Sir,

ENCLOSURES

SPARE COPIES

I am directed to invite the attention of the Government to the following clause under rule 1 of the Public Service notification, published at page 35 of the Fort St. George Gazette, Part I-B, dated 15-1-24.

"Persons not being natives of India who have passed no public examination and natives of India who have not attended any secondary school will be eligible if they satisfy Government that they have received an education at least up to the standard of the late Upper Secondary Examination or the Matriculation Examination".

- I am directed to suggest that the Government should delegate to the Staff Selection Board the decision whether persons of the class named have received education of the standard referred to in respect of persons applying for appointments for which the Staff Selection Board has been called upon by the Government to make selections.
- In view of the fact that the Upper Secondary Examination has not been held since 1910, I am directed to suggest that the Government should prescribe for purposes of comparison some standard of education which is now given generally in the Madras Presidency such as that indicated by the possession of a completed secondary school leaving certificate.

From (Name) R.G. Grieve Esq., M.A.,

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir, In resubmitting herewith the enclosure received along with your endorsement No. 1553 B-25-1, dated the 22nd June 1925, I have the honour to state that I see no objection to the delegation proposed in para 2 of the Secretary's letter as the Director (Commissioner for Government Examinations) is on the Board. It may be pointed out, in this connection that in Article I of the Public Service Notification at the end of the list of Examinations accepted by Government for the purpose of the Notification, it is stated as follows:-

portion mentioned on
p. 34 of the Gazette

"The cases of persons who have passed other examinations of a similar character may be referred for the special orders of Government"

If the delegation now asked for, by the Secretary, Staff Selection Board is to be sanctioned, it may be

extended to cases covered by the above, as otherwise there will be an apparent anomaly. While the cases of the better class of persons who have passed some examinations have to be considered by Government, those of an inferior class could be dealt with finally by the Secretary to the Staff Selection Board.

I accept the suggestion contained in para 3 of the Secretary's letter.

I have the honour to be,

Sir,

Your most obedient servant,

A Rama Ray

for Director of Public Instruction.

Endorsement to the D.P.I.No. 1553 B-1, dated 22-6-25.

(C. 1882 B)

From the D.P.I.R.O.C. 1075 C/25, dated 20-7-25.

Subject : - Public Service Notification - Article I -
Amendment.

The functions of the Staff Selection Board are laid down in paragraph 4 and Part II of G.O. 76 Public dated 6th February 1924. The activities of the Board are at present limited primarily to the selection of candidates for all Government offices in the Madras city, but they have been extended to a certain extent since. The appointments for which the Board has so far been allowed to select candidates are : --

- (1) Clerks and typists for the several offices in the city.
- (2) Sub Inspectors and Inspectors and Sergeants of the Police department in the City and Dy. Supt. of Police
- (3) Supervisors, mechanics and weaving superintendent in the Department of Industries.
- (4) Deputy Surveyors, Head Surveyors and sub assistants in the Survey department.
- (5) Sub Assistants, Assistant Inspectors and Fish curing yard officer in the Department of Fisheries.
- (6) Assistant Registrars of Cooperative Societies.

The request of the Staff Selection Board now is : --

(i) that it may be granted power to decide in respect of persons applying for appointments under its control whether persons of the class named in the extract of the Public Service Notification given below have received education of the standard referred to therein:—

"Persons not being natives of India who have passed no public examination and natives of India who have not attended any secondary school will be eligible if they satisfy Government that they have received an education at least up to the standard of the late Upper Secondary Examination or the Matriculation Examination".

(2) It also suggests that as the Upper Secondary Examination has not been held since 1910 some other educational standard may be prescribed for comparison of the candidate's attainments. The D.P.I. to whom the representations were referred states that as the D.P.I. (Commissioner for Government examinations) is on the Staff Selection Board the delegation proposed in (1) may be sanctioned.

He also agrees that the educational standard which is to replace the Upper Secondary Examination in the rule may be the possession of a completed S.S.D. certificate as suggested by the Secretary, Staff Selection Board.

Besides the above, the D.P.I. recommends a further delegation to the Board i.e. the power to decide the eligibility for Govt. appointments of persons who have passed examinations other than those enumerated in Public Service Notification 1(5). The reason urged for this delegation is that otherwise the anomaly will arise that in the case of candidates who have passed some examination the Govt. would determine their eligibility, while in the case of totally unpassed men the power, if the delegation now proposed by the Staff Selection Board is sanctioned, will rest with the Board.

The Staff Selection Board is only of recent origin and their activities are only developing. It is also not known when the Body was constituted in 1924 whether any such delegations were contemplated. It is for orders therefore whether before the proposal is further considered the remarks of the Public department may be invited u.o.

There seems no harm in accepting the proposals of the Board & of the D.P.I. The Board is strong enough & the cases
