The statement of exemptions from examination rules due under paragraph 2(iv) of G.O.No. 722 Law (Edn), dated 13th June 1922, have been received from all the Heads of Departments excepting the Director of Survey. It is submitted that the statement due from the Director ~~was~~ need not be awaited. The following is a summary of the statements received from the officers.

It will be seen from the statement above that the only heads of the departments who have sanctioned a large number of exemptions are the Board of Revenue, ~~Land Revenue and Settlement and~~ the High Court. The Board has furnished the certificate that in 8 out of 16 cases bonafide efforts were made without success to obtain passed men for the posts, the other 8 being cases of military service. The High Court, which comes next, has sanctioned 8 exemptions, 4 of which were for long service in the department, 3 for military service and one as a "special case". The Surgeon-General has in the year under report exempted 4 ~~unpassed~~ ^{mufassal} clerks in the ~~District Medical Officers' offices~~ ^{D.M.O.'s} in order to cope with the heavy work in their offices. Exemption on similar grounds was granted by him in 1923-24 in the case of 34 men. There has thus been a considerable reduction in the number so dealt with by the S.G. The I.G. of Police, has also exempted 4 men and except in one case, that of a Muhammadan with typewriting qualifications, the exemption was for war service. The exemptions sanctioned by other heads of departments are few in number and are mostly on the ground either that the candidate had already put in long service in the department or that he had rendered the military service. No remarks seem called for in any of these cases.

2. In spite of repeated orders of Govt. that officers who are not heads of departments should not exercise the powers referred to in paragraph 2 of G.O. No. 722 Law (Education), dated 13th June 1922, ^{that} and they should not submit any returns of exemptions, ~~a great number of~~ ^{some} officers have, as in previous years, sent Nil returns of exemptions. ~~sanctioned for temporary and certain acting appointments.~~ It is submitted that in ^{cases} the fault lies with the Administrative Departments of the Secretariat, ~~concerned~~. Some of these departments such as the Political and Finance (Marine) have called for returns even from heads of ~~data~~ officers under them.

Separate action is now taken in the
 Public Dept in respect of the exemptions
 sanctioned by the ^{Chief} Presidency Magistrate. ~~That the Magistrate's reply need not be awaited~~

As regards the exemptions sanctioned by
 the Director of Survey, a statement of which
 has now been received and added on to the C.P.
 on page 52, it may be said that, as the exempted
 candidates had put in long service in the dept
 no remarks appear necessary. As usual the
 returns may be recorded. A draft order is submitted
