25 resolved to request the
Government to bear the full cost of the teaching staff

239

which comes to Rs 10140/- and a copy of the same is
herein enclosed. It is therefore requested that
the Government will be pleased to view this application
favourably and enhance the usual recurring subsidy
to an amount equal to Rs 4000/-

I have the honour to be,

Sir,

Your most obedient servant,

[Signature]
Chairman.

Station Madras, Date the 25- 6- 25 192

From (Name) R.G. Grieve Esq., M.A.,

(Designation) Ag. Director of Public Instruction
Madras.

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

Letter to Government Ref. No. 73 Sup/24 dated
11- 3- 25 from the Chairman, Municipal Council,
Tiruvannamalai.

**

Submitted to Government.

2. The Municipal Middle School, Tiruvannamalai,
was raised to a high school on the definite understand-
that the council would meet the extra expenditure on
account of the higher forms- please vide G.O. No. 1934
L and M dated 14- 10- 22. As the Municipal Council
opened the high school forms on their own responsibility
at their own cost there is no case for a subsidy.
3. Another reason adduced by the Chairman for

-2-
for claiming an enhanced subsidy is that the net cost of almost all public institutions is generally borne by Government. This is contrary to actual facts. Government bear the net cost- whole or partial- only of those institutions which were opened on that understanding, or which could not be maintained by the Local Bodies managing them on account of their unsound financial position. The Municipal High School, Tiruvannamalai, does not come under either of these categories.

4. I obtained from the Chairman statements of receipts and charges of the school for the last 3 years. It is found therefrom that the average net expenditure of the middle school department for the last 3 years is Rs.1,231/- and that for the high school department is Rs.2,936/- exclusive of the capital items of expenditure incurred during 1923-24 and 1924-25. The average net expenditure for the whole school, therefore, is Rs.4,167/-. The financial condition of the municipality as evidenced by its Administration Report for the year 1923-24 is sound, having apparently improved since the date of G.O.No.1934 L and M dated 14-10-22. The council can well meet this expenditure from its own funds.

5. In these circumstances, I do not recommend the Chairman's request for enhanced subsidy for the Municipal High School, Tiruvannamalai.

C. No. 1649 B From the C.M.C.
Tiruvannamalai Ref. No.
73 Sup/24 D 11.3.25.
Subject. Municipal high
School, Tiruvannamalai-
Enhancement of subsidy.

a.s.

26 of B
The Municipal Council, Tiruvannamalai, receives at present a fixed recurring subsidy of Rs. 492 for the middle school deptt. of the Municipal high school at Tiruvannamalai. In 1921 in spite of the fact that its finances were unsatisfactory the Council opened form IV in the middle school and opened V & VI forms in the succeeding years. In G.O. No. 1934 L & M D 14.10.22 the Govt approved the action of the Council in having opened forms IV & V ~~in the middle school~~ provided the extra expenditure was met ~~for~~ by the Council from its own funds.

2 The Council now ^{states} ~~requests~~ that the ~~entire~~ net cost of

of the high school forms should also be met by Govt and request that the subsidy paid at present may be raised to Rs. 4,000. The D.P.I. however, does not recommend the Council's request. The general question of evolving certain principles in regard to the grant of these subsidies is separately under consideration. It is ~~submitted that this case may lie over till a decision is arrived at on the above question.~~ ^{depending whether pending?} ~~the financial~~

(CPA) condition of the municipality 16.7.25 may be examined in L.S. 9 to ascertain whether it is in need of add. assistance ^(in maintaining the high school) at the hands of Govt.

19.7.25 V.T.K. 18.7.25

I think we should agree with the D.P.I. We cannot have our hands forced in this way. V.T.K. 20.7.

That forms IV & V were instituted this year on the understanding the M.C. would bear the expenditure - the cost of maintenance is indeed heavy but cost being Rs. 4167. Increased subsidy under

CF

the grant in aid system is admissible as in the case of aided schools. The principle is being examined in other files.

The financial condition of the M.C. is not known exactly, though the D.P.I. suggests the finances are good - we may know more fully about the finances of the M.C. by the end of the year.

20.7.25

Submitted the file may be referred to L.S. 9 as directed by the Hon. the Member above.

the D. B.'s share of its total income properly to that of every year with the result that the help contribution due to the cl. is withheld. The last column of the sheet on the previous page shows the correct financial position of the cl. ~~as it~~ as it will be if the cl. had paid the D.B.'s share of total income & received the help contribution. It will be seen from the figures that the Council is quite able to maintain the high school without the help of any ~~extra~~ addl. subsidy from Govt and yet has been able to work at a surplus of not less than

Rs 500 per annum. The cl. has also been able to wipe off a deficit of Rs 28844 on 1.4.1922 & managed to close with a credit balance of Rs 1393 on 31.3.1924.
