(D) 84. Read G.O.No.724 dated 7th May 1925, refusing to reconsider the orders passed in G.O.No.1725 Law Edn. dated 8th November 1924 regarding revision of pay of Tirupur Municipal High school staff.

(E) In accordance with para 2 of the Government order, temporary allowance was originally sanctioned and paid to all the teachers and other Municipal staff. As per G.O.No.780 F dated 28-8-1920, the above allowance was amalgamated with pay, and fixing the amount so arrived as the initial pay, a progressive scale of pay was sanctioned which is now in force. It is therefore resolved that the Government be again requested to reconsider the question and sanction the pay and the war allowance due thereon as net cost.

Resubmitted with reference to Government

Endorsement No. 1523 B-1 dated 7-7-25.

2. Since the Municipal Council, Tiruppur, revised the scale of pay of the teachers with effect from 1-7-22, the temporary allowance ~~was~~ not ~~been~~ taken into account in the calculation of net cost subsidy for 1922-23 and 23-24 on the ground that the sanction of Government was not obtained for merging the temporary allowance in the revision. The net cost subsidy to the municipality during these two years was calculated at the sanctioned scale of pay of the staff

staff exclusive of the temporary allowance.

2. A statement showing the original fixed pay sanctioned by Government, the temporary allowance and the revised progressive scale sanctioned by the council is herewith enclosed. It has also been ascertained that all other municipal employees are now drawing a consolidated pay including the allowance in their graded appointments. It is also reported that in no case was the initial pay fixed so as to exceed the original pay sanctioned by Government and the temporary allowance. In these circumstances and in the light of para 2 of G.O.No.724 Law(Education dated 7- 5- 25, I think that the Municipal council was entitled to regard the minimum of the new scale as the amount to be taken into account for net cost purposes. I therefore recommend that the sanctioned scale plus temporary allowance might be allowed for net cost purposes, and the fixed subsidy payable to

the Municipal council may therefore be raised to Rs.4920(Fixed subsidy recommended Rs.3750 plus Rs.1170 on account of temporary allowance)

on account of amalgamation

of temporary allowance

with ~~revised~~ ~~scales~~ of pay.

A.S.

The Municipal Council,

Tiruppur revised the scales of

pay of the teachers in the

Municipal high school, Tiruppur

with effect from 1.7.22 and requested

that the additional cost involved

should be met by Govt as

the net cost of forms IV to VI

in the school is borne from

provincial funds. As the Council's

financial position was satisfactory

the Govt ^{dealing the request} ~~refused~~ to meet the extra

cost on account of the revision

in G.O. No. 1725 Law (Edu) D

8.11.24. While asking for

reconsideration of the ^{above} orders ~~in the~~

~~above~~ G.O. the Council requested

that

for Govt

that if it was not possible to
 sanction the extra cost of the revision
 they should at least take into
 account the pay sanctioned for the
 posts by Govt ^{and together with the temporary}
 allowances granted to ^{teachers may also be included in the net cost} them by the
 Council as ^{being} added to the net
 cost due to the high school dept
 of the school. The Govt informed
 the Council in G.O. No. 724 Law (Edn)
 of 7.5.25 that temporary allowances
 paid to the teachers might
 be included in the net cost statement
 if such allowances were ^{being} paid
 to all the Municipal employees.

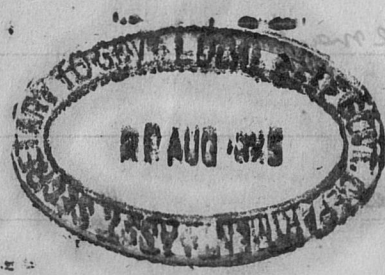

(P)

² The Municipal Council
 while revising the pay ^{of the teachers}
^{amalgamated} merged the temporary allowance with
 the sanctioned pay of the posts
 and fixed the amounts so arrived
 as the minimum pay in the revised
 scale. The D.P.D reports that
 it has been ascertained that
 all other members of the Municipal
 staff are ^{at present} drawing a consolidated rate
 of pay including the temporary
 allowance and that in no ~~case~~ instance
 in the revision of pay of the teachers
 was the initial pay fixed so as

 In the above circumstances he
 recommends that the sanctioned
