Letter from the Principal, College of Engineering, Guindy
R.C. No. 1834/25, dated 10th August 1925, to the Director of
Public Instruction.

I have the honour to request permission to send 21 Mechanical
Engineer students to inspect the Tata Hydro Electric Station at
Khandala, Bombay Presidency and the Iron works at Badravathi and the
Gold mines at Kolar, the two latter situated in the Mysore Province
Mr. J. Webster, Instructor in Mechanical Engineering and M r.K.
Sukumaran, Electric Laboratory Assistant will accompany the party.

Similar inspections have been made in previous year. As it is
found that the railway fare between Khandala and Madras Via Bangalore
is practically the same (in fact it is Rs 4 less) as the fare by the
direct route, the works in the Mysore province have also been included
for visits this year.

The cost will be met from the budget allotment of this college
for the current year. Permission for similar inspections have been
granted before in your Proceedings Dis. No. 5003/21, dated 8th
September 1921 communicating G.O. No. 1232 Law (Education) ^(c)
dated 2-9-21 and Dis. No. 3506/23, dated 30th August 1923
^(U) communicating G.O.No. 1208 Law (Education) dated 28th August
1923.

I request that early orders may be issued to enable me to
make the necessary arrangements for the inspections. It would
be convenient if the party goes out on the 3rd September.
